**Nick Hobbie**

**The Challenger Sale** Matthew Dixon, Brent Adamson, 2012-10-01 THE INTERNATIONAL BESTSELLER: OVER HALF A MILLION COPIES SOLD Matthew Dixon and Brent Adamson share the secret to sales success: don't just build relationships with customers. Challenge them! What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships - and you'd be wrong. Matthew Dixon, Brent Adamson, and their colleagues at CEB have studied the performance of thousands of sales reps worldwide. Their conclusion? The best salespeople don't just build relationships with customers. They challenge them. Any sales rep, once equipped with the tools in this book, can drive higher levels of customer loyalty and, ultimately, greater growth. And this book will help them get there. \_\_\_\_\_ 'If you wish to become a better sales person, buy and read this book and when you have finished buy The Challenger Customer and read that!' Amazon Reader Review 'I have been in enterprise software sales for 6 years and can relate to so many scenarios described in the book. I have already noticed significant results and improvements' Amazon Reader Review

**The Challenger Customer** Brent Adamson, Matthew Dixon, Pat Spenner, Nick Toman, 2015-09-08 Four years ago, the bestselling authors of The Challenger Sale overturned decades of conventional wisdom with a bold new approach to sales. Now their latest research reveals something even more surprising: Being a Challenger seller isn't enough. Your success or failure also depends on who you challenge. Picture your ideal customer: friendly, eager to meet, ready to coach you through the sale and champion your products and services across the organization. It turns out that's the last person you need. Most marketing and sales teams go after low-hanging fruit: buyers who are eager and have clearly articulated needs. That's simply human nature; it's much easier to build a relationship with someone who always makes time for you, engages with your content, and listens attentively. But according to brand-new CEB research—based on data from thousands of B2B marketers, sellers, and buyers around the world—the highest-performing teams focus their time on potential customers who are far more skeptical, far less interested in meeting, and ultimately agnostic as to who wins the deal. How could this be? The authors of The Challenger Customer reveal that high-performing B2B teams grasp something that their average-performing peers don't: Now that big, complex deals increasingly require consensus among a wide range of players across the

organization, the limiting factor is rarely the salesperson's inability to get an individual stakeholder to agree to a solution. More often it's that the stakeholders inside the company can't even agree with one another about what the problem is. It turns out only a very specific type of customer stakeholder has the credibility, persuasive skill, and will to effectively challenge his or her colleagues to pursue anything more ambitious than the status quo. These customers get deals to the finish line far more often than friendlier stakeholders who seem so receptive at first. In other words, Challenger sellers do best when they target Challenger customers. The Challenger Customer unveils research-based tools that will help you distinguish the Talkers from the Mobilizers in any organization. It also provides a blueprint for finding them, engaging them with disruptive insight, and equipping them to effectively challenge their own organization.

**The SPIN Selling Fieldbook: Practical Tools, Methods, Exercises and Resources** Neil Rackham,1996-06-22 Put into practice today's winning strategy for achieving success in high-end sales! The SPIN Selling Fieldbook is your guide to the method that has revolutionized big-ticket sales in the United States and globally. It's the method being used by one-half of all Fortune 500 companies to train their sales forces, and here's the interactive, hands-on field book that provides the practical tools you need to put this revolutionary method into actionimmediately. The SPIN Selling Fieldbook includes: Individual diagnostic exercises Illustrative case studies from leading companies Practical planning suggestions Provocative questionnaires Practice sessions to prepare you for dealing with challenging selling situations Written by the pioneering author of the original bestseller, SPIN Selling, this book is aimed at making implementation easy for companies that have not yet established SPIN techniques. It will also enable companies that are already using the method to reinforce SPIN methods in the field and in coaching sessions.

