

Romance Books About Unrequited Love

Maggie Osborne

Four Nights With the Duke Eloisa James,2015-03-31 Eloisa James returns with another fabulous romance in her New York Times bestselling Desperate Duchesses series! As a young girl, Emilia Gwendolyn Carrington told the annoying future Duke of Pindar that she would marry any man in the world before him—so years later she is horrified to realize that she has nowhere else to turn. Evander Septimus Brody has his own reasons for agreeing to Mia's audacious proposal, but there's one thing he won't give his inconvenient wife: himself. Instead, he offers Mia a devil's bargain . . . he will spend four nights a year with her. Four nights, and nothing more. And those only when she begs for them. Which Mia will never do. Now Vander faces the most crucial challenge of his life: he must seduce his own wife in order to win her heart—and no matter what it takes, this is the one battle he can't afford to lose.

Ravishing the Heiress Sherry Thomas,2012-07-03 Millicent understands the terms of her arranged marriage all too well. She gets to be a Countess by marrying an impoverished Earl. And in return, the Earl Fitzhugh receives the benefit of her vast wealth, saving his family from bankruptcy. Because of her youth, they have agreed to wait eight years before consummating the marriage--and then, only to beget an heir. After which, they will lead separate lives. It is a most sensible arrangement. Except for one little thing. Somehow Millie has fallen head over heels in love with her husband. Her husband, who has become her very best friend, but nothing more...Her husband, who plans to reunite with his childhood sweetheart, the beautiful and newly widowed Isabella, as soon as he has honored the pact with his wife... As the hour they truly become husband-and-wife draws near, both Millie and Fitzhugh must face the truth in their hearts. Has their pact bred only a great friendship--or has it, without either of them quite noticing, given rise to a great love?

Breaking Hearts Roy F. Baumeister,Sara R. Wotman,1994-08-05 Artificial life refers to techniques that seek to re-create living organisms and creatures by computer, including simulation of behavior processes resulting in consciousness and emotions. This is the first book to demonstrate artificial life in virtual reality where up to now little has been done to reproduce biological processes. Includes 16 pages of color photos and images.

The Geek's Guide to Unrequited Love Sarvenaz Tash,2016-06-14 John Hughes meets Comic Con in this novel about a teenager who is trying to get his best friend to fall in love with him that's an "unabashed love letter and delightful inside joke for comic enthusiasts" (Kirkus Reviews). Peter Parker and Gwen Stacy... Archie and Veronica... Althena and Noth... ...Graham

and Roxy? Graham met his best friend, Roxana, when he moved into her neighborhood eight years ago, and she asked him which Hogwarts house he'd be sorted into. Graham has been in love with her ever since. But now they're sixteen, still neighbors, still best friends. And Graham and Roxy share more than ever—moving on from their Harry Potter obsession to a serious love of comic books. When Graham learns that the creator of their favorite comic, *The Chronicles of Althena*, is making a rare appearance at this year's New York Comic Con, he knows he must score tickets. And the event inspires Graham to come up with the perfect plan to tell Roxy how he really feels about her. He's got three days to woo his best friend at the coolest, kookiest con full of superheroes and supervillains. But no one at a comic book convention is who they appear to be...even Roxy. And Graham is starting to realize fictional love stories are way less complicated than real-life ones.

Scandal in Spring Lisa Kleypas, 2009-03-17 Quirky and fun-loving American heiress Daisy Bowman is the last unmarried Wallflower. Her exasperated father has informed her that if she can't find a husband by the end of her third London season, she will be forced to marry a man she hates—the ruthless entrepreneur Matthew Swift. Daisy is horrified. A Bowman never admits defeat, so she decides to do whatever it takes to marry someone . . . anyone . . . other than Matthew. What she doesn't count on, however, is Matthew's unexpected charm, or the blazing sensuality that soon flares beyond both their control. And Daisy discovers that the man she has always hated just might turn out to be the man of her dreams. But when a scandalous secret is uncovered, it could destroy both Matthew and a love more passionate and irresistible than Daisy's wildest fantasies.

Unrequited Lisa A. Phillips, 2015-01-27 The summer Lisa A. Phillips turned thirty, she fell in love with someone who didn't return her feelings. She became obsessed, following him around, calling him compulsively, and talking about him endlessly. One desperate morning, after she snuck into his apartment building, he picked up a baseball bat to protect himself and threatened to dial 911. Her unrequited love had changed her from a sane, conscientious college teacher and radio reporter into someone she barely recognized—someone who had taken her yearning much too far. In *Unrequited*, Phillips explores the tremendous force of obsessive love in women's lives. She argues that it needs to be understood, respected, and channeled for personal growth—yet it also has the potential to go terribly awry. Interweaving her own story with frank interviews and in-depth research in science, psychology, cultural history, and literature, Phillips describes how romantic obsession takes root, grows, and strongly influences our thoughts and behaviors. Going beyond images of creepy, fatally attracted psychos, male fantasies of unbridled female desire, and the platitudes of self-help books, Phillips offers compelling insights to help any woman who has experienced unrequited obsessive love and been mystified and troubled by its grip. “An ingenious hybrid of memoir, case study, scientific inquiry, and intellectual history not only of unrequited love but of Love, full stop, with a capital L.”—Washington Post “There is no cure for the pain of rejection, although researchers are working on it. Until then, Phillips suggests we ‘honor passion by confining and using it instead of letting it diminish us.’”—Chicago Tribune

Loves Me-- Not Samara O'Shea, 2014 A witty and inspirational guide to overcoming rejection and flourishing in the face of

unrequited love.

