**Pioneer Girl** ,2009-09-01 Describes the early childhood and life of Grace Snyder, whose family owned a Nebraska homestead in the late nineteenth century and endured the hardships and dangers of the prairie.

**Orphan Trains** Stephen O'Connor,2014-11-04 The true story behind Christina Baker Kline's bestselling novel is revealed in this "engaging and thoughtful history" of the Children's Aid Society (Los Angeles Times). A powerful blend of history, biography, and adventure, *Orphan Trains* fills a grievous gap in the American story. Tracing the evolution of the Children's Aid Society, this dramatic narrative tells the fascinating tale of one of the most famous—and sometimes infamous—child welfare programs: the orphan trains, which spirited away some two hundred fifty thousand abandoned children into the homes of rural families in the Midwest. In mid-nineteenth-century New York, vagrant children, whether orphans or runaways, filled the streets. The city's solution for years had been to sweep these children into prisons or almshouses. But a young minister named Charles Loring Brace took a different tack. With the creation of the Children's Aid Society in 1853, he provided homeless youngsters with shelter, education, and, for many, a new family out west. The family matching process was haphazard, to say the least: at town meetings, farming families took their pick of the orphan train riders. Some children, such as James Brady, who became governor of Alaska, found loving homes, while others, such as Charley Miller, who shot

two boys on a train in Wyoming, saw no end to their misery. Complete with extraordinary photographs and deeply moving stories, *Orphan Trains* gives invaluable insights into a creative genius whose pioneering, if controversial, efforts inform child rescue work today.

**Orphan Trains** Marylin Irvin Holt, 1994-02-01 From 1850 to 1930 America witnessed a unique emigration and resettlement of at least 200,000 children and several thousand adults, primarily from the East Coast to the West. This 'placing out,' an attempt to find homes for the urban poor, was best known by the 'orphan trains' that carried the children. Holt carefully analyzes the system, initially instituted by the New York Children's Aid Society in 1853, tracking its imitators as well as the reasons for its creation and demise. She captures the children's perspective with the judicious use of oral histories, institutional records, and newspaper accounts. This well-written volume sheds new light on the multifaceted experience of children's immigration, changing concepts of welfare, and Western expansion. It is good, scholarly social history.—Library Journal

Under Siege! Andrea Warren, 2009-04-27 Meet Lucy McRae and two other young people, Willie Lord and Frederick Grant, all survivors of the Civil War's Battle for Vicksburg. In 1863, Union troops intend to silence the cannons guarding the Mississippi River at Vicksburg – even if they have to take the city by siege. To hasten surrender, they are shelling Vicksburg night and day. Terrified townspeople, including Lucy and Willie, take shelter in caves – enduring heat, snakes, and near suffocation. On the Union side, twelve-year-old Frederick Grant has come to visit his father, General Ulysses S. Grant, only to find himself in the midst of battle, experiencing firsthand the horrors of war. Living in a cave under the ground for six weeks . . . I do not think a child could have passed through what I did and have forgotten it. – Lucy McRae, age 10, 1863 Period photographs, engravings, and maps extend this dramatic story as award-winning author Andrea Warren re-creates one of the most important Civil War battles through the eyes of ordinary townspeople, officers and enlisted men from both sides, and, above all, three brave children who were there.

**Escape from Saigon** Andrea Warren, 2008-09-02 An unforgettable true story of an orphan caught in the midst of war Over a million South Vietnamese children were orphaned by the Vietnam War. This affecting true account tells the story of Long, who, like more than 40,000 other orphans, is Amerasian -- a mixed-race child -- with little future in Vietnam. Escape from Saigon allows readers to experience Long's struggle to survive in war-torn Vietnam, his dramatic escape to America as part of Operation Babylift during the last chaotic days before the fall of Saigon, and his life in the United States as Matt, part of a loving Ohio family. Finally, as a young doctor, he journeys back to Vietnam, ready to reconcile his Vietnamese past with his American present. As the thirtieth anniversary of the end of the Vietnam War approaches, this compelling account provides a fascinating introduction to the war and the plight of children caught in the middle of it.

Enemy Child Andrea Warren, 2021-12-28 It's 1941 and ten-year-old Norman Mineta is a carefree fourth grader in San

Jose, California, who loves baseball, hot dogs, and Cub Scouts. But when Japanese forces attack Pearl Harbor, Norm's world is turned upside down. Corecipient of The Flora Stieglitz Straus Award A Horn Book Best Book of the Year One by one, things that he and his Japanese American family took for granted are taken away. In a matter of months they, along with everyone else of Japanese ancestry living on the West Coast, are forced by the government to move to internment camps, leaving everything they have known behind. At the Heart Mountain internment camp in Wyoming, Norm and his family live in one room in a tar paper barracks with no running water. There are lines for the communal bathroom, lines for the mess hall, and they live behind barbed wire and under the scrutiny of armed guards in watchtowers. Meticulously researched and informed by extensive interviews with Mineta himself, *Enemy Child* sheds light on a little-known subject of American history. Andrea Warren covers the history of early Asian immigration to the United States and provides historical context on the U.S. government's decision to imprison Japanese Americans alongside a deeply personal account of the sobering effects of that policy. Warren takes readers from sunny California to an isolated wartime prison camp and finally to the halls of Congress to tell the true story of a boy who rose from enemy child to a distinguished American statesman. Mineta was the first Asian mayor of a major city (San Jose) and was elected ten times to serve in the U.S. House of Representatives, where he worked tirelessly to pass legislation, including the Civil Liberties Act of 1988. He also served as Secretary of Commerce and Secretary of Transportation. He has had requests by other authors to write his biography, but this is the first time he has said yes because he wanted young readers to know the story of America's internment camps. *Enemy Child* includes more than ninety photos, many provided by Norm himself, chronicling his family history and his life. Extensive backmatter includes an Afterword, bibliography, research notes, and multimedia recommendations for further information on this important topic. A California Reading Association Eureka! *The Boy who Became Buffalo Bill* Andrea Warren, 2015 Explores how the man who became the most famous entertainer of his time and a legend of the -Wild West- grew up amid a violent regional conflict that would soon tear apart the nation.

