The Greatest Lie Ever Told W. H. Uffington, 2011 The Greatest Lie Ever Told takes the reader on a historical voyage, using wit and logic to reveal the evidence of research that no one wanted you to see. The author reveals that Egypt had a monotheistic religion, not one with a pantheon of gods, gives the evidence to explain the Exodus, traces the Old and New Testaments back to Egypt, explains why most of the characters in the Old Testament are fictitious, shows that the original Jews did not migrate to a 'Promised Land, ' they were always there. Jews, Christians and Muslims have been grossly misled about their religions. All three were perverted from their shared origins, by politics, avarice and greed. The greatest of these perversions is Christianity. Academics knew the truth but dared not publish it. Church leaders knew the truth about Jesus but lied to hide it. They know that Christianity is one of many monotheistic religions based on an identical theme and they carried out a ruthless and bloodthirsty campaign which has failed to eradicate the truth. The author proves his allegations, presents truth not speculation and shows where the future path of the Church must lie. The Greatest Lie Ever Told isn't some vague conjecture, it is a fact.

The Best Christmas Pageant Ever Barbara Robinson, 2011-02-22 America's favorite Christmas book by Barbara Robinson is now a major motion picture! Lionsgate is releasing a live action movie version of The Best Christmas Pageant Ever on November 8, 2024, directed by Dallas Jenkins of The Chosen and featuring actors Judy Greer, Lauren Graham, Elizabeth Tabish, and Pete Holmes, coming to a theater near you! The Herdmans are the worst kids in the history of the world. They lie, steal, and swear. So no one is prepared when this outlaw family invades church one Sunday and decides to take over the annual Christmas pageant. None of the Herdmans has ever heard the Christmas story before. Their interpretation of the tale—the Wise Men are a bunch of dirty spies—has a lot of people up in arms. And their wild antics cause havoc throughout the play's production. But the actual pageant is full of surprises for everyone, starting with the Herdmans themselves, as they ultimately lead the town in finding the true meaning of Christmas. They will make this year's pageant the most unusual anyone has seen and, just possibly, the best one ever. Barbara Robinson's popular and bestselling tale of the rowdy Herdmans has been beloved and celebrated since the book's original release in 1972. Read the book again before you see the movie!

Why I Write George Orwell, 2021-01-01 George Orwell set out 'to make political writing into an art', and to a wide extent

this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

Teaching What Really Happened James W. Loewen, 2018-09-07 "Should be in the hands of every history teacher in the country." — Howard Zinn James Loewen has revised Teaching What Really Happened, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled Truth that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today's schools.

Pour Your Heart Into It Howard Schultz,2012-05-22 In *Pour Your Heart Into It*, former CEO and now chairman emeritus Howard Schultz illustrates the principles that have shaped the Starbucks phenomenon, sharing the wisdom he has gained from his quest to make great coffee part of the American experience. The success of Starbucks Coffee Company is one of the most amazing business stories in decades. What started as a single store on Seattle's waterfront has grown into the largest coffee chain on the planet. Just as remarkable as this incredible growth is the fact that Starbucks has managed to maintain its renowned commitment to product excellence and employee satisfaction. Marketers, managers, and aspiring entrepreneurs will discover how to turn passion into profit in this definitive chronicle of the company that has changed everything... from our tastes to our language to the face of Main Street (Fortune).

Social Science Research Anol Bhattacharjee,2012-03-16 This book is designed to introduce doctoral and graduate students to the process of scientific research in the social sciences, business, education, public health, and related disciplines.

Lies My Teacher Told Me James W. Loewen,2007-10-16 Criticizes the way history is presented in current textbooks, and suggests a fresh and more accurate approach to teaching American history.

Laziness Does Not Exist Devon Price,2022-01-04 A social psychologist uncovers the psychological basis of the laziness lie, which originated with the Puritans and has ultimately created blurred boundaries between work and life with modern technologies and offers advice for not succumbing to societal pressure to do more.