SPIN® -Selling Neil Rackham,2020-04-28 True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their

findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

**Let's Get Real or Let's Not Play** Mahan Khalsa, Randy Illig, 2008-10-30 The new way to transform a sales culture with clarity, authenticity, and emotional intelligence. Too often, the sales process is all about fear. Customers are afraid that they will be talked into making a mistake; salespeople dread being unable to close the deal and make their quotas. No one is happy. Mahan Khalsa and Randy Illig offer a better way. Salespeople, they argue, do best when they focus 100 percent on helping clients succeed. When customers are successful, both buyer and seller win. When they aren't, both lose. It's no longer sufficient to get clients to buy; a salesperson must also help the client reduce costs, increase revenues, and improve productivity, quality, and customer satisfaction. This book shares the unique FranklinCovey Sales Performance Group methodology that will help readers: · Start new business from scratch in a way both salespeople and clients can feel good about · Ask hard questions in a soft way · Close the deal by opening minds

**ALWAYS BE QUALIFYING** Darius Lahoutifard, 2023-10-21 In the past few years, companies large and small have called on me to get help with their non-performing sales team. The described symptoms are different from one company to another. Some need more revenue. Others complain about unreliable forecasts, with deals slipping constantly from one quarter to another before being lost or even abandoned a few quarters later. Some CEOs notice unproductive sales teams with an unusually high number of non-quota-carrying people needed in the sales force, hitting the bottom line hard. All these symptoms are related to the same illness: inability to qualify. Since most sales teams put in place organizations including SDR (Sales Development Representatives) or BDR (Business Development Representatives) who qualify leads for Account Managers, there is a wrong unstated assumption, widely spread, that once a lead is qualified, the inside sales or field sales will have to work on them until they are won or lost. Ongoing qualification is often the issue. Qualification is not a binary step of the sales process. Qualification is a mindset and a habit to apply throughout the sales process, from the first call to closing. This book covers both the Why and the How of sales qualification. I was an early sales leader at PTC where the MEDDIC methodology took shape. I am also the founder of MEDDIC Academy, the first platform to bring the qualification methodology online. This book describes the M.E.D.D.I.C. and the MEDDPICC® sales methodology in depth. This is not a book of theories, research, or academic concepts but pure execution techniques with practical recipes. At a high level, MEDDIC is a checklist that helps sales professionals reveal the gaps in an opportunity and execute correctly to fill those gaps and close the deal or drop it early. This book is an excellent complement to the training and workshops we deliver online and in-person globally.

Behind the Cloud Marc Benioff, Carlye Adler, 2009-10-19 How did salesforce.com grow from a start up in a rented apartment into the world's fastest growing software company in less than a decade? For the first time, Marc Benioff, the visionary founder, chairman and CEO of salesforce.com, tells how he and his team created and used new business, technology, and philanthropic models tailored to this time of extraordinary change. Showing how salesforce.com not only survived the dotcom implosion of 2001, but went on to define itself as the leader of the cloud computing revolution and spark a \$46-billion dollar industry, Benioff's story will help business leaders and entrepreneurs stand out, innovate better, and grow faster in any economic climate. In *Behind the Cloud*, Benioff shares the strategies that have inspired employees, turned customers into evangelists, leveraged an ecosystem of partners, and allowed innovation to flourish.

**The Three Value Conversations: How to Create, Elevate, and Capture Customer Value at Every Stage of the Long-Lead Sale** Erik Peterson, Tim Riesterer, Conrad Smith, Cheryl Geoffrion, 2015-06-05 The three conversations B2B sale pros must have with customers to control every step of long lead buying cycle The *Three Value Conversations* provides the tools and methods you need to differentiate you and your solution from the competition, elevate value to the right decision maker, and maximize all sales opportunities across the entire long lead buying cycle. Based on extensive research, the authors' program enables salespeople to articulate value in three essential conversations with the customer: the Differentiation Conversation (creating value), the Justification Conversation (elevating the value to the right level of decision maker), and the Maximization Conversation (capturing that value and maximizing the size of your opportunities).

