Comunión y comunidad: Introducción a la espiritualidad Cristiana AETH Giacomo Cassese, Abingdon, 2004-11-01 “La vida en comunidad es lo más esencial de la espiritualidad cristiana, y es la esencia misma del reino de Dios... La espiritualidad cristiana consiste en un nuevo modo de relacionarnos en amor, pues es precisamente esto lo que claramente distingue a la comunidad creyente de cualquier otra comunidad humana”. Al definir así la espiritualidad cristiana, el Dr. Cassese derriba el obsoleto paradigma que intentaba buscar la perfecta relación con Dios a través del aislamiento, de la pura relación personal e individual con Dios. En particular porque en realidad es en la comunidad donde la espiritualidad se realiza, se prueba, se evalúa, crece y se perfecciona. Este libro, por lo tanto, nos ayudará a comprender y vivir la espiritualidad desde la vida cotidiana en comunidad, desde la inter-relación e inter-acción con nuestros hermanos y hermanas, desde la inmersión profunda en la vida misma. ENDOSO AL LIBRO COMUNIÓN Y COMUNIDAD Por Roberto Amparo Rivera, PhD La iglesia como institución tradicionalmente ha reflejado en la práctica las tendencias y valores de la sociedad en que se desenvuelven. Por eso no es de maravillarse encontrar hoy día creyentes individualistas y congregaciones que son más grupos de individuos que comunidades integradas. A pesar de que el amor de Dios, que supuestamente distingue la comunidad, “no busca lo suyo”, los miembros de estas iglesias se preocupan más de sus propios intereses que del bienestar comunitario. En este estado de cosas, el libro *Comunión y comunidad*, de Giacomo Cassese, es un grito de alerta y una invitación a recobrar el sentido comunitario de la fe cristiana. Hay una opinión generalizada de que la cultura occidental es cada vez más espiritualista. En este contexto, la espiritualidad se mide en términos de prácticas esotéricas de meditación, ayuno, contemplación de la naturaleza y lecturas de documentos misteriosos de religiones orientales. La contraparte cristiana percibe la espiritualidad solo en su dimensión vertical; “el alma en relación con Dios”, mientras que el resto de la vida no hace ninguna aplicación a las relaciones diarias con los semejantes. En marcado contraste, Cassese define espiritualidad como un estilo de relacionarse y de vivir en comunidad. Para los cristianos, afirma el autor, espiritualidad conlleva vivir la vida en su plenitud y con propósito. Solo en la comunión con Cristo nos entendemos como personas de comunidad. Y es a partir de la

persona de Cristo que descubrimos la dignidad de los demás como personas. Solamente recibiendo a nuestros hermanos y hermanas como regalo de Dios, y experimentando a través de la comunión con ellas y ellos la encarnación de la Trinidad, tendremos la vida en abundancia que el camino hacia Dios promete. Comunión y comunidad es un oasis al espíritu solitario que aun no ha descubierto que su mayor riqueza está en la vida relacional con sus hermanos y hermanas en Cristo. La lectura es amena y fácil de seguir. Cassese se esmera por hacer comprensibles los términos teológicos que emplea. Con marcada paciencia toma de la mano a los lectores y lectoras y les guía con su habilidad característica a través de los caminos de la espiritualidad, dejándoles un sentido de "¡Ahora sí entiendo!" El resumen al final de los capítulos, así como el glosario al terminar la lectura, son ayudas adicionales en caso de que algún lector o lectora las necesite. Definitivamente, el libro de Cassese es un instrumento valioso para la iglesia que quiere vencer el individualismo que destruye las riquezas de vida cristiana en comunidad, el dualismo que hace separación artificial deformadora entre la creación material y el mundo del espíritu, y el pragmatismo que reduce la vida a valores puramente materiales. Cassese combate eficientemente estos tres enemigos acérrimos de la espiritualidad cristiana. Recomendamos a pastoras y pastores, líderes denominacionales, y otras personas responsables de dirigir la vida espiritual de sus respectivas comunidades, que adquieran y distribuyan copias de este libro entre su equipo de trabajo y lo usen como herramienta para provocar un movimiento de renovación espiritual comunitario. Roberto Amparo Rivera es Director de Cuidado Ministerial en la Iglesia de Dios en Puerto Rico. Es ministro, escritor, editor y profesor de seminario. Posee un doctorado en filosofía, con especialidad en liderato y política educacional de The Ohio State University, y un doctorado honorífico en divinidad de Caribbean Graduate School of Theology, en Kingston, Jamaica.

