Alabaster Co.,Inc Alabaster Creative

Book of Romans (Hc, Nlt) Alabaster Co.,Inc Alabaster Creative,2018-09-18 A beautiful representation of The Book of Romans--a history-shaping text on experiencing unity, family, and righteousness within the early Church. Throughout this book, vast and lofty theological concepts are described and illuminated in an approachable way, demonstrating that the good news of Jesus is for all people. Romans was written to a community of believers as an encouragement--a springboard into a life spent in pursuit of the beauty and peace God desires for humanity. Alabaster's approach reimagines the entire experience of the book. Incorporating images that illuminate the themes and messages of the text, this book will help the reader engage scripture in a fresh way. The Book of Romans in the New Living Translation (NLT) is great for Bible studies, church groups, or individual devotional times. Alabaster creates with the reader in mind--including careful use of negative space, legible typefaces, and layouts that allow a thoughtful exploration between text and images.

Women Living Well Courtney Joseph Fallick, 2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

Hand Me Another Brick Charles R. Swindoll, 1998-10-16 Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project,

and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.
