No Ordinary Joe Michelle Celmer, 2012-06-01 Nothing could stop small-town gal Reily Eckardt from heading to Nashville and living the dream...until her car and cash savings were stolen en route. Now she was high and dry in Paradise, Colorado, population 1,632, relying on the kindness of strangers—in particular, bar and grill owner Joe Miller. But why did the single dad have to be so gruff—and cute—while he was being kind? Her mission: save up and split before getting sidetracked by this sexy enigma. Sure, Joe could offer Reily a job at his bar. Renting her his garage apartment—no problem. But giving her a place in his heart—no way! Poor Joe—it wasn't long before the country crooner had him singing a different tune.

Bending Reality: The Book Bernice Kelman, 2011-08-19 If you could converse with a wise spirit entity and ask any question you wished, what would you ask? *Bending Reality: The Book* traces a path that explores methods for dealing with life's everyday stresses and challenges and ways for expanding perception. By conversing with Sir Garrod, a spirit entity channeled through author Bernice Kelman, we can discover that we are much more than we thought we were and that reality is far greater than we have ever imagined. Everything that can be learned from him can be applied in very practical ways by learning how to find and use the energy of unconditional love to lead a more meaningful life. The spirit entity can provide guidance on a wide variety of questions, ranging from "How can I deal with my spouse, my boss, my mother-in-law?" to "Who was I in another life?" or "What happens when we die?" Sir Garrod explores the responses to these and other questions. He

cautions, "Believe nothing, including what I tell you." *Bending Reality: The Book* provides the opportunity to test the spirit entity's ideas and suggestions and to see how they work for you.

The Cloud Is Drifting Slowly Across the Sky Paul Norman,2014-10-20 Yes, the cloud is drifting slowly across the sky. My life is like that cloud, slowly drifting away. There's nothing I can do about it; as the Bible says, man is appointed once to die. Someday, I will cast no shadow, and the cloud will have slowly gone beyond the horizon. Yes, the cloud is slowly disappearing. The Bible tells us that our days are like a cloud that crosses the sky and slowly disappears. Today, I am going back to the place of my youth where the cloud first appeared. A certain amount of nervous anticipation began to funnel through my brain as the turnoff to my past approached. A beautiful multicolored leaf with its beautiful hues of green, gold, and red blew across my windshield. I do not need any more reminders that Father Time is slowly ticking away.

Break Your Cane Bob West, 2018-03-21 How do you cope with adversity? Is there a better way than resignedly accepting it? Is there a way to cure the seemingly incurable? Is there a way to transform the truly incurable into an advantage? Yes, there is a way! There is a way for you to overcome the adversity in your life—then break your cane! In *Break Your Cane: Transforming Life's Worst Challenges to Overcome Adversity*, author Bob West details how difficult circumstances early in life were his best education. To survive early adversity, and even thrive because of it, he developed a philosophy of choosing a harder path for personal excellence and greater service. This harder path included using the taunts and ridicule from others to his advantage, turning disadvantages into advantages, and persisting when all seemed hopeless. Early difficulties prepared him for one of the biggest battles of his life—a 30-year struggle with several different chronic illnesses. Instead of giving up, West chose instead a harder path of researching medications, numerous types of diets, and many other remedies, until he found a cure for his incurable rheumatoid arthritis and other illnesses from which he suffered. He chose a harder path, found a cure, and now he shares his story with you. Inside, you'll find not only his story, but examples from others who've chosen to take the harder path to becoming a better person and to serve others. Instead of simply giving up, they've persevered, becoming top athletes, affliction survivors, and leaders in history. They've been cured, made fascinating discoveries in science, and helped to create a better world around them. Let West and these examples of outstanding individuals inspire you to overcome your next challenge, whether it be medical, personal, educational, or goal-oriented. Choose the harder path to overcome adversity. Choose to overcome it for your own personal excellence and greater service.

Gig John Bowe, Marisa Bowe, Sabin Streeter, 2009-02-04 “An engaging, humorous, revealing, and refreshingly human look at the bizarre, life-threatening, and delightfully humdrum exploits of everyone from sports heroes to sex workers.” -- Douglas Rushkoff, author of *Coercion*, *Ecstasy Club*, and *Media Virus* This wide-ranging survey of the American economy at the turn of the millennium is stunning, surprising, and always entertaining. It gives us an unflinching view of the fabric of this country from the point of view of the people who keep it all moving. The more than 120 roughly textured monologues that make up *Gig* beautifully capture the voices of our fast-paced and diverse economy. The selections demonstrate how much our world has changed--and stayed the same--in the three decades prior to the turn of the millennium. If you think things have speeded up, become more complicated and more technological, you're right. But people's attitudes about their jobs, their hopes and goals and disappointments, endure. *Gig's* soul isn't sociological--it's emotional. The wholehearted diligence that people bring to their work is deeply, inexplicably moving. People speak in these pages of the constant and complex stresses nearly all of them confront on the job, but, nearly universally, they throw themselves without reservation into coping with them. Instead of resisting work, we seem to adapt to it. Some of us love our jobs, some of us don't, but almost all of us are not quite sure what we would do without one. With all the hallmarks of another classic on this subject, *Gig* is a fabulous read, filled with indelible voices from coast to coast. After hearing them, you'll never again feel quite the same about how we work.

Ethan and Annie's Spiritual Journey T.F.T. Heart,2021-04-27 Selecting a church is one of the most important decisions you'll make in your life. Your spiritual life and your attitude will be greatly affected by your choice. In *Ethan and Annie's Spiritual Journey*, author and minister T.F.T. Heart discusses the issues church members and ministers face as they strive to serve God. He shares a fictional story about Ethan and Annie Hudson, a just-married couple who are in search of a church home and a spiritual life. Heart tells how as simple as that sounds, it is not the word to describe their journey. Through the Hudson's story, Heart focuses on the churchgoers and the issues they may encounter in their Christian walk, while highlighting the minister and his effect on the congregation. *Ethan and Annie's Spiritual Journey* serves as an illuminating force to encourage and restore those who may have walked away from Christ, and it seeks to strengthen those who are striving to stay on the right path. Many view death as life's greatest tragedy, but Heart maintains that a life without Christ and a purpose is the ultimate tragedy.

Life Lessons for Graduates Frances Arthur,2023-04-26 Before you were born, God planned this exact moment. It is no coincidence you are reading this book, contemplating life after high school. God yearns for you to discover the life He designed for you to live-your purpose and mission. People are frequently puzzled by their pursuit of the purpose of life. We are commonly unaware of the starting point and the right questions to ask. Our purpose in life is more significant than ourselves. It is greater than our happiness and our wildest goals and ambitions. The Bible says, The Lord directs the steps of the godly. He delights in every detail of their lives. God does not abandon us in the darkness. If we wish to know our purpose in life, we must acknowledge God as our source and starting point. We must answer the following questions: Who are you now? Whose are you? What does it mean to belong to God? What do you believe; and why? In *Life Lessons for Graduates*, author/educator Frances Arthur dives deep into these questions and their significance.