The Unrequited Saffron A. Kent,2021-08-05 Layla Robinson is not crazy. She is suffering from unrequited love. But it's time to move on. No more stalking, no more obsessive calling. What she needs is a distraction. The blue-eyed guy she keeps seeing around campus could be a great one--only he is the new poetry professor--the married poetry professor. Thomas Abrams is a stereotypical artist--rude, arrogant, and broody--but his glares and taunts don't scare Layla. She might be bad at poetry, but she is good at reading between the lines. Beneath his prickly façade, Thomas is lonely, and Layla wants to know why. Obsessively. Sometimes you do get what you want. Sometimes you end up in the storage room of a bar with your professor and you kiss him. Sometimes he kisses you back like the world is ending and he will never get to kiss you again. He kisses you until you forget the years of unrequited love; you forget all the rules, and you dare to reach for something that is not yours.

Twelve Months of Love Unrequited Meenal Sawhney,2021-03-06 Some love stories aren't epic novels- some are short stories. But that doesn't make them any less filled with love Twelve Months of Love Unrequited is an anthology of twelve extraordinary unrequited love tales with a plethora of emotions. Kiya, an aspiring woman, finds herself attracted to Kabir. But her throbbing question to the heavens and Kabir is "Why did you come into my life when I can't marry you?" Tanvi was offered lifelong love through 'marriage'- a social construct that she retorts. But how far would Angad go for love? Will he finally accept the new life that is offered and move on? Nandita and Sana have been out on an impromptu wine and dine plan after office. After hours of seamless conversations, they realise why they vibe so well. An independent confident Anna finds herself waltzing Veer in gay abandon. What promise does the weekend in Germany hold for them? There is a story of anyone and everyone, whose love once went in vain and was unsaid, but they emerged through it stronger and perhaps, wiser too. Live through the twelve months that are symbolic of the shades of perennial love; each story has the emotion and hue of a different month in Twelve Months of Love Unrequited.

Tempting the Bride Sherry Thomas,2012-10-02 ONE OF LIBRARY JOURNAL'S BEST ROMANCES OF THE YEAR In this new masterpiece of historical romance from the acclaimed, USA Today bestselling Sherry Thomas, a headstrong beauty is rescued by the notorious rake she has always despised... Helena Fitzhugh understands perfectly well that she would be ruined should her secret love affair be discovered. So when a rendezvous goes wrong and she is about to be caught in the act, it is with the greatest reluctance that she accepts help from David Hillsborough, Viscount Hastings, and elopes with him to save her reputation. Helena has despised David since they were children—the notorious rake has tormented her all her life. David, on the other hand, has always loved Helena, but his pride will never let him admit the secrets of his heart. A carriage accident the day after their elopement, however, robs Helena of her memory—the slate is wiped clean. At last David dares to reveal his love, and she finds him both fascinating and desirable. But what will happen when her memory returns

and she realizes she has fallen for a man she has sworn never to trust?

Unrequited Julia Wolf,2020-02-29 My proper southern belle mama might disagree, but I say I was born to be a rebel. From the second I got my hands on a pair of drumsticks, my future was sealed. I never fit in anyway, not with my rocker soul and curves that never take a day off. But what's a drummer without a band? Oh, that's right. A cocktail waitress. That is, until the chance of a lifetime falls into my lap-*Unrequited* needs a drummer, and I happen to have an 'in' with the band. The only trouble is, Santiago Garza, *Unrequited*'s broody, scowly bassist, doesn't want me in his band, which is kind of funny, considering he was the one who took my heart and stomped all over it five years ago. My career is far more important than hurt feelings though, so Santiago can suck it up and deal. That's what I'm doing, no matter how many times I remember the feel of his lips on mine. I won't fall for him this time. I'm done being anyone's second choice.

Our Year of Maybe Rachel Lynn Solomon,2019-01-15 “Emotionally resonant and deeply characterized.” —School Library Journal (starred review) From the author of *You’ll Miss Me When I’m Gone* comes a stunning contemporary novel, perfect for fans of *Five Feet Apart*, that examines the complicated aftermath of unrequited love between best friends. Aspiring choreographer Sophie Orenstein would do anything for Peter Rosenthal-Porter, who’s been on the kidney transplant list as long as she’s known him. Peter, a gifted pianist, is everything to Sophie: best friend, musical collaborator, secret crush. When she learns she’s a match, donating a kidney is an easy, obvious choice. She can’t help wondering if after the transplant, he’ll love her back the way she’s always wanted. But Peter’s life post-transplant isn’t what either of them expected. Though he once had feelings for Sophie, too, he’s now drawn to Chase, the guitarist in a band that happens to be looking for a keyboardist. And while neglected parts of Sophie’s world are calling to her—dance opportunities, new friends, a sister and niece she barely knows—she longs for a now-distant Peter more than ever, growing increasingly bitter he doesn’t seem to feel the same connection. Peter fears he’ll forever be indebted to her. Sophie isn’t sure who she is without him. Then one heartbreaking night twists their relationship into something neither of them recognizes, leading them to question their past, their future, and whether their friendship is even worth fighting for.

