Untamed: Reese's Book Club Glennon Doyle, 2020-03-10 #1 NEW YORK TIMES BESTSELLER • OVER THREE MILLION COPIES SOLD! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* A BEST BOOK OF THE YEAR: Oprah Daily, The Washington Post, Cosmopolitan, Marie Claire, Bloomberg, Parade This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: *There She Is*. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

Get Untamed Glennon Doyle, 2021-11-16 This stunning hardcover journal is a bold, interactive guide to discovering and creating the truest, most beautiful lives, families, and world we can imagine, based on the #1 New York Times bestseller *Untamed*. “We must stop asking people for directions to places they’ve never been. Every life is an unprecedented experiment. We are all pioneers. I created *Get Untamed: The Journal* as an interactive experience in charting our own way—so we can let burn that which is not true and beautiful enough and get started building what is.” —Glennon Doyle With *Untamed*, Glennon Doyle—writer, activist, and “patron saint of female empowerment” (People)—ignited a movement. *Untamed* has been described as “a wake-up call” (Tracee Ellis Ross), “an anthem for women today” (Kristen Bell), and a book that “will shake your brain and make your soul scream” (Adele). Glennon now offers a new way of journaling, one that reveals how we can stop striving to meet others’ expectations—because when we finally learn that satisfying the world is impossible, we quit pleasing and start living. Whether or not you have read *Untamed*, this journal leads you to rediscover, and begin to trust, your own inner-voice. Full of thought-provoking exercises, beloved quotations from *Untamed*, compelling illustrations, playful and meditative coloring pages, and an original introduction, in *Get Untamed: The Journal*, Glennon guides us through the process of examining the aspects of our lives that can make us feel caged. This revolutionary method for uprooting culturally-constructed ideas shows us how to discover for ourselves what we want to keep and what we’ll let burn so that we can build lives by design instead of default. A one-of-a-kind journal experience, *Get Untamed* proves Glennon’s philosophy that “imagination is not where we go to escape reality, but where we go to remember it.”

Love Warrior Glennon Doyle, Glennon Doyle Melton, 2016-09-06 #1 New York Times Bestseller | Oprah's Book Club Selection Riveting...a worthy investment...this book has real wisdom.—New York Times Book Review Provocative....I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too.—Oprah Winfrey The highly anticipated memoir by bestselling author Glennon Doyle, *Love Warrior* tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they’ve been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. *Love Warrior* is a gorgeous and inspiring account of how we are

born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

Make Reinvention Your Superpower Glenn Llopis,2025-04-09 What got you to where you are today won't prepare you for the changes of tomorrow. Almost without exception, no matter what job you have, what role you serve, what expertise you've developed, what standing you've built within your sphere of influence-there's something in the works that could make it all seem obsolete in a flash. At least, that's how it feels. But just because a particular expertise, job, or skill might not be in demand in a few years doesn't have to mean you, as a person, are not in demand. There are many threats, but it's not the threats themselves that make us vulnerable-it's our inability to respond, be nimble, demonstrate resilience, and reinvent. Most people are not prepared to direct their own reinvention. They've been navigating their careers based on the particular rules of each specific job, rather than on what matters to them. They've stepped into the sand and adapted their ways to the corporate ways. They've forgotten how to have new ideas after being trained that success depends on how well they execute old ideas. They're stuck in career quicksand. This book is for those of you who feel stuck and don't know how to get out of the quicksand, who are worried about an uncertain future, or are young and eager and want to avoid this quicksand from the start. Reinvention is a continuous cycle of discovery plus action: Learn. Unlearn. Relearn. Repeat. In this book, Glenn Llopis shares six skills to navigate your self-directed journey of reinvention. He combines research-based insights with practical tools to help you apply this wisdom to your work and to your life immediately, in your own way. With Glenn's help, you will deconstruct what you've become-how you've adapted yourself in order to achieve in the world as it was. You will learn how to reconstruct who you are-in order to be ready to thrive in a future that's still unclear. You will make reinvention your superpower.

