In the Great Green Room Amy Gary,2024-05-01 This “page-turning biography” reveals the extraordinary life of the children’s book author behind Goodnight Moon and The Runaway Bunny (BookPage). Millions of people around the world know Margaret Wise Brown through her classic works of children’s literature. But few know that she was equally remarkable for her business savvy, her thirst for adventure, and her vital role in a children’s book publishing revolution. Margaret used her whimsy and imagination to create stories that allowed girls to see themselves as equal to boys. And she spent days researching subjects, picking daisies, and observing nature, all in an effort to precisely capture a child’s sense of wonder as they discovered the world. Living extravagantly off her royalties, Margaret embraced life with passion and engaged in tempestuous love affairs with both men and women. Among her great loves was the gender-bending poet and ex-wife of John Barrymore who went by the pen name Michael Strange. She later became engaged to a younger man who was the son of a Rockefeller and a Carnegie. When she died unexpectedly at the age of forty-two, Margaret left behind a cache of unpublished work and a timeless collection of books. Drawing on newly-discovered personal letters and diaries, author Amy Gary reveals an intimate portrait of this creative genius whose unrivaled talent breathed new life in to the literary world.

The Night the Lights Went Out Karen White,2017-04-11 From the New York Times bestselling author of the Tradd Street

series comes a stunning novel about a young single mother who discovers that the nature of friendship is never what it seems.... Recently divorced, Merilee Talbot Dunlap moves with her two children to the Atlanta suburb of Sweet Apple, Georgia. It's not her first time starting over, but her efforts at a new beginning aren't helped by an anonymous local blog that dishes about the scandalous events that caused her marriage to fail. Merilee finds some measure of peace in the cottage she is renting from town matriarch Sugar Prescott. Though stubborn and irascible, Sugar sees something of herself in Merilee—something that allows her to open up about her own colorful past. Sugar's stories give Merilee a different perspective on the town and its wealthy school moms in their tennis whites and shiny SUVs, and even on her new friendship with Heather Blackford. Merilee is charmed by the glamorous young mother's seemingly perfect life and finds herself drawn into Heather's world. In a town like Sweet Apple, where sins and secrets are as likely to be found behind the walls of gated mansions as in the dark woods surrounding Merilee's house, appearance is everything. But just how dangerous that deception can be will shock all three women....

Breaking Night Liz Murray,2010-09-07 In the vein of *The Glass Castle*, *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.

On the Night You Were Born Nancy Tillman,2005 Nature celebrates the individuality of each child being born.

A Woman of Gold Robert W. Killick PhD,2024-06-20 Even after sixty-four years of marriage my friends tell me I am brave to write my wife's biography. However I have always worked on the principle that "fortune favours the brave" but anyway, what can go wrong? I mean, I don't forget the date of her birthday and where she was born! Well, I can recite the story of how she expertly handled the mundane, the challenging ups and downs, the unexpected, and inexplicable vagaries of life while balancing her roles as a wife, mother of three, grandmother of six, teacher, co-director of a chemical company, elder of her church, philanthropist and avid tennis player. Nevertheless we shall not forget Shakespeare's well-remembered prayer put on the lips of Hamlet's guards: "Angels and ministers of grace, defend us ..." But yes, I will be brave, as Judy told me to be!

The Sense of Quoting David W. Odell-Scott,2018-07-17 In *The Sense of Quoting*, Odell-Scott argues that the neutral continuous script of ancient manuscripts of the Greek New Testament composed with no punctuation and no spacing provided readers discretionary authority to determine and assess the status of phrases as they articulate a cohesive and coherent reading of the script. The variety of reading renditions each differently scored with punctuation supported the production of quotations. These cultivated and harvested quotes while useful for authorizing sectarian discourse, rarely convey the sense of the phrase in the continuous script. Augustine's work on punctuating the scriptures in service to the production of plainer quotable passages in support of the rule of faith is addressed. Odell-Scott's textual analysis of a plainer quotable passage at verse 7:1b concerning male celibacy supports his thesis that plainer passages are the product of

interpretative scoring of the script in service to discursive endeavours. To quote is often to misquote.

Movie Quotes for Special Occasions James Scheibli, 2020-08-20 Film buffs—find the perfect words for any special occasion in this handy movie quotation reference guide. Whether it's Casablanca, Cabaret, Clueless, or The Cable Guy, you probably have favorite flicks you often quote. And it's true, "We'll always have Paris." From A Man Called Horse to Zoolander and everything in between, our beloved films have excellent writing and memorable dialogue; we have talented Hollywood screenwriters to thank for the brilliant one-liners we love. Movie quotes have become an integral part of our culture and expression. The movie quotes that often show up on "best of" lists rarely lend themselves to important moments in life. On how many special occasions can you say "May the Force be with you"? Open up most movie quote lists or books and you're likely to see "Play it again, Sam," or "There's no place like home." Yet there are so many lines just under the radar that are the stuff of pure poetry and sheer genius. That's where cinephile and true movie buff James Scheibli comes in! In *Movie Quotes for Special Occasions*, he has scoured the movies of the world to track down the most fitting and fabulous movie quotes for every special occasion. From graduations to birthdays to wedding toasts to golden anniversaries, film scholar James Scheibli provides cinematic quotes that are moving, memorable, inspirational, and deeply meaningful. These quips,

quotes, and scene-stealing lines do more than just remind us of the movies they came from. They transcend their stories and enrich your life. Whether from blockbuster megahits or forgotten indies, Movie Quotes for Special Occasions has the right quote for the right occasion—and it's a great gift for movie lovers, anniversary gift, or coffee table book for your friends and family to enjoy.

The Curious Incident of the Dog in the Night-Time Mark Haddon, 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
