*Choosing Stillness, Knowing Love* Christine Dixon,2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God-given Spirit of Love within us. We may effectively forfeit our direct connection to God and become dependent on outside authorities, causing our spiritual roots to remain shallow and insecure. *Choosing Stillness, Knowing Love* offers a practical daily plan that makes connecting to the Spirit of God personal and tangible. Through guided journaling, awareness, and stillness exercises, this book encourages the reader to develop the habit of creating space to listen to the still, small voice of God. This leads to deeper roots that result in healing, wisdom, and a natural production of the fruit of the Spirit. This book is designed to focus on one person at a time, one moment at a time.

*The Two Truths about Love* Jason B Fischer,2013-01-02 Some relationships last, others fall apart, and still others seem to thrive and grow as the years go on. *The Two Truths About Love* is a guide to creating this third type of relationship—an extraordinary partnership wherein each partner feels fully accepted and loved as they are. Designed over the course of

thousands of hours conducting face-to-face counseling sessions with clients, psychotherapist and former Buddhist monk Jason B. Fischer's unique approach has already improved the lives of countless individuals and couples. The two secrets to creating extraordinary relationships are simple: partners must 1. Give permission for the other person to be who they truly are while also 2. Taking responsibility for their own reactions, behaviors, assumptions, and expectations of their partner and the relationship. This book gives readers the tools to start giving permission and taking responsibility in their own relationships and offers strategies for letting go of dissatisfaction and habitual conflicts. In short, accessible chapters, readers learn how to put these seemingly simple rules into practice to regain balance and peace in their partnerships.

**The Two Voices Within** Nickolas Martin, Linda M. Martin, 2015-12-21 Ego and Spirit both speak profoundly within our lives. Can you hear what they are saying to you? These two voices are the main energies that rise up and give shape to our thoughts, feelings, behaviors, and physical health. As we go about meeting life's challenges such as change, adversity, stressors, conflicts, relationships, self-esteem, achievement, and our ability to experience genuine happiness the voice of an unconscious, imbalanced ego is unfortunately the one we more often hear and heed, leading us into a lesser version of ourselves. *The Two Voices Within: Balancing the Energies of Ego and Spirit to Enhance Your Life* invites you to more clearly hear what both of these voices are saying so that you can speak with more of your true voice and recognize the One Voice of the Universe. This awakening will enable you to be the best version of yourself and optimally meet life's challenges.

**Wild Love** Gill Edwards, 2012-03-29 Whenever we try to be good - or expect others to be good - we disconnect from the freedom, joy and unconditional love that is our natural birthright. It is only when we aim to be happy, and reach for our dreams, that we reconnect with Source energy - and release our loving, creative and unique potential. Leading spiritual writer Gill Edwards explains that a deep, magical and joyous reality lies just beyond our reach - if only we can find the key to unlock the door. In *WILD LOVE*, she helps us find that elusive key, by giving up our old 'patterns of relating' and aligning ourselves with Source energy. *WILD LOVE* is a beautifully written and inspiring book which will help you to become wild and free, and to become a passionate and visionary co-creator of your own heaven and earth.

**Journal of a Mad Man** Derrick McC Carson,2014-02-19 What is the meaning of life? The question has been asked by the brightest philosophical minds for centuries. Still to this day answers vary greatly depending on the worldview. Solomon, the wisest king in Israel's history, set all his energies to search for the ultimate meaning of life under the sun. His conclusions may shock and surprise you--vanity, chasing after the wind, absurdity, vanishing smoke. Are these the musings of a genius or of a mad man? If you are looking for a candy-coated appraisal of life then go ahead and put this book down. However, if you are looking for a no-frills, brutally honest, ragged-edged assessment of reality, then you have discovered an indispensable volume. In *Journal of a Mad Man*, pastor and author Derrick McC Carson will carefully guide readers verse by verse through Solomon's meditations recorded in the Old Testament book of wisdom--Ecclesiastes. Not only will readers attempt to plumb the depths of some of mankind's most vexing questions, but they will also discover Solomon's secrets for wise living in a warped world.

**A Chair on the Boulevard** Leonard Merrick,2022-09-04 Leonard Merrick's 'A Chair on the Boulevard' stands as a poignant narrative imbued with a deep understanding of human nature, exemplified by his deft characterizations and sardonic wit. Set against the backdrop of Parisian life, Merrick's prose captures the essence of the Belle 'Epoque, reflecting the milieu of artists, dreamers, and socialites. His literary style, often compared to that of contemporary realists, is marked by a subtlety that reveals the complexities of society and the human spirit. This novel, crafted with Merrick's distinct literary voice, offers an exploration of ambition, love, and the pursuit of recognition—themes that are as relevant today as they were at the time of its initial publication.nnLeonard Merrick, an undervalued gem of the late Victorian and early twentieth-century literary scene, often grappled with the moral dilemmas of his day. Known for his critical eye and his focus on the less glamorous aspects of theatrical life, Merrick drew upon his experiences and insights gained from his own disenchantment with fame and fortune. 'A Chair on the Boulevard' reflects Merrick's disillusionment with the literary marketplace and the often fleeting nature of success, embodying his persistent quest to lay bare the pretenses of societal ambitions.nn'A Chair on the Boulevard' resonates with readers who appreciate literature that not only tells a story but also dissects the human condition. Merrick's narrative remains relevant, offering a window into the aspirations and disillusionments that permeate creative life, making it a poignant read for those fascinated by the volatility of human desires. Connoisseurs of classic literature and new readers alike will find in this work an enduring reflection of the timelessness of human pursuits, carefully preserved by DigiCat Publishing's dedication to literary heritage.

**Make Room for Your Miracle** Mahesh Chavda,Bonnie Chavda,2009-10-01 What do you do when your hopes and dreams seem to die? Mahesh and Bonnie Chavda, two respected international leaders, contend that for Christians, this doesn't need to be a time of discouragement. Instead, as believers learn to welcome the anointing presence of Jesus, any valley can be transformed into a place of miracles. The Chavdas focus on the Shuammite woman in 2 Kings, who was given, and then lost,

and then received back again her young son. First narrating and then exploring this account of death and restoration, the Chavdas encourage readers to face their broken dreams and make room for Jesus' resurrection power. As believers recognize the possibility of the impossible, refusing to let go of the Presence, God can bring even the most hopeless dream to life.