Principles Ray Dalio,2018-08-07 #1 New York Times Bestseller “Significant...The book is both instructive and surprisingly moving.” —The New York Times Ray Dalio, one of the world’s most successful investors and entrepreneurs, shares the unconventional principles that he’s developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time

magazine's list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture, which he describes as "an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency." It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In *Principles*, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of "radical truth" and "radical transparency," include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating "baseball cards" for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, *Principles* also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they're seeking to achieve. Here, from a man who has been called both "the Steve Jobs of investing" and "the philosopher king of the financial universe" (CIO magazine), is a rare opportunity to gain proven advice unlike anything you'll find in the conventional business press.

A Little Life Hanya Yanagihara, 2015-03-10 NEW YORK TIMES BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*.

Oh, the Places You'll Go! Dr. Seuss,2013-09-24 Dr. Seuss's wonderfully wise Oh, the Places You'll Go! celebrates all of our special milestones—from graduations to birthdays and beyond! “[A] book that has proved to be popular for graduates of all ages since it was first published.”—The New York Times From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life!

The Four Scott Galloway,2017-10-05 'A fantastic, provocative book about where we are now and where we are going' Phil Simon Huffington Post Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions: - How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? - Why does the stock market forgive them for sins that would destroy other firms? - And as they race to become the world's first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

Trust Hernan Diaz,2022-05-10 One of The New York Times 100 Best Books of the 21st Century Winner of the 2023 Pulitzer Prize for Fiction -- Longlisted for the Booker Prize The Sunday Times Bestseller -- One of Barack Obama's Favourite Books of the Year 'Massively enjoyable' - The Sunday Times 'Genius' - The Observer 'Enthralling' - Daily Mail Can one person change the course of history? A Wall Street tycoon takes a young woman as his wife. Together, they rise to the top in an age of excess and speculation. Now a novelist is threatening to reveal the secrets behind their marriage. Who will have the final word in their story of greed, love and betrayal? Composed of four competing versions of this deceptive tale, Trust by Hernan Diaz brings us on a quest for truth while confronting the lies that often live buried in the human heart. **Soon to be an HBO Limited Series starring Kate Winslet** 'I've never read anything quite like this' - Natalie Portman 'One of the great puzzle-box novels . . . a page-turner' - The Telegraph 'Metafiction at its best, unpredictable, clever and massively enjoyable' - The Sunday Times

Everything I Never Told You Celeste Ng,2014-06-26 A New York Times Book Review Notable Book of the Year • A New

York Times Book Review Editors' Choice • Winner of the Alex Award and the Massachusetts Book Award • Named a Best Book of the Year by NPR, San Francisco Chronicle, Entertainment Weekly, The Huffington Post, BuzzFeed, Grantland Booklist, St. Louis Post-Dispatch, Shelf Awareness, Book Riot, School Library Journal, Bustle, and Time Our New York The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Digital and Social Media Marketing Nripendra P. Rana, Emma L. Slade, Ganesh P. Sahu, Hatice Kizgin, Nitish Singh, Bidit Dey, Anabel Gutierrez, Yogesh K. Dwivedi, 2019-11-11 This book examines issues and implications of digital and social media marketing for emerging markets. These markets necessitate substantial adaptations of developed theories and approaches employed in the Western world. The book investigates problems specific to emerging markets, while identifying new theoretical constructs and practical applications of digital marketing. It addresses topics such as electronic word of mouth (eWOM), demographic differences in digital marketing, mobile marketing, search engine advertising, among others. A radical increase in both temporal and geographical reach is empowering consumers to exert influence on brands, products, and services. Information and Communication Technologies (ICTs) and digital media are having a significant impact on the way people communicate and fulfil their socio-economic, emotional and material needs. These technologies are also being harnessed by businesses for various purposes including distribution and selling of goods, retailing of consumer services, customer relationship management, and influencing consumer behaviour by employing digital marketing practices. This book considers this, as it examines the practice and research related to digital and social media marketing.

Introduction to Probability Joseph K. Blitzstein, Jessica Hwang, 2014-07-24 Developed from celebrated Harvard statistics lectures, *Introduction to Probability* provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples.

Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.