*No Surrender* Hiroo Onoda, 1999 In the Spring of 1974, Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty-year ordeal. Hunted in turn by American troops, the Philippine police, hostile islanders, and successive Japanese search parties, Onoda had skillfully outmaneuvered all his pursuers, convinced that World War II was still being fought and that one day his fellow soldiers would return victorious. This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit, resourcefulness, and ingenuity. A hero to his people, Onoda wrote down his experiences soon after his return to civilization. This book was translated into English the following year and has enjoyed an approving audience ever since. Book jacket.

**Orphan Train to Kansas** Donna Nordmark Aviles,2018 Holding tight to one another, vowing never to be separated, Oliver and Edward board the Orphan Train, headed west to start a new life. Will their promise prove impossible to keep, or will they find a home together? From 1854-1929, America's Orphan Train Movement relocated over 250,000 homeless and neglected children from East Coast cities, to farming communities in the West. Known at the time as placing out, it was believed that the children would have a better future in the morally upright home of a Christian farmer. With a success rate of over 80%, this ambitious experiment is now recognized as the beginning of Foster Care in America. Orphan Train To Kansas is the true story of Oliver and Edward Nordmark. Together, the boys traveled from the Children's Village Orphanage in Dobbs Ferry, arriving in Bern, Kansas in search of a home. Their story is one of perseverance, resilience and brotherly love that will leave you with a deeper understanding of this nearly forgotten piece of American history. It's very American - their journey to find their places in the world. I'm attracted to true stories and this one has a lot of heart - a wellspring of drama, humor and adventure. She's a young writer, new to the craft, and she's able to accomplish that. It's very difficult. --William Rotko, Screenwriter - Breach (Universal Pictures)

**Orphan Train** Christina Baker Kline,2020-06-30 The #1 New York Times Bestseller A lovely novel about the search for family that also happens to illuminate a fascinating and forgotten chapter of America's history. Beautiful.--Ann Packer Moving between contemporary Maine and Depression-era Minnesota, Orphan Train is a powerful novel of upheaval and resilience, of second chances, and unexpected friendship. Between 1854 and 1929, so-called orphan trains ran regularly from the cities of the East Coast to the farmlands of the Midwest, carrying thousands of abandoned children whose fates would be determined by pure luck. Would they be adopted by a kind and loving family, or would they face a childhood and adolescence of hard labor and servitude? As a young Irish immigrant, Vivian Daly was one such child, sent by rail from New York City to an uncertain future a world away. Returning east later in life, Vivian leads a quiet, peaceful existence on the coast of Maine, the memories of her upbringing rendered a hazy blur. But in her attic, hidden in trunks, are vestiges of a turbulent past. Seventeen-year-old Molly Ayer knows that a community service position helping an elderly woman clean out her home is the

only thing keeping her out of juvenile hall. But as Molly helps Vivian sort through her keepsakes and possessions, she discovers that she and Vivian aren't as different as they appear. A Penobscot Indian who has spent her youth in and out of foster homes, Molly is also an outsider being raised by strangers, and she, too, has unanswered questions about the past.

**Lincoln Tells a Joke** Kathleen Krull,Paul Brewer,2010-04-01 Poor Abraham Lincoln! His life was hardly fun at all. A country torn in two by war, citizens who didn't like him as president, a homely appearance—what could there possibly be to laugh about? And yet he did laugh. Lincoln wasn't just one of our greatest presidents. He was a comic storyteller and a person who could lighten a grim situation with a clever quip. This unusual biography of Lincoln highlights his life and presidency, focusing on what made his sense of humor so distinctive—and so necessary to surviving his tough life and times.

We Rode the Orphan Trains Andrea Warren,2001 Listen to child orphans as they share their memories of transition and adventure, disappointment and loneliness, but ultimately of the joy of belonging to their own new families. They were throwaway kids, living in the streets or in orphanages and foster homes. Then Charles Loring Brace, a young minister working with the poor in New York City, started the Children's Aid Society and devised a plan to give homeless children a chance to find families to call their own. Thus began an extraordinary migration of American children. Between 1854 and 1929, an estimated 200,000 children, mostly from New York and other cities of the eastern United States, ventured forth to other states on a journey of hope. Andrea Warren has shared the stories of some of these orphan train riders here, including those of Betty, who found a fairy tale life in a grand hotel; Nettie Evans and her twin, Nellie, who were rescued from their first abusive placement and taken in by a new, kindhearted family who gave them the love they had hoped for; brothers Howard and Fred, who remained close even though they were adopted into different families; and Edith, who longed to know the secrets of her past. This is powerful nonfiction for classroom and personal reading and for discussion. (School Library Journal starred review)
