Will Raj be able to tell Sofia how he feels? Will they be able to sustain a love spanning across cultural and geographical boundaries? Snape Lorrie Kim,2016 The Harry Potter series may be named after the Boy Who Lived, but if you want to know the story, keep your eyes fixed on Severus Snape. This hook-nosed, greasy-haired, grumpy character is one of J.K. Rowling's enduring gifts to English literature. He's the archetypal ill-tempered teacher: acerbic, yet horribly, deliciously funny. When he's in a scene, you can't take your eyes off him. Snape is always the story. - From the Introduction In this examination of J.K. Rowling's most enigmatic character, Lorrie Kim shows us how to sort through the illusions and lies to the man who dared to spy on Voldemort. In his final moments, he asks Harry, and the reader, to Look at me. This book does just that.

She Was the Light Rachel Adams,2022-01-23 I spent some of the darkest months of my life struggling to find a reason to get up in the morning. In my first awakening, I disassociated from my parents. My first husband cheated on me. My second husband carried on long affairs over the course of 15 years and told me he regretted ever bringing a child into the world with me. I had convinced myself that I wasn't fit to be a mother, a spouse, or a daughter. Other than being a good accountant, I could find no value within myself to offer the world. I would spend the next year of my life clawing my way out of the darkness, desperate to find any glimmer of light that would offer hope. Hope that I wasn't worthless. Hope that I was worthy of love. Hope that the world was not the dark and terrifying place that I had again grown to believe it to be. As dark as those days were, they did not last forever. I learned some very hard lessons and eventually found myself not only surrounded by love and light, but I also learned that I myself was a light all along. In this book I share my story with you. I share in painful

and sometimes humorous detail how the darkness crept in and almost swallowed me whole. You'll find, however, that my story has a happy ending and some beautiful lessons that might just bring a little light to your world as well.

Fantastic Beasts: the Crimes of Grindelwald - the Original Screenplay J. K. Rowling, 2019 The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. In an effort to thwart Grindelwald's plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead.
