Frank Henry Richard Cook, 2010-02-17 Frank Henry The mystery of Frank Henry is a suspenseful character study of the relationship of an awkward and disfigured little boy and his mentor, Frank. It follows the little boy from birth until his untimely death. The relationship that slowly develops between these two is both heart-warming and alarming at the same time. Frank is a violently disturbed individual who identifies too closely with the problems facing his new charge. Although Frank is small and timid looking, he is a violent, vindictive man who will do anything to become a hero to the little boy. As the little disfigured boy comes of age Frank, his protector, is forced to deal with many crises. Frank has an unusual approach to problem-solving in each case. Frank Henry is also unique in that it deals with a number of contemporary issues in education. Everyone who has gone through school can appreciate the problems that the two men endured. Frank has a violent nature, nevertheless, this should not diminish his success at problem-solving. Many of the readers of Frank Henry will find the issues and their solutions controversial. Hopefully there will be an honest and fair analysis of the actions taken.

An Educated Guess Tom Tatum, 2012-11 When teenager Bobby Blume arrives home late one night to discover his parents' blood-splattered bodies, police brand the midsummer tragedy a murder-suicide. But despite the couple's long history of domestic abuse, one police detective isn't convinced, suspecting the boy himself may be the real killer. Unanswered questions about the double slayings linger into the fall when the enigmatic young teen transfers to Halcyon High School where he's immediately targeted by a gang of relentless bullies. Not long after, the school is shaken to its core when a posting on the internet threatens Halcyon with a Columbine-style bloodbath and the bullied Blume becomes a prime suspect. But Bobby is also a gifted athlete, finding solace in long distance running and an unlikely ally in high school teacher Mitchell Grey, a thirteen year veteran of the classroom trenches. Grey, long frustrated by the school's inept administrative bureaucracy, the onslaught of immigrant students, overcrowded classrooms, endless standardized testing, an escalating floodtide of learning disabled students, and the crippling effects of an overbearing ADHD industry, is himself a conflicted man in the midst of his own career and personal crises. Threats of violence and bloodshed still hang in the air at Homecoming and a climactic cross-country meet. If the hapless Bobby can somehow outrace the storied Cruiser Kasewort, the state's premiere distance runner, he could win a college scholarship and, perhaps, the heart of fickle dream girl Becky

Matthews. In the end it's left to Grey, with help from wisecracking math teacher Stan Cassidy, jovial track Coach Tyrone Tonny, and starry-eyed young guidance counselor Katy O'Conner, to uncover the truth about the troubled teen and, in an action-packed finale, come to terms with the broken pieces of his own life in *An Educated Guess*.