Parenting Forward Cindy Wang Brandt,2019-02-26 A progressive Christian parenting book with a social-justice orientation How do we build a better world? One key way, says Cindy Wang Brandt, is by learning to raise our children with justice, mercy, and kindness. In Parenting Forward Brandt equips Christian parents to model a way of following Jesus that has an outward focus, putting priority on loving others, avoiding judgment, and helping those in need. She shows how

parents must work on dismantling their own racial, cultural, gender, economic, and religious biases in order to avoid passing them on to their children. “By becoming aware of the complex ways we participate in systems of inequality or hierarchy,” she says, “we begin to resist systemic injustice ourselves, empower our children, and change our communities.”

Nothing Changes Until You Do Mike Robbins, 2014 Bestselling author Mike Robbins had a life that many little boys dream of. Drafted by the New York Yankees directly out of high school, Mike decided instead to postpone his professional baseball career until he finished college. After a successful stint at Stanford, he began life in the minor leagues as a pitcher with the Kansas City Royals organization, where he played for three years until an injury benched him for good. This devastating disappointment changed his life in wonderful ways that he could have never imagined. He now teaches and speaks around the world about teamwork, emotional intelligence and the value of appreciation and authenticity. In *Nothing Changes Until You Do*, Mike's third book, he looks at one of the most important and challenging aspects of life - our relationship with ourselves. Even the most successful person struggles with this delicate relationship, which has created an epidemic of self-criticism, self-doubt and thinking that our value is directly connected to the external world - our jobs, our finances, our appearance, our accomplishments, and so on. Through 40 short essays, Mike shows readers that none of this is true, and brings to light a new way to look at life. With themes spanning from the importance of trusting yourself to the benefits of vulnerability to the strength inherent in embracing powerlessness and change, Mike will help readers get out of their own way, so they can live a good life. He shows that with a little self-compassion and a healthy dose of self-acceptance, anyone can turn away from the negatives that manifest because of a critical self-perception- things like unkindness, addictions, sabotaged relationships, unnecessary drama and more.

Petersville needs to become a tourist destination, and his shop could be a big part of it, if Tris can keep up with demand. There's only one solution: The Belshaw Donut Robot. If Tris can win *Can You Cut It*, the cutthroat competitive kids' cooking show, he can get the cash to buy the machine. But even with the whole town training and supporting him, Tris isn't sure he can live with what it takes to win.

Broken Horses Brandi Carlile, 2021-04-06 #1 NEW YORK TIMES BESTSELLER • The critically acclaimed singer-songwriter, producer, and six-time Grammy winner opens up about faith, sexuality, parenthood, and a life shaped by music in “one of the great memoirs of our time” (Glennon Doyle, author of *Untamed*). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE • “The best-written, most engaging rock autobiography since her childhood hero, Elton John, published *Me*.”—Variety Brandi Carlile was born into a musically gifted, impoverished family on the outskirts of Seattle and grew up in a constant state of change, moving from house to house, trailer to trailer, fourteen times in as many years. Though imperfect in every way, her dysfunctional childhood was as beautiful as it was strange, and as nurturing as it was difficult. At the age of five, Brandi contracted bacterial meningitis, which almost took her life, leaving an indelible mark on her formative years and altering her journey into young adulthood. As an openly gay teenager, Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony. Shockingly, her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it: through twisted, joyful, weird, and wonderful music. In *Broken Horses*, Brandi Carlile takes readers through the events of her life that shaped her very raw art—from her start at a local singing competition where she performed Elton John’s “Honky Cat” in a bedazzled white polyester suit, to her first break opening for Dave Matthews Band, to many sleepless tours over fifteen years and six studio albums, all while raising two children with her wife, Catherine Shepherd. This hard-won success led her to collaborations with personal heroes like Elton John, Dolly Parton, Mavis Staples, Pearl Jam, Tanya Tucker, and Joni Mitchell, as well as her peers in the supergroup The Highwomen, and ultimately to the Grammy stage, where she converted millions of viewers into instant fans. Evocative and piercingly honest, *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church’s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind, a brilliant artist, and a genuine empath on a mission to give back.