The Library of Unrequited Love Sophie Divry,2015-04-07 El Pais called *The Library of Unrequited Love* a thrilling soliloquy, an exciting breath of love. The librarian, a single, middle-aged woman, a sharply opinionated and thoughtful bookworm, whose ex-boyfriend left her for another woman, discovers one morning a patron who has been locked in over night. Against her quiet nature, she starts to talk to him, what results is a soliloquy of frustrations, observations, and anguish, covering--with wit, pathos, and passion--history, literature, the Dewey Decimal System, love, and loneliness, as well as revealing her unrequited passion for a quiet student-researcher named Martin, whose studiousness, grace, and beautiful neck strikes her. Divry's prose is seamless--never laborious--both funny and poignant. The book's compactness offers an immersive reading experience that touches universal emotional experiences from the perspective of a bookworm.

Tristan Karla Sorensen,2018-01-23 There's one thing you should know about Tristan Whitfield: he's been in love with Anna for years. There are two problems with that: she has no idea, and she's married. Or at least, she was. Anna Callahan knows three things about her brother's friend, Tristan: he's quiet, incredibly handsome, and has a smolder that could set the room on fire. For years, it wasn't difficult for Anna to overlook all of that. But when Tristan is the solution to a work problem that could derail her career, he is anything but easy to ignore. To Tristan, the fact that the object of his affection is suddenly single means he should tread lightly. Be the friend she needs until she's ready for more and hope the risk pays off. Because it'll add up to the one thing he wants: her.

The Folding Star Alan Hollinghurst,2008-12-17 The 1995 Booker Prize finalist. Alan Hollinghurst's hypnotic and exquisitely written novel tells the story of Edward Manners, a disaffected 33-year-old who leaves England to earn his living as a language tutor in a Flemish city. Almost immediately he falls in love with one of his pupils, but can only console himself with other, illicit affairs. With this novel, Hollinghurst exposes us fearlessly to the consequences of unfulfillable, annihilating desire.

Six of Hearts L. H. Cosway,2014-07-26 Step right up and meet Jay Fields: Illusionist. Mentalist. Trickster. I think in triangles. You think in straight lines. I show you a table and make you believe it's a chair. Smoke and mirrors, sleight of hand, misdirection. I trick and deceive. But most of all, I put on a good show. The world thinks I killed a man, but I didn't. Bear with me. It's all a part of the plan. Revenge is what I want. I want it for me and I want it for her. I want it for all six of us. She doesn't remember me, but she's the reason for everything. She'll be my prize at the end of all this - if I can hold onto my willpower, that is. Maybe I'll slip up a little, have a taste, just a small one. So go ahead and pick a card. Come inside and see the show. Look at my hands, look so closely that you can't see what's happening while you're so focused on looking. I'll be destroying your world from right here in the spotlight. You'll never see me coming until it's too late. I've only got one heart, and after I've pulled off my grand deception I'll hand it right to her. So, sit back, relax, and let my girl tell you our story. You're in for one hell of a ride.

UNREQUITED LOVE DENNIS. ALTMAN,2020

Unrequited Jen Frederick,2015-04-13 Winter Donovan loves two things: her sister and her sister's ex boyfriend. She's spent her whole life doing the right thing except that one time, that night when Finn O'Malley looked hollowed out by his father's death. Then she did something very wrong that felt terribly right. Finn can't stop thinking about Winter and the night and he'll do anything to make her a permanent part of his life, even if it means separating Winter from the only family she has. Their love was supposed to be unrequited but one grief stricken guy and one girl with too big of a heart results in disastrous consequences.

Silver Lining Maggie Osborne,2000-01-04 Hailed as "one of the best writers in the business" by Susan Elizabeth

Phillips, multi-award-winning author Maggie Osborne delivers hilarious and heartrending tales of resilient women full of grit, pride, and dignity who shine through hard times. Now meet the most irresistible and independent heroine of them all, a woman called Low Down, who never had anything good happen to her until the day she asked for the one thing that only a man could give her. . . . As scruffy and rootless as the other prospectors searching for gold in the Rockies, Low Down wanted nothing in return for nursing a raggedy bunch through the pox. But when pressed to reveal her heart's wish, she admits, I want a baby. Not a husband, not a forced marriage to the proud man who drew the scratched marble and became honor bound to marry her. To be sure, Max McCord was easy on the eyes, but he loved another woman and dreamed of a different life. Yet they agreed to a temporary marriage that could end only in disaster. But can this strange twist of fate lead to the silver lining that both have been searching for?

That Swoony Feeling Meghan Quinn,2020-08-06 Brig Knightly is ready to find love. When he is matched with a secret pen pal, he thinks she's the one, that's until he starts falling for his best friend.
