Norman Vincent Peale

Your Thoughts Are Killing You Marybeth Wuenschel,2019-02 YOUR MIND IS YOURS TO COMMAND Do your thoughts have control over you or do you have control over your thoughts? Your mind belongs to you, and you have authority over what you think and say and believe. Just because a thought comes into your head doesn't mean it's yours; it doesn't mean you have to think about it or entertain it. God apprehended me when I was 29 years old. I pray as you read this book you too will have a personal encounter with Almighty God. Mark 11:22-25 Jesus said to them in reply, Have faith in God. Amen, I say to you, whoever says to this mountain, 'Be lifted up and thrown into the sea, ' and does not doubt in his heart but believes that what he says will happen, it shall be done for him. Therefore I tell you, all that you ask for in prayer, believe that you will receive it and it shall be yours. What mountain is threatening you? It's time to talk to your mountains. We talk to ourselves and each other about our problems all day long when we should be talking to our problems. Jesus said, Say to this mountain. He has given us authority and power over fear, worry and every negative stronghold oppressing us. God has already made the way for you and for me through Jesus Christ to confront every obstacle in the way of our peace and joy. We just have to realize that it is ours. Because Jesus is our rock, there is nothing we cannot overcome and conquer. Get ready to learn some eye-opening truths. Jesus died so we could live, not just survive, but live an abundant, fulfilling and productive life. It's time for us to take back what the enemy has stolen from us. The Bible says that we have been transferred out of the kingdom of darkness and into the Kingdom of his beloved Son and from this day forward let's plan to live like it.

The Other 99 T.Y.M.E.S. Carlos Wallace,2016-09-10 Sometime, we spend so much time focusing on the one thing that went wrong, we lose sight of the 99 other times things went right. Ralph Waldo Emerson once said that in order to achieve contentment, one should cultivate the habit of being grateful for every good thing that comes to you, and to give thanks continuously. Researchers have found that the act of counting one's blessings actually helps strengthen relationships, in all forms. In The Other 99 T.Y.M.E.S the undervalued concept of gratitude is the critical theme which defines the groundbreaking sophomore narrative by Carlos Wallace, author of the bestseller *Life Is Not Complicated, You Are*. This may all be an enigmatic concept for some to grasp; the realization that although you have hit some rough patches the experiences should never negate moments that a kind word, a caring act, an instance of forgiveness or the rewarding feeling of knowing you worked hard to achieve a goal brought you satisfaction and made you happy. This book will teach you to appreciate the

good in your life and encourage you to maintain a positive attitude despite the negativity that surrounds you. To appreciate circumstances that help you evolve not because you are impervious to pain and disappointment, but because you are accepting of joy. Most importantly, *The Other 99 T.Y.M.E.S* will help readers summon up the courage to approach life with an open mind, eyes wide open. You will no longer turn a blind eye to your struggles, hoping they will fade away if they are ignored. Ignorance is a progressive thinker's enemy; acceptance, awareness, accountability and action are the tools of the informed; of people who want change and do all they can to achieve it. The book, much like *Life Is Not Complicated*, *You Are* is an odyssey into recesses of your psyche that you may not have fully tapped into. At the end of the journey, prepare to view life through a completely different lens. Prepare to appreciate and value

Daily Motivational Quotes-If misery loves company, than motivation breeds success! Susan A. Enns, 2010-12-13 This is a collection of my favorite motivational quotes all in one place! Some are sales related, some are business related, but most are

simply life related. They are in no particular order, just a random thought for each day of the year to help keep you on a positive note. If the old saying “misery loves company” is true, then motivation must breed happiness! I have spent my entire career, in one form or another, in sales. As such, I have dealt with rejection almost every day of my working life. Don’t get me wrong, I have had a very successful career, but no sales person hears yes all the time. In fact, it is just the opposite. We hear no many more times than we hear yes. In sales, rejection is just something we deal with every day. When we let it get us down, it shows to everyone we meet, including our customers, our colleagues and our family. Essentially, our negative attitude becomes our worst enemy. Even if you are not in sales, if you let your negative thoughts get the best of you, you are your own worst enemy too. Given my profession, I have been asked many times how do I stay positive? It can’t be easy to keep the right attitude when you have to deal with rejection every day, right? Yes, actually, it can be. I stay positive because I choose to stay positive. I actually make a conscious effort to not be negative and to only be positive. I discovered long ago that a motivational quote always puts me in the right frame of mind. I started searching the internet for a daily quote that made me smile or motivated me in some way. Each day I did this, I found that I became better mentally prepared to tackle the day. More importantly, I was just happier! I started to share what I found online. I would put a daily motivational quote in my Facebook and LinkedIn statuses, I would blog about them, and I would tweet them on Twitter. Friends, family, and business associates all enjoyed them so much they started calling me The Quote Lady. More importantly, everyone’s positive attitude seemed to be contagious. The more the motivation spread, the more everyone became motivated! That’s when I decided to pull together a collection of my favorite motivational quotes all in one place, and this eBook was created. I hope you enjoy them as much as I do. Remember, your thoughts control your outcomes and you control your thoughts. So choose wisely! Thank you for your everyday contribution to our success! It is really amazing for what you are doing in helping others stay positive and overcome their challenges, whatsoever small or big they may be Susan inspires me to do better and help others. Like it...Very Motivating