Los Equipos docentes Guy Delaire, Hubert Ordronneau, 1991-04-13 Este libro, fruto de una labor de equipo y dirigido a todos los que piensan que la complementariedad de los individuos y experiencias es una buena baza para el éxito de una forma educativa, ofrece pautas de acción en esta línea, empezando por analizar el sentido del poder y la autoridad; describiendo luego distintos tipos de equipos, su creación, trayectoria y vida; ofreciendo métodos para la enseñanza en equipo y para la formación en este estilo de trabajo. La función docente, plural por definición, posee infinitas posibilidades de intercambio cultural y humano, que el trabajo en equipo permite experimentar.

Image, Knife, and Gluepot: Early Assemblage in Manuscript and Print Kathryn M. Rudy, 2019-07-14 In this ingenious study, Kathryn Rudy takes the reader on a journey to trace the birth, life and afterlife of a Netherlandish book of hours made in 1500. Image, Knife, and Gluepot painstakingly reconstructs the process by which this manuscript was created and discusses its significance as a text at the forefront of fifteenth-century book production, when the invention of

mechanically-produced images led to the creation of new multimedia objects. Rudy then travels to the nineteenth century to examine the phenomenon of manuscript books being pillaged for their prints and drawings: she has diligently tracked down the dismembered parts of this book of hours for the first time. *Image, Knife, and Gluepot* also documents Rudy's twenty-first-century research process, as she hunts through archives while grappling with the logistics and occasionally the limits of academic research. This is a timely volume, focusing on questions of materiality at the forefront of medieval and literary studies. Beautifully illustrated throughout, its use of original material and its striking interdisciplinary approach, combining book and art history, make it a significant academic achievement. *Image, Knife, and Gluepot* is a valuable text for any scholar in the fields of medieval studies, the history of early books and publishing, cultural history or material culture. Written in Rudy's inimitable style, it will also be rewarding for any student enrolled in a course on manuscript production, as well as non-specialists interested in the afterlives of manuscripts and prints. The Royal Society of Edinburgh has generously contributed to this Open Access publication. Due to the number and quality of the images in this book, we have provided the option of a more expensive hardback edition, printed on the best quality paper available, in order to present the images as clearly and beautifully as possible. We hope this range of options — the freely available PDF, HTML and XML editions; the economically priced EPUB, MOBI and paperback editions; and the more expensively printed hardback — will satisfy everyone. Furthermore the HTML edition allows readers to magnify the images of the manuscripts displayed in the book.

[Crib Death - Sudden Infant Death Syndrome \(SIDS\)](#) Giulia Ottaviani, 2014-10-01 Crib death or sudden infant death syndrome is the most frequent death-causing syndrome during the first year of life, striking one infant in every 700-1,000. Despite a wide spectrum of theories and years of research, crib death remains a great enigma. This book describes systematic studies of the cardiovascular system and autonomic nervous system carried out in a large number of infants, newborns, and fetuses who have died suddenly and unexpectedly, as well as in age-matched control cases. The cardiovascular and neuropathological findings are presented in detail and the relationship between crib death and unexplained perinatal death is discussed. This monograph will aid pathologists, forensic pathologists, pediatricians, obstetricians and neonatologists in recognizing all potential morphological substrata. It puts forward a well-researched standardized postmortem protocol to be applied in all cases of sudden unexpected infant and perinatal death.

[Urban Craftsmen and Traders in the Roman World](#) Andrew Wilson, Miko Flohr, 2016-02-12 This volume, featuring sixteen contributions from leading Roman historians and archaeologists, sheds new light on approaches to the economic history of urban craftsmen and traders in the Roman world, with a particular emphasis on the imperial period. Combining a wide range of research traditions from all over Europe and utilizing evidence from Italy, the western provinces, and the Greek-speaking east, this edited collection is divided into four sections. It first considers the scholarly history of Roman crafts and trade in

the nineteenth and twentieth centuries, focusing on Germany and the Anglo-Saxon world, and on Italy and France. Chapters discuss how scholarly thinking about Roman craftsmen and traders was influenced by historical and intellectual developments in the modern world, and how different (national) research traditions followed different trajectories throughout the nineteenth and twentieth centuries. The second section highlights the economic strategies of craftsmen and traders, examining strategies of long-distance traders and the phenomenon of specialization, and presenting case studies of leather-working and bread-baking. In the third section, the human factor in urban crafts and trade-including the role of apprenticeship, gender, freedmen, and professional associations-is analysed, and the volume ends by exploring the position of crafts in urban space, considering the evidence for artisanal clustering in the archaeological and papyrological record, and providing case studies of the development of commercial landscapes at Aquincum on the Danube and at Sagalassos in Pisidia.
