**Fred M. White**

**7 Greatest Words of the Greatest Man Ever Lived** Rev. Dr. T. P. Samuel Stuart, 2024-03-18 The author has been preaching on these seven Words of Christ from the cross for more than 50 years, on Good Fridays, in various Churches, including the Holy Trinity English Church (CSI), at Tuticorin Town, where he is ministering as a pastor. His book on the 'Seven Words of Christ,' in Tamil, written in 2007, has been well received by the Tamil speaking Christians, all over the world. To share the benefit with more children of God, he desired to publish the book in English. This book, however, is not a translation of the Tamil book. Rather, he has written afresh in English, in a simple language, so that any person with a basic knowledge of English could understand. The Message of the book: About two thousand years ago, the Heavenly Virtue (The Holy One) came to the world, in human form, in the Person of our Lord Jesus Christ; the religious men of His time, instead of prostrating at His feet in worship, they had Him nailed to the Cross. But our Lord in His death, saved humankind from (1) the bondage of sin, (2) the slavery of Satan, (3) the fear of death, and (4) the Great Judgment of God. By His death upon the cross, Christ revealed His eternal opposition of God to sin. In God's redemptive Plan of the Ages, the salvation of man necessitated the vicarious suffering-cum-death of God, the Creator. Jesus' life shows us how one should live the human life in this God-hating world. In Him, the 'Perfect Goodness' is expressed in a human character. He, the Son of God, came to the world and lived a 'Perfect Life' which is unique from any other life that was ever lived or has ever since been lived.

**Blow the Cap off your Capability** Yomi Akinpelu, 2020-01-07 You are designed for success. How can you achieve this success? The answer is straightforward: success comes as a result of few, simple, well-designed habits practised and repeated every day. So why doesn't everybody just do it? The answer is obvious, yet profound, according to John Rohn: it is because the things that are easy to do are also easy not to do. Does this book have the answers to all your life challenges? No! What this book will do is provoke you to think deeper and spur you to immediate, intelligent action. The message in this book is simple: be careful not to neglect doing the small things in your life that make the big things happen. Nothing will change unless you change. Blow the Cap off your Capability is a success and motivational toolbox with practical ideas and wisdom to help change your mindset and motivate you to prompt action so you can achieve your goals and live your best life beginning from right now. The chapters in this book are arranged in alphabetical order, covering a wide range of topics such as attitude, boundaries, comfort-zones, confidence, failure, integrity, leadership, procrastination, relationships and more.

Some quotes from this book: Put your eggs in one basket and - watch that basket! (Andrew Carnegie) Success is not what you achieve, it's what you attract by the person you have become. (Jim Rohn) The secret to your success is found in your daily routine. (John Maxwell) The elevator to success is out of order, but the stairs is always open (Zig Ziglar) Jump, then grow wings on the way down. (Jack Canfield)

**Take the Chance: Don't Say No If You Can Say Yes** Rakesh Dewan,2022-11-05 Saying 'Yes' when one is tempted to say 'No' is a definite way of moving out of ones comfort zone and attracting new outcomes. Saying 'Yes' to living life is the biggest treasure of all and is the soul of this book and its inspiration. A determined 'Yes' as against the habitual 'No' is the choice that often changes the course of our lives. It is the 'Yes' that allows relationships, love and life to blossom. In the ordinary, you may discover the extraordinary.

**Max, V and Me** Charm Heart,2023-07-19 As time has elapsed over the early years of my life, I have had multiple trials and conversations during those events; receiving my questions answered telepathically, by my guide angel, Max and my guardian angel V. They have accompanied me since before I was born. I have documented our discussions about the afterlife and what we have been through together, as they tried to guide and guard me as I grew. These are the first unbelievable 21 short stories, which were based on true events. We decided to reveal them and have included challenges; that shook me to my core. We have overcome them together which had affected my life's journey and has made me a stronger person.

