

Secrets Of New York A Mythos Guide To The City That Never Sleeps

B Lingard

Secrets of New York Jerry Jones,William Jones,2005-06 It is the City that Never Sleeps. During the day ships, barges, tugs, and pleasure boats ply New York's bay and rivers, dashing beneath bridges and disgorging thousands of people upon the city's shores. Each brings hope and dreams of a new life. At night the city blazes with myriad lights, diamonds dazzling in buildings that scrape the sky. Music, food, dance, dark rituals, and clandestine cults flourish beneath the mantle of New York City.

Secrets of New Orleans Fred Van Lente,James Cambias,2009-01-01 New Orleans in the 1920's is a city of many faces. The gaiety of Mardi Gras is juxtaposed with the rampant corruption that earned New Orleans the nickname The City That Care Forgot. The genteel decline of the French Quarter, the location of the city's original settlement, stands in contrast to the rich opulence of the Garden District, where the Americans later built their mansions. Voodoo and Catholicism exist peacefully side by side. And beneath it all, the face of the Mythos can sometimes be glimpsed This guidebook includes detailed chapters on: the history of New Orleans, the French Quarter and the greater city, and the bayous and coastal area. A chapter on voodoo includes guidelines for integrating it into Call of Cthulhu. New occupations unique to the Crescent City and the area are suggested, and five secret societies are covered. A scenario designed to acquaint investigators with most of New Orleans' areas completes the book.

The Cthulhu Mythos Encyclopedia Daniel Harms,2008-08 This is the third edition of Daniel Harms' popular and extensive encyclopedia of the Cthulhu Mythos. Updated with more fiction listings and recent material, this unique book spans the years of H.P. Lovecraft's influence in culture, entertainment and fiction. The voluminous entries make The Cthulhu Mythos Encyclopedia invaluable for anyone knowledgeable about the Cthulhu Mythos and necessary for those longing to learn about the Cosmic Horrors from past and present decades. Also includes appendix about the history of H.P. Lovecraft's infamous Necronomicon.

New York Magazine ,1993-09-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning

writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Secrets of Kenya David Conyers,2007 The Eastern regions of Africa are largely unexplored by Westerners. Beneath the desert sands, and lurking within the highlands lie mysteries far older than Western civilization, and indeed mankind. Long before the arrival of Arab traders or European explorers some of the native peoples learned to fear and worship great and terrible beings. Here within the heart of Africa, adventure and horror await those brave or foolhardy enough to seek them out. *Secrets of Kenya* details the cultures, geography, and history of Kenya through the 1930's; provides an African bestiary; details several secret societies; and includes four adventures to jump start your own explorations of Kenya and the surrounding African wilds.

Critical Theory Today Lois Tyson,2012-09-10 *Critical Theory Today* is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

The Myth of Sisyphus And Other Essays Albert Camus,2012-10-31 One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning. With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.

Bird of Paradise Raquel Cepeda,2013-03-05 In 2009, Raquel Cepeda embarked on an exploration of her genealogy using ancestral DNA testing to uncover the truth about her family and the tapestry of races and ethnicities that came together in an ambiguous mix in her features, resulting in “a beautiful story of reconciliation and redemption” (Huffington Post) with her identity and what it means to be Latina. Digging through memories long buried, Cepeda journeyed not only into her ancestry but also into her own history. Born in Harlem to Dominican parents, she was sent to live with her maternal grandparents in

the Paraíso (Paradise) district in Santo Domingo while still a baby. It proved to be an idyllic reprieve in her otherwise fraught childhood. Paraíso came to mean family, home, belonging. When Cepeda returned to the US, she discovered her family constellation had changed. Her mother had a new, abusive boyfriend, who relocated the family to San Francisco. When that relationship fell apart, Cepeda found herself back in New York City with her father and European stepmother: attending tennis lessons and Catholic schools; fighting vicious battles with her father, who discouraged her from expressing the Dominican part of her hyphenated identity; and immersed in the '80s hip-hop culture of uptown Manhattan. It was in these streets, through the prism of hip-hop and the sometimes loving embrace of her community, that Cepeda constructed her own identity. Years later, when Cepeda had become a successful journalist and documentary filmmaker, the strands of her DNA would take her further, across the globe and into history. Who were her ancestors? How did they—and she—become Latina? Her journey, as the most unforgettable ones often do, would lead her to places she hadn't expected to go. With a vibrant lyrical prose and fierce honesty, Cepeda parses concepts of race, identity, and ancestral DNA among Latinos by using her own Dominican-American story as one example, and in the process arrives at some sort of peace with her father.

