Born a Crime Trevor Noah, 2016-11-15 The compelling, inspiring, and comically sublime New York Times bestseller about one man's coming-of-age, set during the twilight of apartheid and the tumultuous days of freedom that followed. Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The eighteen personal essays collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Maxwell Connors, a fifteen-year-old prankster, misfit and graffiti artist, observes the changes with growing concern, especially when his younger sister, Ally, is targeted. Max and his best friend, Dallas, escape the treatment, but must pretend to be zombies while they watch their freedoms and hopes decay. Shelf Life Nadia Wassef, 2021-10-05 "As a bookseller, I loved *Shelf Life* for the chance to peer behind the curtain of Diwan, Nadia Wassef's Egyptian bookstore—the way that the personal is inextricable from the professional, the way that failure and success are often lovers, the relationship between neighborhoods and books and life. Nadia's story is for every business owner who has ever jumped without a net, and for every reader who has found solace in the aisles of a bookstore." —Emma Straub, author of *All Adults Here* "Shelf Life is such a unique memoir about career, life, love, friendship,

motherhood, and the impossibility of succeeding at all of them at the same time. It is the story of Diwan, the first modern bookstore in Cairo, which was opened by three women, one of whom penned this book. As a bookstore owner I found this fascinating. As a reader I found it fascinating. Blunt, honest, funny.” —Jenny Lawson, author of *Broken* (in the best possible way) The warm and winning story of opening a modern bookstore where there were none, *Shelf Life: Chronicles of a Cairo Bookseller* recounts Nadia Wassef’s troubles and triumphs as a founder and manager of Cairo-based Diwan The streets of Cairo make strange music. The echoing calls to prayer; the raging insults hurled between drivers; the steady crescendo of horns honking; the shouts of street vendors; the television sets and radios blaring from every sidewalk. Nadia Wassef knows this song by heart. In 2002, with her sister, Hind, and their friend, Nihal, she founded Diwan, a fiercely independent bookstore. They were three young women with no business degrees, no formal training, and nothing to lose. At the time, nothing like Diwan existed in Egypt. Culture was languishing under government mismanagement, and books were considered a luxury, not a necessity. Ten years later, Diwan had become a rousing success, with ten locations, 150 employees, and a fervent fan base. Frank, fresh, and very funny, Nadia Wassef’s memoir tells the story of this journey. Its eclectic cast of characters features Diwan’s impassioned regulars, like the demanding Dr. Medhat; Samir, the driver with CEO aspirations; meditative and mythical Nihal; silent but deadly Hind; dictatorial and exacting Nadia, a self-proclaimed bitch to work with—and the many people, mostly men, who said Diwan would never work. *Shelf Life* is a portrait of a country hurtling toward revolution, a feminist rallying cry, and an unapologetic crash course in running a business under the law of entropy. Above all, it is a celebration of the power of words to bring us home.

Mother to Mother Sindiwe Magona,2022-08-23 A searing novel, told in letter form, that explores the South African

legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman *Mother to Mother* is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl's murder, the book takes the form of a letter to the victim's mother. The murderer's mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but perpetuated violence against women and impoverished Black South Africans under the reign of apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, *Mother to Mother* will resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.

Endurance Scott Kelly, 2017-10-17 NATIONAL BEST SELLER A stunning, personal memoir from the astronaut and modern-day hero who spent a record-breaking year aboard the International Space Station—a message of hope for the future that will inspire for generations to come. The veteran of four spaceflights and the American record holder for consecutive days spent in space, Scott Kelly has experienced things very few have. Now, he takes us inside a sphere utterly hostile to human life. He describes navigating the extreme challenge of long-term spaceflight, both life-threatening and mundane: the devastating effects on the body; the isolation from everyone he loves and the comforts of Earth; the catastrophic risks of colliding with space junk; and the still more haunting threat of being unable to help should tragedy strike at home—an agonizing situation Kelly faced when, on a previous mission, his twin brother's wife, American Congresswoman Gabrielle Giffords, was shot while he still had two months in space. Kelly's humanity, compassion, humor, and determination resonate throughout, as he recalls his rough-and-tumble New Jersey childhood and the youthful inspiration that sparked his astounding career, and as he makes clear his belief that Mars will be the next, ultimately challenging, step in spaceflight. In *Endurance*, we see the triumph of the human imagination, the strength of the human will, and the infinite wonder of the galaxy.

As Tara developed her own coping mechanisms, little by little, she started to realize that what her family was offering didn't have to be her only education. Ten Cities That Led the World Paul Strathern, 2023-03-02 'A book of ideas [...] Strathern ably guides us through these moments of glory.' -- The Times *** Great cities are complex, chaotic and colossal. These are cities that dominate the world stage and define eras; where ideas flourish, revolutions are born and history is made. Through ten unique cities, from the founding of ancient capitals to buzzing modern megacities, Paul Strathern explores how urban centres lead civilisation forward, enjoying a moment of glory before passing on the baton. We journey back to discover Babylonian mathematics, Athenian theatre and intellectual debate, and Roman construction that has lasted millennia. We see Constantinople evolve into Istanbul, revolutionary sparks fly in Enlightenment Paris, and the railways, canals and ships that built Imperial London. In Moscow men build spaceships while other men starve, New York's skyscrapers rise up to a soundtrack of jazz, Mumbai becomes home to immense wealth and poverty, and Beijing's economic transformation leads the way. Each city has its own distinct personality, and *Ten Cities that Led the World* brings their rich and diverse histories to life, reminding us of the foundations we have built on and how our futures will be shaped.
