Outside In Doug Cooper, 2013-08-13 International Book Award, USA Book News Award and IPPY Award Winner! From Memorial Day until the student workers and tourists leave in the fall, the island community of Put-In-Bay, Ohio, thrives on alcohol, drugs, sexual experimentation, and any other means of forgetting responsibilities. To Brad Shepherd—recently forced out of his job as a junior high math teacher after the overdose death of a student—it’s exactly the kind of place he’s looking for. Allured by the comfort and acceptance of the hedonistic atmosphere, Brad trades his academic responsibilities and sense of obligation for a bouncer’s flashlight and a pursuit of the endless summer. With Cinch Stevens, his new best friend and local drug dealer, at his side, Brad becomes lost in a haze of excess and instant gratification filled with romantic conquests, late-night excursions to special island hideaways, and a growing drug habit. Not even the hope from a blossoming

relationship with Astrid, a bold and radiant Norwegian waitress, nor the mentoring from a mysterious mandolin player named Caldwell is enough to pull him out of his downward spiral. But as Labor Day approaches, the grim reality of his empty quest consumes him. With nowhere left to run or hide, Brad must accept that identity cannot be found or fabricated, but emerges from within when one has the courage to let go. A look at one man's belated coming of age that's equally funny, earnest, romantic, and lamenting, Doug Cooper's debut novel explores the modern search for responsibility and identity, showing through the eyes of Brad Shepherd how sometimes, we can only come to understand who we truly are by becoming the person we're not.

The Dream of Perpetual Motion Dexter Palmer,2010-03-02 Imprisoned for life aboard a zeppelin that floats high above a fantastic metropolis, greeting-card writer Harold Winslow pens his memoirs. His only companions are the disembodied voice of Miranda Taligent, the only woman he has ever loved, and the cryogenically frozen body of her father, Prospero, the genius and industrial magnate who drove her insane. As Harold heads toward a last desperate confrontation with Prospero to save Miranda's life, he finds himself an unwitting participant in the creation of the greatest invention of them all: the perpetual motion machine. Beautifully written, stunningly imagined, and wickedly funny, Dexter Palmer's *The Dream of Perpetual Motion* is a heartfelt meditation on the place of love in a world dominated by technology.

The Love of Nature and the End of the World Shierry Weber Nicholzen,2003-02-28 A psychological exploration of how the love of nature can coexist in our psyches with apathy toward environmental destruction. Virtually everyone values some aspect of the natural world. Yet many people are surprisingly unconcerned about environmental issues, treating them as the province of special interest groups. Seeking to understand how our appreciation for the beauty of nature and our indifference to its destruction can coexist in us, Shierry Weber Nicholzen explores dimensions of our emotional experience with the natural world that are so deep and painful that they often remain unspoken. *The Love of Nature and the End of the World* is a gathering of meditations and collages. Its evocations of our emotional attachment to the natural world and the emotional impact of environmental deterioration are meant to encourage individual and collective reflection on a difficult dilemma. Nicholzen draws on work in environmental philosophy and ecopsychology; the writings of psychoanalytic thinkers such as Wilfred Bion, Donald Meltzer, and D. W. Winnicott; and ideas from Buddhist and Sufi traditions. She shows how our emotional responses to the vulnerabilities of the natural world range from intense caring and compassion, through grief and outrage, to diffuse depression. Individual chapters focus on silence and the process whereby we move from the unspoken to the spoken, the love of nature, the perceptual reciprocity with the natural world to which we might mature, beauty in the human and natural realms, the psychological impact of the destruction of the natural world, and reflections on the future.

Through the Eye of the Tiger Jim Peterik,Lisa Torem,2014-09-23 Hey, yo, Jim . . . This is Sylvester Stallone. Give me a call . . . It was these words that would set Jim Peterik on the road to rock 'n' roll immortality. After he and his Survivor bandmates recorded *Eye of the Tiger* for the *Rocky III* soundtrack, the song would go on to earn a Grammy, an Oscar nomination, reach triple platinum status—and become one of the most recognizable tunes in music history. But there's much more to the story of Survivor and its founding member, Jim Peterik, than meets the eye. As one of the most prolific songwriters of his generation, Peterik has cowritten songs with some of the most famous bands and artists of our time, including 38 Special (*Caught Up in You*, *Hold on Loosely*), Sammy Hagar (*Heavy Metal*), The Beach Boys, The Doobie Brothers, REO Speedwagon, Cheap Trick, and many more. Now, for the first time, Peterik is sharing his stories. Filled with tales from Peterik's life in rock 'n' roll, *Through the Eye of the Tiger* documents his early days of success with *The Ides of March* (Vehicle), through the often torturous power struggles within Survivor, and the giddy highs that accompany a trail of worldwide hits. From going to a party in Led Zeppelin's hotel room (and turning right back out the door) to escorting a disoriented Janis Joplin back to her hotel room after opening her show in Calgary, Peterik's accounts will surprise and

delight. Through the Eye of the Tiger is more than just a memoir of a songwriting legend; it's a classic rock 'n' roll story told through the eyes of someone who has lived through it all—and through the Eye of the Tiger.