Backpacker, 2001-03 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Immortals Jordanna Max Brodsky, 2016-02-16 In this modern-day lively re-imagining of classical mythology (Deborah Harkness), when a string of women are murdered in an ancient pagan ritual, Selene DiSilvia -- known by some as the goddess Artemis -- hears their cries for help and takes up her bow once more. Manhattan has many secrets. Some are older than the city itself. The city sleeps. In the predawn calm, Selene DiSilvia finds the body of a young woman washed ashore, gruesomely mutilated and wreathed in laurel. Her ancient rage returns, along with the memory of a promise she made long ago -- when her name was Artemis. Jordanna Max Brodsky's acclaimed debut sets Greek Gods against a modern Manhattan backdrop, creating an unputdownable blend of myth and mystery.

Vampires Never Get Old: V.E. Schwab, Julie Murphy, 2021-05-25 Eleven diverse vampire stories from YA's leading voices, including V.E. Schwab's *First Kill*, soon to be a major Netflix adaptation! SINK YOUR TEETH INTO THIS... In this delicious new collection, you'll find eleven fresh vampire stories from young adult fiction's leading voices. Enter 'The House of Black Sapphires' by Dhonielle Clayton, and discover the secret world of vampires and magic behind the doors of New Orleans. Meet 'The Boys From Blood River' by Rebecca Roanhorse and their enticing power and terrible sacrifices. And in V.E. Schwab's 'First Kill', witness the centuries-old struggle between vampire and slayer - and the thrill of forbidden love.

Vampires lurking on social media, vampires hungry for more than just blood, vampires coming out - and going out for their first kill - this collection puts a new spin on the age-old classic. WELCOME TO THE EVOLUTION OF THE VAMPIRE - AND A REVOLUTION ON THE PAGE SAMIRA AHMED DHONIELLE CLAYTON ZORAIDA CÓRDOVA AND NATALIE C. The Unofficial Magnus Chase and the Gods of Asgard Companion Peter Aperlo,2015-09-22 FASCINATING BACKGROUND FACTS, STORIES AND MYTHOLOGICAL INFORMATION FOR THE MAGNUS CHASE AND THE GODS OF ASGARD SERIES Long ago in the legendary land of Asgard, battles raged throughout the Heavens and Earth between powerful gods, Viking heroes and deadly monsters. These timeless tales of bravery, deceit and love come alive in this all-new illustrated guide. As enthralling today as when first told around arctic campfires, these ancient myths are the inspiration for Rick Riordan's captivating new Magnus Chase books. An ideal source of Norse mythology for anyone reading his novels, this handy companion includes information on: •Odin: King of the gods •Asgard: Realm of the gods •Fenrir: A blood-thirsty giant wolf •Loki: The trickster god •Fafnir: A treasure-hoarding dragon •Valhalla: Heaven's golden hall •Freyja: Goddess of love •Ragnarok: Battle of the doomed gods IMPORTANT NOTE TO READERS: This book is an independent and unauthorized fan publication. No endorsement or sponsorship by or affiliation with Rick Riordan, his publishers, or other copyright and trademark holders is claimed or suggested. All references in this book to copyrighted or trademarked characters and other elements of books by Rick Riordan are for the purpose of commentary, criticism, analysis, and literary discussion only.

A Reader's Guide to Contemporary Literary Theory Raman Selden,1989 Unsurpassed as a text for upper-division and beginning graduate students, Raman Selden's classic text is the liveliest, most readable and most reliable guide to contemporary literary theory. Includes applications of theory, cross-referenced to Selden's companion volume, *Practicing Theory and Reading Literature*.

Berlin: The Wicked City: Unveiling the Mythos in Weimar Berlin David Larkins,2019-07 Call of Cthulhu 7th edition Sourcebook and scenarios.

