John Piper

A Handbook for Ministers' Wives Dorothy Kelley Patterson, 2002 Advice for women who are in the challenging role of being married to men who serve in ministry positions.

Letters to Pastors' Wives Catherine J. Stewart, 2013 Although their calling is joyous, pastors' wives encounter special challenges because of the nature of their husbands' work. These letters from the wives of experienced and well-known pastors provide empathy, wise counsel, and encouragement.

The Pastor's Wife Gloria Furman, 2015-04-17 But you're the pastor's wife! Like most pastors' wives, Gloria Furman has found herself shouldering the burden of unrealistic expectations. 'Who am I? What am I? Am I supposed to be playing some sort of role? If so, where did I put that script?' she asks. But, she argues, our identity as a woman, a wife or a pastor's wife must come second to our primary reference point: that of being found in Christ. With honesty and humour, and a truly fascinating window into the Middle East where she lives, Gloria helps us to love the Chief Shepherd and his under-shepherd, to love the church and look forward to the return of Christ.

Living So That Wendy Blight, Inscribed, 2014 Living 'So That' is a fresh approach to understanding God's Word, focusing on many of the powerful 'so that' verses in Scripture.

The Pastor's Soul Brian Croft, Jim Savastio, 2018-07-16 David Murray writes in the Foreword: 'The minister's soul is the soul of his ministry.' I can't remember where I first heard this saying, but I've never been able to forget it. And, having read this book, I never want to forget it. In these pages, Jim Savastio and Brian Croft establish the foundation of all faithful and fruitful ministry—the pastor's soul. But, although their main target is the epidemic of ministerial hyper-activity and the accompanying burnout, backsliding, and brokenness, they carefully avoid over-reacting and running to the opposite extremes

of monkish withdrawal or lazy self-indulgence. Instead, you have a book that skillfully walks a balanced biblical path in both content and style. It balances self and others. Yes, the pastor is all about serving others, about sacrificing for the sake of others, about spending and being spent for others, and about pouring out themselves to fill others. But, as many pastors have discovered to their cost and pain, servants are finite, sacrifices eventually turn to ashes, non-stop spending leads to bankruptcy, and pouring out without ever filling up ends in drought. This book reminds us that caring for self is not selfish but necessary if we are to sustain a life of caring service to others. It's not a warrant for sloth or selfishness, but rather a call to self-care that will lead to better other-care.

Brothers, We Are Not Professionals John Piper, 2013-02-01 In this revised and expanded edition of *Brothers, We Are Not Professionals* that includes a new introduction and select all-new chapters, best-selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry. "We pastors are being killed by the professionalizing of the pastoral ministry," he writes. "The mentality of the professional is not the mentality of the prophet. It is not the mentality of the slave of Christ. Professionalism has nothing to do with the essence and heart of the Christian ministry. The more professional we long to be, the more spiritual death we will leave in our wake. For there is no professional childlikeness, there is no professional tenderheartedness, there is no professional panting after God. "Brothers, we are not professionals. We are outcasts. We are aliens and exiles in the world. Our citizenship is in Heaven, and we wait with eager expectation for the Lord (Phil. 3:20). You cannot professionalize the love for His appearing without killing it. And it is being killed. "The world sets the agenda of the professional man; God sets the agenda of the spiritual man. The strong wine of Jesus Christ explodes the wine- skins of professionalism."

Greek for Life Benjamin L. Merkle, Robert L. Plummer, 2017-08-01 Learning Greek is one thing. Retaining it and using it in preaching, teaching, and ministry is another. In this volume, two master teachers with nearly forty years of combined teaching experience inspire readers to learn, retain, and use Greek for ministry, setting them on a lifelong journey of reading and loving the Greek New Testament. Designed to accompany a beginning or intermediate Greek grammar, this book offers practical guidance, inspiration, and motivation; presents methods not usually covered in other textbooks; and surveys helpful resources for recovering Greek after a long period of disuse. It also includes devotional thoughts from the Greek New Testament. The book will benefit anyone who is taking (or has taken) a year of New Testament Greek.

Connecting Church & Home: A Grace-Based Partnership Tim Kimmel, 2013-02 Tim Kimmel gives a comprehensive strategy to churches for family ministry as well as a plan for parents seeking to pass their faith to the next generation. He

shares valuable tools for the church to use to build a strong family ministry. A child who has seen grace lived out in front of him at church and at home is much more inclined toward staying committed to a relationship with God into adulthood. So Kimmel shares what a grace-based family ministry looks like in the local church. He also teaches parents how to translate every part of ministry they are exposed to at church to translate into spiritual training at home. The Family Ministry Map, created by Kimmel, is explained in detail, and examples of the program put into practice are given. This book gives a vital message to church ministry leaders and parents equally, making this a must-read for all involved in sharing faith with the next generation.

A Place to Belong Megan Hill, 2020-04-16 Christians know church is important, but sometimes it doesn't seem worth it. An eclectic assortment of people with differing personalities, political views, and parenting styles can make for awkward interactions and difficult connections. What's the point of putting in the tough work to build relationships? But the Bible says God's people ought to be bound together. It uses words like beloved, brothers and sisters, saints, and fellow laborers to describe their mutual relationship in the church. In this book, Megan Hill answers a common question of churchgoers: What's so great about the church? With rich theology, practical direction, and study questions for group use, Hill encourages and equips both first-time visitors and regular members to delight in being a part of the local church—no matter how messy and ordinary it seems today. It is only when God's people begin to see one another as the Lord sees them that they will truly find a place to belong.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Let the Church Sing! Thérèse Smith, 2004 An examination of worldviews, religious belief and ritual as seen through the musical performances of one Afro-American Baptist church in a small black community in rural Mississippi. **Let the Church Sing! Music and Worship in a Black Mississippi Community** is based on years of fieldwork by an Irish ethnomusicologist, who examines, in more detail than ever before, how various facets of the Clear Creek citizens' worldview find expression through religious ritual and music. Thérèse Smith, though originally very much an outsider, gradually found herself welcomed into Clear Creek by members and officials of the Clear Creek Missionary Baptist Church. She was permitted to record many hours' worth of sermons and singing and engaged in community events as a participant-observer. In addition, she conducted plentiful interviews, not just at Clear Creek but, for comparison, at Main St. Baptist Church in Lexington, Kentucky. All of this enables her to analyze in detail how music is interwoven in the worship service, how people feel about the music that they make and hear, and, more generally, how the religious views so vividly expressed help the Church's members think about the relationship between themselves, their community, and the larger world. Music and prayer enable the members and leaders of the Church to bring the realm of the spiritual into intersection with the material world in a particularly active way. The book is enriched by extensive musical transcriptions and an accompanying CD of recordings from actual church services, and these are examined in detail in the book itself. Thérèse Smith is in the Music Department, University College, Dublin.