Still Life with Woodpecker Tom Robbins,2003-06-17 A startlingly original novel from the New York Times bestselling author hailed by Financial Times as “one of the wildest and most entertaining novelists in the world” “[Tom] Robbins’s comic philosophical musings reveal a flamboyant genius.”—People Still Life with Woodpecker is a sort of a love story that takes place inside a pack of Camel cigarettes. It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals with the problem of redheads. “Robbins is a fabulous storyteller.”—The Boston Globe

Buy the Avocado Toast Stephanie Bousley,2020-03-31 What if the solution to student debt was reinvesting in yourself? Are you a smart, hard-working person who always seems to struggle financially? Do you ever second-guess decisions to pursue higher education because of your student loans? Has extreme budgeting eliminated joy and comfort from life, yet you’re still several years away from being debt-free? Conventional wisdom tells us the formula for success is simple: go to school, get a job, work hard, repeat as needed until you retire. It tells us that debt is the result of poor choices and irresponsible spending. Unfortunately, such advice fails to take into account the recent (and not-so-recent) graduates for whom predatory student lending rates have set them back tens or even hundreds of thousands of dollars before they even enter the job market. In Buy the Avocado Toast, Stephanie Bousley shares lessons learned through years of working hard and perpetually undervaluing herself while coming to terms with owing almost \$300,000 in student debt. Through a holistic approach to both net worth and self-worth, Bousley offers readers hope for their own financial situations by providing step-by-step instructions on reducing debt, living better, and rooting out the self-defeating beliefs that keep us broke.

Return to the Bosque Ken Miller,2007-06 To protect her family, Sarah Whitman is forced to kill two intruders at her ranch who are fleeing from the law after a government robbery. Those murders haunt her as she searches for her missing husband in the raw frontier town of Fort Worth, Texas during the post-Civil War era. Accompanied by her teenage daughter, infant son, and their pet dog, Sarah is aided in her quest by a saloon madam, a Shakespeare quoting newspaper owner, a young deputy marshal, an alcoholic attorney, and, through it all, the memories of her deceased father. Hounding her every move is a private investigator, Jack Kilpatrick, who suspects Sarah has knowledge of the stolen funds. The search leads Sarah into a courtroom where lynch law threatens to explode, to a remote Indian village to rescue her son, and, finally, to a sanatorium where she finds the clue that leads to her husband and allows her to Return to the Bosque.

Thought, Reference, and Experience José Luis Bermúdez,2005-07-14 Thought, Reference, and Experience is a collection of important new essays on topics at the intersection of philosophy of language, philosophy of mind, and philosophical logic.

The starting-point for the papers is the brilliant work of the British philosopher Gareth Evans before his untimely death in 1980 at the age of 34. Evans's work on reference and singular thought transformed the Fregean approach to the philosophy of thought and language, showing how seemingly technical issues in philosophical semantics are inextricably linked to fundamental questions about the structure of our thinking about ourselves and about the world. The papers, all newly written for this volume, explore different aspects of Evans's philosophical legacy, showing its importance to central areas in contemporary analytic philosophy. The volume includes a substantial introduction that introduces the principal themes in Evans's thought and places the papers in context.

Theology From the Spring Jacob A. Taggart,2018-06-01 We live in a world of duality, where the clashing of co-existent beauty and chaos robs humanity of its innate purpose. Perhaps as a coping mechanism, we also live in a world dictated by technological advance that, despite its manifold conveniences, yields unintended consequences such as alienation, detached purpose, and synthetic happiness. What if the way to recover our sense of meaning and ultimate transcendent truth was found organically, in the most pure and ethereal settings of the natural world? *Theology from the Spring* leads readers through a reformation of nature that rediscovers the beauty of creation, ultimately pointing to the majesty and revelation of its creator. *Theology from the Spring* uses beautiful vistas gleaned from freshwater springs and fly fishing motifs that converge with rich theological applications. Fly fishing and freshwater springs are a tonic for the soul, each flowing forth with primal truths. *Theology from the Spring* takes its readers on a voyage that upon closer examination, awakens us to the living discourses of nature. Through vignettes of fresh water springs and fly fishing analogies, *Theology from the Spring* provides the reader with something we’ve lost: eyes for seeing latent, divine truths that make sense of the beauty and chaos we see within the created order.

I fell in love with you and I cried Rachel Hill,2022-04-02 *I fell in love with you and I cried* is a spiritual, personal and travel memoir of a year in India and Southeast Asia. In April 2017 my husband and I asked ourselves, what would we do if we could do anything? We decided to sell up, leave our jobs and go travelling, along the way unpicking the conditioning of property, career and security and exploring what a life with less stuff would look like. We gave away most of our possessions

and in March 2018 we went to India, where we spent seven months in all, then Thailand, Tokyo, Nepal, Cambodia and Vietnam. My book documents the trip through the eyes of a relatively inexperienced traveller. The sights, sounds and colours of India and Southeast Asia as well as the physical and emotional challenges of a year of travel. This was a pre Covid19 trip of a lifetime; making connections with local people and fellow travellers and putting beliefs about minimalism into practice by living out of a small backpack for a year of slow travel.