Year of the Horse Justin Allen,2009 A thrill-ride adventure novel capturing the adventure, mystery, legend, and lore of America

Video Source Book ,2006 A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

The Social Media Management Handbook Robert Wollan,Nick Smith,Catherine Zhou,2010-12-15 How do organizations manage social media effectively? Every organization wants to implement social media, but it is difficult to create processes and manage employees to make this happen. Most social media books focus on strategies for communicating

with customers, but they fail to address the internal process that takes place within a business before those strategies can be implemented. This book is geared toward helping you manage every step of the process required to use social media for business. The Social Media Management Handbook provides a complete toolbox for defining and practicing a coherent social media strategy. It is a comprehensive resource for bringing together such disparate areas as IT, customer service, sales, communications, and more to meet social media goals. Wollan and Smith and their Accenture team explain policies, procedures, roles and responsibilities, metrics, strategies, incentives, and legal issues that may arise. You will learn how to: Empower employees and teams to utilize social media effectively throughout the organization Measure the ROI of social media investments and ensure appropriate business value is achieved over time Make smarter decisions, make them more quickly, and make them stick Get the most out of your social media investment and fully leverage its benefits at your company with The Social Media Management Handbook.

Lightbringer K.D. McEntire, 2011-11-15 A YA urban fantasy/romance set in a world a breath away from our own. Similar in tone to *Tithe* and *Unleashed*, this story tiptoes down the line between love and horror as Wendy discovers herself and the darkest parts of the afterlife. Wendy has the ability to see souls that have not moved on, but she does not seek them out. They seek her. They yearn for her . . . or what she can do for them. Without Wendy's powers, the Lost, the souls that have died unnaturally young, are doomed to wander in the never forever, and Wendy knows she is the only one who can set them free by sending them into the light. Each soul costs Wendy, delivering too many souls would be deadly, and yet she is driven to patrol, dropping everyone in her life but her best friend, Eddie—who wants to be more than friends—until she meets Piotr. Piotr, the first Rider and guardian of the Lost, whose memory of his decades in the never, a world that the living never see, has faded away. With his old-fashioned charms, and haunted kindness, he understands Wendy in ways no one living ever could, yet Wendy is hiding that she can do more than exist in the never. Wendy is falling for a boy who she may have to send into the light. But there are darker forces looking for the Lost. Trying to regain the youth and power that the Lost possess, the dark ones feed on the Lost and only Wendy and Piotr can save them—but at what cost? From the Hardcover edition.

Guide to the Sabbat Justin Achilli, Jess Heinig, 1999-03 What are we? The Damned childer of caine? The grotesque lords of humanity? The pitiful wretches of eternal hell? We are vampires, and that is enough. I am a vampire, and that is far more than enough. I am that which must be feared, worshipped and adored. The world is mine -- now and forever. No one holds command over me. No man. No god. No prince. What is a claim of age for ones who are immortal? What is a claim of power for ones who defy death? Call your damnable hunt. We shall see whom I drag screaming to hell with me. The Guide to the Sabbat examines the Sabbat exhaustively from the antitribu, or anti-clans, that populate its ranks, to the terrifying Disciplines they use, to their methods of waging war on the Camarilla and Antediluvians alike. This book also explores the Sabbat's progress in its war effort, chronicling the Cainites' inexorable spread across the East Coast and back to their

usurped territories in the Old World.

Ninety Percent of Everything Rose George, 2014-09-09 Eye-opening and compelling, the overlooked world of freight shipping, revealed as the foundation of our civilization On ship-tracking Web sites, the waters are black with dots. Each dot is a ship; each ship is laden with boxes; each box is laden with goods. In postindustrial economies, we no longer produce but buy, and so we must ship. Without shipping there would be no clothes, food, paper, or fuel. Without all those dots, the world would not work. Yet freight shipping is all but invisible. Away from public scrutiny, it revels in suspect practices, dubious operators, and a shady system of flags of convenience. And then there are the pirates. Rose George, acclaimed chronicler of what we would rather ignore, sails from Rotterdam to Suez to Singapore on ships the length of football fields and the height of Niagara Falls; she patrols the Indian Ocean with an anti-piracy task force; she joins seafaring chaplains, and investigates the harm that ships inflict on endangered whales. Sharply informative and entertaining, *Ninety Percent of Everything* reveals the workings and perils of an unseen world that holds the key to our economy, our environment, and our very civilization.
