**Born in Chaos** Lindsey F Morris, 2019-07-04 Born the product of a violent rape, Fitzgerald Morris' life started off on the wrong foot from the very beginning. As a young child, Fitzgerald witnessed unimaginable abuse that watered an ugly seed already planted deep within his soul. Haunted by literal and figurative demons that regularly spoke to him, Fitzgerald felt powerless to control the debilitating rage that lived inside. He eventually gave himself over to the darkness resulting in a turbulent coming of age that was seeped in gang violence, drug dealing, assault and even murder. Glimpses of hope along the way are found in the faces of his children and a mentor whose words of wisdom try to pierce through the shadows but the hold on Fitzgerald's life seems impossible to loosen. Eventually handed down a life sentence for his crimes, Fitzgerald is finally forced to face his demons but will he turn his life around or end up just another sad statistic destroyed by his circumstances?

But everything seems to turn around when Janet miraculously gets pregnant . . . The elated parents are suddenly getting everything they ever wanted. But why can't Charles remember certain periods of time? Could it be related to the horrifying visions that keep coming to him—of blood, cult members, and some . . . thing rising from the ocean? As their infant son grows ever larger and Janet slips into madness, Charles begins to fear that their boy is not the miracle they hoped for, but a curse on humanity . . .

*Devil's Pact* Samantha Cruise, 2008-03 DEVIL'S PACT [Erotic Western Romance/ Menage a Trois]: Epitome of pure evil, born without a heart, soul, or conscience...even his parents did not claim him. He is an outlaw who takes what he wants... The moment Devin Spawn stumbles upon the exquisite beauty bathing alone in a river, he wants her. Morality non-existent, yet he struggles to keep his distance. His sexual excesses and massive proportions would be too much for the tiny girl who appears more waifish and innocent than womanly. She is a widow with so much to give... The instant Megan Spawn feels his heated touch and potent sensuality, her flesh burns with wanton desires. It matters little he is the devilishly handsome outlaw known as the Devil's Spawn, the most feared, lethal gunslinger in the West-and her stepson. Together they risk everything in the devil's playground... Where sexuality is as untamed as the bloodthirsty savages roaming the western frontier, and childhood sweetheart Caleb Walker is guilty as sin, the dark side of lust and passionate surrender comes at a hefty price when you forge a Devil's Pact. \*\* 5 Angels, Fallen Angel Recommended Read: Devil's Pact is the kind of book for people like me who enjoy reading about an overly aggressive testosterone filled man in love. Devin is not a gentleman; he's crude, kind of mean but the same passion he uses when killing is exactly what he brings to the bedroom. Samantha Cruise's historical feast was more than just a well developed story with guns, danger, mayhem and delicious wickedness. Devil's Pact was a story that sucked me into the emotional upheaval of the characters. I was right there during the orgasmic interludes that left me sweating and anxious for more. I was with them as they attempted with their bodies to say what each found so hard to say with words. I can't say enough how much I actually loved this book, all 497 pages of it. A story that had me on the hook from the first encounter with Meg to the final culmination when finally a decision was made on if Devin and Megan could make it, if their passion was more than rabid frenzy lust but something life altering, something meant to be forever. Caleb, the third in the menage, was just icing on a cake already flowing with goodies, but he wasn't Devin: a man readers will go away loving or detesting. That is why I think Ms. Cruise did a great job no matter the impression you get, strong love or hate for some of her characters. She did something special by seducing you into the story to feel anything at all. --Fallen Angel Reviews \*\* Devin Spawn is an outlaw. Given away at birth by his father, Devin travels to his father's ranch to find out why. When he gets close, he comes across a tiny, beautiful woman bathing in the river. Since he has the devil inside of him, Devin does the one

thing that comes natural to him--he seduces and makes her his own. There is one thing Devin doesn't know. He has just had relations with his stepmother. Megan Spawn has had a tough life. Rescued from a life of drudgery by her now deceased husband, she wants to spend her life caring for her stepdaughters and possibly being able to have a relationship with the town doctor, her first love, Caleb Walker. That is, until she is touched by the outlaw known as Devil's Spawn. Caleb Walker has loved Megan ever since she was a little girl. When his family caught them in the barn when they were teenagers and sent him away, Caleb has despaired of ever being able to be with Megan. He loves her and is willing to give her time. However, with the arrival of Devin Spawn, time may be running out because it seems that no matter how much Caleb loves her, she might not be his for the taking. Samantha Cruise has written a menage unlike any I have read and I plan to read anything else she releases. She caught my attention with Devil's Pact and I think she will hold it for a long time. --Joyfully Reviewed.

**Savage Spawn** Jonathan Kellerman,1999-05-18 This thought-provoking and timely book from a #1 New York Times bestselling novelist and noted child psychologist reveals the factors that often lead to explosive and shocking juvenile violence. "Ethically and morally, kids are works in progress. Throw in psychopathy and you've got a soul that will never be complete." In this powerful, disturbing book, bestselling author and noted child psychologist Jonathan Kellerman shines a penetrating light on antisocial youth—kids who kill without remorse—asserting that "psychopathic tendencies begin very early in life, as young as three, and they endure." Criticizing our quick impulse to blame violent movies or a "morally bankrupt" society, Kellerman convinces us that it is the kids themselves who need to be examined. Carefully. How do

children become cold-blooded killers? Kellerman warns that today's aggressive bully is tomorrow's Mafia don, cult leader, or genocidal dictator. Violently psychopathic youths possess an overriding need for power, control, and stimulation, and all display a complete lack of regard for the humanity of others. He examines the origins of psychopathy and the ever-shifting debate between nurture and nature, offering some controversial solutions to dealing with homicidal tendencies in children. As timely as today's headlines, more gripping than fiction, *Savage Spawn* is a provocative look at the links between society and biology, children and violence. Kellerman's sobering message will remain with you long after the last page is turned.

[What Every Girl Should Know](#) J. Albert Mann, 2019-02-12 "Historical fiction at its best." —Kirby Larson, Newbery Honor winner "An important, readable novel." —Kirkus Reviews This compelling historical novel spans the early and very formative years of feminist and women's health activist Margaret Sanger, founder of Planned Parenthood, as she struggles to find her way amidst the harsh realities of poverty. Margaret was determined to get out. She didn't want to clean the dirty dishes and soiled diapers that piled up day in and day out in her large family's small home. She didn't want to disappoint her ailing mother, who cared tirelessly for an ever-growing number of children despite her incessant cough. And Margaret certainly didn't want to be labeled a girl of "promise," destined to become either a teacher or a mother—which seemed to be a woman's only options. As a feisty and opinionated young woman, Margaret Higgins Sanger witnessed and experienced incredible hardships, which led to her groundbreaking work as an advocate for women's rights and the founder of Planned Parenthood. This fiery novel of Margaret's early life paints the portrait of a young woman with the passion and courage to change the world.

*The Devil's Disciple* Shiro Hamao, J. Spinning a complex web of events and influences in this chilling murder

mystery, Hamao probes the notion of guilt—both psychological and legal.
