Shusaku Endo

Silence Shusaku Endo, 1996-05 Silence I regard as a masterpiece, a lucid and elegant drama. Irving Howe. -- The New York Review of Books

Silence and Beauty Makoto Fujimura, 2016-04-01 Internationally renowned artist Makoto Fujimura reflects on Shusaku Endo's novel Silence and grapples with the nature of art, pain and culture. Showing that light is yet present in darkness, he uncovers deep layers of meaning in Japanese history and finds connections to how faith is lived in contexts of trauma.

Approaching Silence Mark W. Dennis, Darren J. N. Middleton, 2015-02-26 Shusaku Endo is celebrated as one of Japan's great modern novelists, often described as Japan's Graham Greene, and Silence is considered by many Japanese and Western literary critics to be his masterpiece. Approaching Silence is both a celebration of this award-winning novel as well as a significant contribution to the growing body of work on literature and religion. It features eminent scholars writing from Christian, Buddhist, literary, and historical perspectives, taking up, for example, the uneasy alliance between faith and doubt; the complexities of discipleship and martyrdom; the face of Christ; and, the bodhisattva ideal as well as the nature of suffering. It also frames Silence through a wider lens, comparing it to Endo's other works as well as to the fiction of other authors. Approaching Silence promises to deepen academic appreciation for Endo, within and beyond the West. Includes an Afterword by Martin Scorsese on adapting Silence for the screen as well as the full text of Steven Dietz's play adaptation of Endo's novel.

Sachiko Shūsaku Endō, 2020-08-18 In novels such as Silence, Endō Shūsaku examined the persecution of Japanese Christians in different historical eras. Sachiko, set in Nagasaki in the painful years between 1930 and 1945, is the story of two young people trying to find love during yet another period in which Japanese Christians were accused of disloyalty to their country. In the 1930s, two young Japanese Christians, Sachiko and Shūhei, are free to play with American children in their neighborhood. But life becomes increasingly difficult for them and other Christians after Japan launches wars of aggression. Meanwhile, a Polish Franciscan priest and former missionary in Nagasaki, Father Maximillian Kolbe, is arrested after returning to his homeland. Endō alternates scenes between Nagasaki—where the growing love between Sachiko and Shūhei is imperiled by mounting persecution—and Auschwitz, where the priest has been sent. Shūhei's dilemma deepens when he faces conscription into the Japanese military, conflicting with the Christian belief that killing is a sin. With the A-

bomb attack on Nagasaki looming in the distance, Endō depicts ordinary people trying to live lives of faith in a wartime situation that renders daily life increasingly unbearable. Endō's compassion for his characters, reflecting their struggles to find and share love for others, makes *Sachiko* one of his most moving novels.

Silence 沈黙, 1979 The story of a seventeenth-century Portuguese priest in Japan at the height of the persecution of the Christian community.

The Samurai Shusaku Endo, 2018 Originally published. New York: Harper & Row: Kodansha International, 1982-- Copyright page.

Golden Country Shusaku Endo, 2012-01-09 The events described in this exciting and provocative three-act play, a companion piece to Endo's highly acclaimed novel *Silence*, take place in 1633, nearly a hundred years after Christianity was introduced into Japan. By this time, Japanese Christians were being cruelly persecuted by the government; every Christian searched out was made to apostatize or suffer a slow, agonizing death. The central character of *The Golden Country* is Father Christopher Ferreira, a Portuguese Jesuit missionary. Given shelter by a Christian farming community, everyone looks to him for help, including one of his chief persecutors. When, after cruel torture, Father Ferreira apostatizes to the disbelief of his Japanese converts, the play reaches a climax that is later capped only by the courage, nobility and love of the martyrs. Father Francis Mathy's detailed Introduction to this tightly constructed drama, which poses basic questions about the meaning of faith, love and fate, provides valuable historical background.

The Final Martyrs Shūsaku Endō, 1994 Eleven stories by a cosmopolitan Japanese writer. The title story is on the persecution of Christians in Japan; *Japanese in Warsaw* is on pimping for tourists; *Adieu*, set in France, is on old age; and *Shadows* is a young man's cry from the heart when his role model, a Spanish priest, abandons the church for a woman. By the author of *The Golden Country*.

A Life of Jesus Shūsaku Endō, 1978 Translated By Richard A. Schuchert; My book called *A Life of Jesus* may cause surprise for American readers when they discover an interpretation of Jesus somewhat at odds with the image they now possess.

Hidden Divinity and Religious Belief Adam Green, Eleonore Stump, 2015 This collection of new essays is a groundbreaking examination of divine hiddenness from the perspectives of different faiths.