**The JOLT Effect** Matthew Dixon, Ted McKenna, 2022-09-20 From the bestselling co-author of *The Challenger Sale*, a paradigm-shattering approach to overcoming customer indecision and closing more sales In sales, the worst thing you can hear from a customer isn't "no." It's "I need to think about it." When this happens, deeply entrenched business advice says to double down on your efforts to sell a buyer on all the ways they might win by choosing you and your business. But this approach backfires dramatically. Why? Because it completely gets wrong the primary driver behind purchasing decision-making: once purchase intent is established, customers no longer care about succeeding. What they really care about is not failing. For years, sales expert Matthew Dixon has been busting longstanding business myths. Now in *The JOLT Effect*, he and co-author Ted McKenna turn their trademark analysis and latest research to the vital and growing problem of customer indecision—and offer a shocking new approach that turns conventional wisdom on its head. Drawing on a brand-new, first-of-its-kind study of more than two and a half million sales conversations from across industry, they reveal the surprising truth that high-performing sales reps grasp and their average-performing peers don't: only by addressing the customer's fear of failure can you get indecisive buyers to go from verbally committing to actually pulling the trigger. Packed with robust data, counterintuitive insights, and practical guidance, *The JOLT Effect* is the playbook for any salesperson or sales leader who wants to close the gap between customer intent and action—and close more sales.

## **Cracking the Sales Management Code: The Secrets to Measuring and Managing Sales Performance** Jason

Jordan, Michelle Vazzana, 2011-10-14 Boost sales results by zeroing in on the metrics that matter most “Sales may be an art, but sales management is a science. Cracking the Sales Management Code reveals that science and gives practical steps to identify the metrics you must measure to manage toward success.” —Arthur Dorfman, National Vice President, SAP

“Cracking the Sales Management Code is a must-read for anyone who wants to bring his or her sales management team into the 21st century.” —Mike Nathe, Senior Vice President, Essilor Laboratories of America “The authors correctly assert that the proliferation of management reporting has created a false sense of control for sales executives. Real control is derived from clear direction to the field—and this book tells how to do that in an easy-to-understand, actionable manner.” —Michael R. Jenkins, Signature Client Vice President, AT&T Global Enterprise Solutions “There are things that can be managed in a sales force, and there are things that cannot. Too often sales management doesn’t see the difference. This book is invaluable because it reveals the manageable activities that actually drive sales results.” —John Davis, Vice President, St. Jude Medical “Cracking the Sales Management Code is one of the most important resources available on effective sales management. . . . It should be required reading for every sales leader.” —Bob Kelly, Chairman, The Sales Management Association “A must-read for managers who want to have a greater impact on sales force performance.” —James Lattin, Robert A. Magowan Professor of Marketing, Graduate School of Business, Stanford University “This book offers a solution to close the gap between sales processes and business results. It shows a new way to think critically about the strategies and tactics necessary to move a sales team from good to great!” —Anita Abjornson, Sales Management Effectiveness, Abbott Laboratories About the Book: There are literally thousands of books on selling, coaching, and leadership, but what about the particulars of managing a sales force? Where are the frameworks, metrics, and best practices to help you succeed? Based on extensive research into how world-class companies measure and manage their sales forces, Cracking the Sales Management Code is the first operating manual for sales management. In it you will discover: The five critical processes that drive sales performance How to choose the right processes for your own team The three levels of sales metrics you must collect Which metrics you can “manage” and which ones you can’t How to prioritize conflicting sales objectives How to align seller activities with business results How to use CRM to improve the impact of coaching As Neil Rackham writes in the foreword: “There’s an acute shortage of good books on the specifics of sales management. Cracking the Sales Management Code is about the practical specifics of sales management in the new era, and it fills a void.” Cracking the Sales Management Code fills that void by providing foundational knowledge about how the sales force works. It reveals the gears and levers that actually control sales results. It adds clarity to things that you intuitively know and provides insight into things that you don’t. It will change the way you manage your sellers from day to day, as well as the results you get from year to year.

Selling Above and Below the Line William Miller, 2015-02-11 Most salespeople work hard to become proficient in

reaching the frontline managers in their markets. However, a salesperson who wishes to achieve long-lasting success with a client will learn how to also appeal to top-level executives from an “above the line” perspective. Master sales trainer Skip Miller shows how to simultaneously sell to both the frontline manager as well as the executive who is more concerned with profit/loss indicators such as ROI, time saved, risk lowered, and productivity improved – a strategy used by Google, Apple, Cisco WebEx, and other powerhouses. In *Selling Above and Below the Line*, you will learn how to: Create energy by including executives early in the sales process. Ask the right questions and pinpoint big-picture financial needs. Keep “below the line” managers from feeling bypassed. Uncover value propositions that target each set of decision-makers. Sales that seem locked in will stall or go dark. Customers who have been loyal to you suddenly back out of the relationship due to decisions made above the manager’s head. This often could have been avoided had the salesperson been intentional to sell both the technical and financial fit. In *Selling Above and Below the Line*, learn to effectively communicate both, leading to more successful and lucrative deals than ever before.