**Make Fewer Mistakes** ,2020-11-24 Have you ever questioned what goes on behind the scenes of building a start-up? Sate your thirst not just by reading about how to raise funds for a start-up but by knowing what melody plays inside the company until the funds hit the bank. Don't just tick the checklist prescribed by leaders for business expansion, but know what suffering is inflicted when that expansion goes wrong. Don't simply get motivated by the lessons by great CEOs on staying optimistic when things go wrong, instead, know what those CEOs go through when shutting the start-up is their best choice. This book reveals an untold, true story that takes the readers through all those sinusoidal moments of excitement and despair in Shubham's start-up journey as the CEO of GrabOnRent - beginning from making a resolve to venture out to shut down the passionately built company and from deciding to hire the first employee to laying off large teams at once. Aspiring entrepreneurs can leverage learning from the mistakes of other founders and avoid repeating them, in an attempt to reduce

the infamous 90% failure rate of start-ups. This book will serve as a mentor to those who seek inspiration to venture into new business and yet wish to predict how uncharted territory might appear.

**Come Journey with Me** Peter Cole,2015-11-13 I am a strong believer in positivity and in the principle that if you connect yourself with strong ethics and morals, if you aim to be good and genuine in everything you do, if you care for others, and if you recognise and respond to the need for trust, honesty, and care in all relationships that you hold, then you will live your life to its full potential; you will give to society and gain personally. I have written a number of books that build on this principle, that follow the idea that once you replace negative thoughts with positive ones; you'll start having positive results, Willie Nelson. These book titles include Standing in Pain Stronger than Before, Betrayals and Jealousy, and Journey of Hope: The Games Are Over. This book, the fourth in my collection, continues to build on the ideals of basic morals and ethics but focuses them towards friendship. In this book, I explore what friendships are and why they are important. I move on to look at what happens when friendships end, either positively or negatively, and how to manage the loss of such friendships in as emotionally stable a way as possible. The value and importance of friendship is explored, with key chapters focusing on the longevity of friendship and the ease at which those who love and care for you the most can be lost when the status of an individual changes.

**From Bags to Blenders** Gordon Black, 2016-09-15 This is a book about success and how to achieve it. While there are many books about eminent retailers, *From Bags to Blenders* tells the story from a different angle - from the point of view of a supplier. Gordon Black's career at Peter Black spanned over 40 years. He led a team with his brother which built a substantial business with sales of approximately £300 million and 3,000 employees. His revealing book faces up to the difficulties of supplying retailers today, and contrasts that with the close and fruitful relationship the Blacks enjoyed in the 1980s and 1990s with their main customer, Marks & Spencer. This fascinating and amusing book explains why the biggest challenge in building a successful company is the development of a culture of teamwork and passion for the business while, at the same time, avoiding arrogance and taking advice from those with experience. In Gordon's opinion, exiting a business is as big a challenge as building a business. He pinpoints the different options and the pitfalls to be avoided, and emphasises the need for first-class products: 'You can have the most modern factories and the best systems, but, without the right product, you're dead!'

**Why Won't You Apologize?** Harriet Lerner, 2017-01-10 The best-selling author of *The Dance of Anger* shares insight into the role of apologies in healing broken connections and restoring trust, sharing compelling case stories and tested theories that explain how to craft a meaningful apology while avoiding choices that deepen original injuries.

**The Living-Dead** Abhijeet Ingle, 2013-11-29 It is the summer of 2004. But over five decades of independence, and a decade of economic liberalization does not mean much to the cotton farmers of Vidharbh in India, which has witnessed a spate of farmer suicides that continue to rise with every passing day. Yet; Ramwadi, a village in Vidharbh, reeling in the clutches of a despotic headman and greedy moneylender, has ducked the trend. Then a jeep arrives in Ramwadi, carrying GM cottonseeds, which transform the simple lives of a few families in Ramwadi. Vasu, a small indebted farmer dreams of living a life of dignity, and chooses to drill a tube well to tap water for his six acres of dry land. The journey of his dream, through a series of ironic circumstances affects many people, encompassing their conflicts, which transcend the boundaries of

Ramwadi, leading to Capitol Hill in Washington, the forests of Siberia and jungles of Gadchiroli. At the same time, it raises many profound and disturbing questions about democracy, agrarian policies, Kyoto Protocol and the environment, International politics, tiger conservation and human-animal conflicts, tribal unrest and revolutionary movements. Ironically, to live his small dream, Vasu and his family must survive these complex glocal conflicts.