The Wine Lover's Daughter Anne Fadiman, 2017-11-07 In *The Wine Lover's Daughter*, Anne Fadiman examines—with all her characteristic wit and feeling—her relationship with her father, Clifton Fadiman, a renowned literary critic, editor, and radio host whose greatest love was wine. An appreciation of wine—along with a plummy upper-crust accent, expensive suits, and an encyclopedic knowledge of Western literature—was an essential element of Clifton Fadiman's escape from lower-middle-class Brooklyn to swanky Manhattan. But wine was not just a class-vaulting accessory; it was an object of ardent

desire. The Wine Lover's Daughter traces the arc of a man's infatuation from the glass of cheap Graves he drank in Paris in 1927; through the Château Lafite-Rothschild 1904 he drank to celebrate his eightieth birthday, when he and the bottle were exactly the same age; to the wines that sustained him in his last years, when he was blind but still buoyed, as always, by hedonism. Wine is the spine of this touching memoir; the life and character of Fadiman's father, along with her relationship with him and her own less ardent relationship with wine, are the flesh. The Wine Lover's Daughter is a poignant exploration of love, ambition, class, family, and the pleasures of the palate by one of our finest essayists.

Kiku's Prayer Shusaku Endo, 2012-12-25 This translation is dedicated to the memory of Hondo Shun (1936-1997) a kind and gentle man who was nothing like his namesake in this novel.

Bits of Descriptive Prose Alfred Lambourne, 1891

In Search of Japan's Hidden Christians John Dougill, 2025-06-10 The story of Japan's hidden Christians is the subject of a major motion picture by director Martin Scorsese, based on Shusaku Endo's famous novel, Silence. From the time the first Christian missionary arrived in Japan in 1549 to when a nationwide ban was issued in 1614, over 300,000 Japanese were converted to Christianity. A vicious campaign of persecution forced the faithful to go underground. For seven generations, Hidden Christians--or Kirishitan--preserved a faith that was strictly forbidden on pain of death. Illiterate peasants handed down the Catholicism that had been taught to their ancestors despite having no Bible or contact with the outside world. Just as remarkably, descendants of the Hidden Christians continue to this day to practice their own religion, refusing to rejoin the Catholic Church. Why? And what is it about Christianity that is so antagonistic to Japanese culture? In Search of Japan's Hidden Christians is an attempt to answer these questions. A journey in both space and time, In Search of Japan's Hidden Christians recounts a clash of civilizations--of East and West--that resonates to this day and offers insights about the tenacity of belief and unchanging aspects of Japanese culture.

Wonderful Fool 西宮照太郎, 1974

World History through Case Studies David Eaton, 2019-09-19 This innovative textbook demystifies the subject of world history through a diverse range of case studies. Each chapter looks at an event, person, or place commonly included in comprehensive textbooks, from prehistory to the present and from across the globe - from the Kennewick Man to gladiators and modern-day soccer and globalization - and digs deeper, examining why historians disagree on the subject and why their debates remain relevant today. By taking the approach of 'unwrapping the textbook,' David Eaton reveals how historians think, making it clear that the past is not nearly as tidy as most textbooks suggest. Provocative questions like whether ancient Greece was shaped by contact with Egypt provide an entry point into how history professors may sharply disagree on even basic narratives, and how historical interpretations can be influenced by contemporary concerns. By illuminating these historiographical debates, and linking them to key skills required by historians, World History through Case Studies shows

how the study of history is relevant to a new generation of students and teachers.

Obasan Joy Kogawa, 2016-09-13 Winner of the American Book Award Based on the author's own experiences, this award-winning novel was the first to tell the story of the evacuation, relocation, and dispersal of Canadian citizens of Japanese ancestry during the Second World War.

Christian Zen William Johnston, 1997 When Christian Zen was first published in the early 1970's, it was reviewed enthusiastically in many parts of the world. A subsequent edition added new material from the author's experience. This latest edition, from Fordham University Press, includes a new Preface by the author and a letter to the author from the Christian mystic Thomas Merton, written shortly before Merton's untimely death. William Johnston presents a study of Zen meditation in the light of Christian mysticism.

Theology of the Pain of God Kazō Kitamori, 1965

When I Whistle Shusaku Endo, 2012 One of Endo's most unusual and powerful novels is set largely in a modern hospital, with themes and scenes that eerily seem to predate *Never Let Me Go*. A jaded businessman has a chance encounter with the doctor son of his best friend at school, Ozu, and memories are stirred of a former love interest of Ozu's, Aiko. The son of his friend proves to be contemptuous of the outmoded values of his father's world and ruthless in pursuit of success at his hospital. The story reaches a terrible climax when Aiko, now a middle-aged cancer-sufferer, is admitted to the hospital and Ozu leads the way in experimenting on her with dangerous drugs.
