*Progetti di comunicazione per la reputazione aziendale* Invernizzi, Romenti, 2014

*Il bauhaus. Weimar, Dessau, Berlino 1919-33* Hans Maria Wingler, 1987 L'ampia opera pubblicata nel 1962 da H.M.

Wingler sul Bauhaus, si rivela ancora oggi utilissima. Nei confronti di altre opere precedentemente scritte sullo stesso argomento, la sua originalità consisteva nel fatto che per la prima volta si cercava di fornire una storia completa del Bauhaus, cioè non frammentaria. Un altro aspetto dell'originalità del libro di Wingler era dato dal suo carattere di antologia di documenti: per la prima volta esso offriva al grande pubblico la possibilità di valutare direttamente dei documenti e così formulare un giudizio su fatti e idee e non, come era avvenuto fino a quel momento, su 'opinioni' intorno a fatti e idee. Anche se la documentazione presentata da Wingler non era del tutto esauriente, essa era sicuramente la più ampia rispetto ad altre

precedenti. E anche successive. Infatti, nonostante si siano pubblicati molti altri libri su diversi aspetti parziali e su determinati protagonisti del Bauhaus, quello di Wingler, proprio per la sua completezza, continua a rimanere un punto di riferimento obbligato. (Tomas Maldonado).

Dizionario biografico degli Italiani: Taranto-Togni Alberto Maria Ghisalberti, 1960 This scholarly biographical encyclopedia is the standard source for information on prominent men and women from Italian history.

**La città, il viaggio, il turismo** Gemma Belli, Francesca Capano, Maria Ines Pascariello, 2018-11-06 [English]: The city as a destination of the journey in his long evolution throughout history: a basic human need, an event aimed at knowledge, to education, to business and trade, military and religious conquests, but also related to redundancies for the achievement of mere physical or spiritual salvation. In the frame of one of the world's most celebrated historical city, the cradle of Greek antiquity, myth and beauty, travel timeless destination for culture and leisure, and today, more than ever, strongly tending to the conservation and development of their own identity, this collection of essays aims to provide, in the tradition of AISU studies, a further opportunity for reflection and exchange between the various disciplines related to urban history./

[Italiano]: La città come meta del viaggio nella sua lunga evoluzione nel corso della storia: un bisogno primario dell'uomo, un evento finalizzato alla conoscenza, all'istruzione, agli affari e agli scambi commerciali, alle conquiste militari o religiose, ma anche legato agli esodi per il conseguimento della mera salvezza fisica o spirituale. Nella cornice di una delle città storiche più celebrate al mondo, culla dell'antichità greca, del mito e della bellezza, meta intramontabile di viaggi di cultura e di piacere, e oggi, più che mai, fortemente protesa alla conservazione e alla valorizzazione della propria identità, questa raccolta di saggi intende offrire, nel solco della tradizione di studi dell'AISU, un'ulteriore occasione di riflessione e di confronto tra i più svariati ambiti disciplinari attinenti alla storia urbana.