**Think Like Your Customer: A Winning Strategy to Maximize Sales by Understanding and Influencing How and Why Your Customers Buy** Bill Stinnett, 2004-11-21 How to capture customers by learning to think the way they do The most common complaint Bill Stinnett hears from his corporate clients is that would-be vendors and suppliers just don't understand our business. In *Think Like Your Customer*, Stinnett explains why the key to landing corporate customers is to learn to think about the things executives and business owners think about and understand how they make complex buying decisions. Drawing upon his years of experience as a Fortune 500 consultant, he offers sales and marketing professionals a powerful framework for understanding the inner workings of a business; knowing what motivates its executives and influences their buying decisions; identifying a company's organizational structure and decision-making psychology; and using that information to develop a winning strategy for influencing how and why the customer buys. In addition, you receive: Solid marketing insights delivered in a fun, breezy style by a top corporate consultant and seminar leader Expert tips on how to maximize the value and profitability of relationships with corporate clients and customers

**Mastering the Complex Sale** Jeff Thull, 2010-03-10 Praise for Mastering the Complex Sale Jeff Thull's process plays a key role in helping companies and their customers cross the chasm with disruptive innovations and succeed with game-changing initiatives. —Geoffrey A. Moore, author of *Crossing the Chasm* and *Dealing with Darwin* This is the first book that lays out a solid method for selling cross-company, cross-border, even cross-culturally where you have multiple decision makers with multiple agendas. This is far more than a 'selling process'—it is a survival guide—a truly outstanding approach to bringing all the pieces of the puzzle together. —Ed Daniels, EVP, Shell Global Solutions Downstream, President, CRI/Criterion, Inc. Mastering the Complex Sale brilliantly sets up value from the customer's perspective. A must-read for all those who are managing multinational business teams in a complex and highly competitive environment. —Samik Mukherjee,

Vice President, Onshore Business, Technip Customers need to know the value they will receive and how they will receive it. Thull's insights into the complex sale and how to clarify and quantify this value are remarkable—Mastering the Complex Sale will be required reading for years to come! —Lee Tschanz, Vice President, North American Sales, Rockwell Automation Jeff Thull is winning the war against commoditization. In his world, value trumps price and commoditization isn't a given, it's a choice. This is a proven alternative to the price-driven sale. We've spoken to his clients. This stuff really works, folks. —Dave Stein, CEO and Founder, ES Research Group, Inc. Our business depends on delivering breakthrough thinking to our executive clients. Jeff Thull has significantly redefined sales and marketing strategies that clearly connect to our global audience. Read it, act on it, and take your results to exceptional levels. —Sven Kroneberg, President, Seminarium Internacional Jeff's main thesis—that professional customer guidance is the key to success—rings true in every global market today. Mastering the Complex Sale is the essential read for any organization looking to transform their business for long-term, value-driven growth. —Jon T. Lindekugel, President, 3M Health Information Systems, Inc. Jeff Thull has re-engineered the conventional sales process to create predictable and profitable growth in today's competitive marketplace. It's no longer about selling; it's about guiding quality decisions and creating collaborative value. This is one of those rare books that will make a difference. —Carol Pudnos, Executive director, Healthcare Industry, Dow Corning Corporation

**Living Shores**, 2018-02-19 Living Shores is a pivotal work on southern Africa's shores and oceans, published originally in 1981. It reprinted 9 times but finally went out of print because it became dated. This comprehensively revised edition will now be published across two volumes. Volume 1 deals with coastal habitats - sea; rocky shores; sandy beaches; kelp beds; estuaries; open sea - and with marine management. Volume 2 will deal with the numerous animal and plants groups that inhabit these different ecosystems. Highly regarded and widely used in the academic and scientific worlds, this book, with its lively, fascinating text and multiple colour images will also appeal to lay enthusiasts.
