

Summer At Mustang Ridge Paperback

Molly Gloss

Summer at Mustang Ridge Jesse Hayworth, Jessica Andersen, 2013-06-04 A single visit to Mustang Ridge can change a person's life in the most unexpected ways.... Recovering from a difficult divorce and having problems with her daughter, Shelby accepts a summer job cooking at a family-run dude ranch. She hopes the animals will be just what her daughter, Lizzie, needs. Little does she know that ranch life will work some healing magic on her too. When Shelby meets the head wrangler, Foster, she is put off by his brusque nature, but Lizzie takes an instant liking to the cowboy and his horses. While both Foster and Shelby have been scarred by love, it's not long before Shelby is drawn to the rugged cowboy and his thoughtful ways. But with summer nights in short supply and Foster wary of falling for a city girl, a simple summer romance soon grows complicated. As the days dwindle, Shelby will have to decide not only what is best for her daughter, but also where her future—and her happiness—will be found.

Winter at Mustang Ridge Jesse Hayworth, 2014-02-04 Warm up with this heartfelt romance in the Mustang Ridge series... Grateful to her twin for keeping Mustang Ridge in the family, Jenny Skye agrees to return home for a month so her sister can get away. It's the middle of winter, and only a few year-round staffers, her family, and the animals will be there. But the globe-trotting videographer is soon in way over her head at the dude ranch dealing with reservations, her redecorating-obsessed mother, and the town's hunky new veterinarian. Despite his adventurous past, Nick Masterson is putting down roots in Mustang Ridge. When a stray dog, a missing family member, and a snowstorm conspire to throw him and Jenny together, there's no denying the blaze of attraction. But can a relationship that began in the heat of the moment turn into something more for a woman who's always been eager to put her hometown behind her?

Brothel Alexa Albert, 2011-11-09 What began as a public-health project by a Harvard medical student evolved into an intimate, ambitious, six-year study of the brothel ecosystem and a book that puts an unforgettable face on America's maligned and caricatured subculture. "A fascinating glimpse into a hidden lifestyle.... It's an instantly gratifying page-turner.... It emerges as a personality-filled memoir about an unforgettable group of women. —Seattle Weekly Not a single legal prostitute in Nevada had contracted HIV since testing began in 1986. Why? Harvard medical student Alexa Albert traveled to Nevada in search of answers. Gaining unprecedented access to the infamous and notoriously secretive Mustang Ranch, Albert reveals a fascinatingly insular world where the women share their experiences with unexpected candor.

There's Dinah, Mustang's oldest prostitute, who turned her first trick years ago at age fifty-one. And Savannah, a woman who views her work as a "healing" social service for needy men. Nevada's legal brothels are an incredibly rich environment for examining some of this nation's thorniest social issues. From problems of class and race to the meaning of family, honor, and justice—all are found within this complex and singular microcosm. And in a country where prejudice is a dirty word—but not as dirty as hooker—these social issues are compounded and deepened by the stifling stigma that has always plagued the profession. But in the end, all of Mustang's working girls are just women trying to earn their way to happiness. *Brothel* is a landmark work that probes beyond the veil of desire and fantasy in which the sex trade shrouds itself—and uncovers the naked humanity at its core.

Sunset At Keyhole Canyon Jesse Hayworth, 2013-05-07 Welcome to Mustang Ridge Ranch, where guests get a taste of life in the Wild West, and two cowpokes just might have a second chance at love... When Nina books a week's stay at Mustang Ridge, the vintage-inspired interior designer is looking forward to some time away from the city's dating scene. She's greeted by flower-studded hills and snow-capped mountains under a stunningly blue Wyoming sky, but her excitement fades when she spots a man she never wanted to see again. Why is Ben there? And, dang it, why is her heart racing? Ben's sister Cheryl had set him up on a date with Nina months ago, and even though things didn't work out, Cheryl still thinks they're meant for each other. So she surprises her brother with a trip to the ranch for his birthday. Besides, a busy surgeon like Ben needs a break from working at the hospital. Now that his schedule is out of the way, can he make time for Nina? Or will one of the other rugged guests rustle her away? Includes a preview of the first Mustang Ridge novel, *Summer at Mustang Ranch*

Rebel Heart Moira Young, 2012-10-30 Nothing is certain and no one is safe in the scorching sequel to *Blood Red Road*, which MTV's Hollywood Crush blog called "better than *The Hunger Games*." There is a price on Saba's head. She brought down a ruthless tyrant and saved her kidnapped brother. But winning has come at a terrible cost. Saba is haunted by her past—and a new enemy is on the rise, an enemy who searches for her across the Dust Lands. Saba needs Jack: his moonlit eyes, his reckless courage, his wild heart. But Jack has left. And her brother is haunted by ghosts of his own. Then news comes that tells her Jack can never be trusted again. Deceived and betrayed, haunted and hunted, Saba will need all of her warrior's strength just to survive. For the enemy has cunning plans of his own...

Reckless Fortune M. M. Crane, 2022-09-27 The heat between them is enough to ward off the chilly Alaska weather conditions in the next *Fortunes of Lost Lake* novel from USA Today bestselling author M. M. Crane. Bowie Fortune has always liked a risky proposition. A bush pilot out in the Last Frontier, flying in and out of places that give most pilots nightmares is what he lives for. That and his off-the-grid home out by Lost Lake, where his family has been living up close with the elements for generations. When his sister dares him to participate in the local version of a mail-order bride contest,

he's not interested—but Bowie doesn't back down from a challenge. Even when the challenge turns out to be a woman who makes him want every last thing he knows he shouldn't. Entering a summer-long publicity stunt in far-off Alaska might seem extreme, but Autumn McCall has always had an indomitable spirit. She took care of her sisters and father after her mother died, and this is more of the same—since she intends to win the contest. Immersing herself in the pioneer lifestyle is one thing, but what she isn't expecting is brooding, sharp-eyed Bowie with his wicked smile. As the sparks fly between them, will they burn each other alive—or learn how to simmer their way to a much bigger prize...together?

Squandering Aimlessly David Brancaccio, 2000-02-16 Poor, misguided fellow. David Brancaccio, host of public radio's rambunctious and eclectic business program Marketplace, used to think the big problem with money was getting some. Didn't he understand that during a time of bounty the big problem is knowing what to do with money once you have it? It took a conversation with one of the richest guys in America to set him straight. I think Warren Buffett's got the problem and Gates has the problem and Bloomberg's got the problem, the billionaire said. And the problem doesn't just have to be at our level. It can be with people who have just a couple of million bucks. It was the second just in that sentence that made tears well up in Brancaccio's eyes. Most of us once thought the problem was getting some money. Now what? Squander: to spend or use something precious in a wasteful way. Squandering ranks even below leaving it in a passbook savings account on the list of the greatest personal finance sins of our age, according to Brancaccio, who hit the road to determine the right answer to the question of what to do with money. Brancaccio gets this question from Marketplace listeners all the time: What does one do with a lump sum, perhaps the proceeds from some stock options, the profit on the sale of a house, an inheritance, a bonus, a settlement, or even a modest accumulation in a savings account? A natural storyteller, Brancaccio has a clear, intelligent, and delightfully offbeat way of explaining to his listeners the complexities of business, investing, and the economy. He has access to rivers of market information that should help answer this question of what to do with money. But data do not necessarily equal wisdom, so Brancaccio hit upon the idea of venturing out on a random walk to acquire some street smarts. Imagining a windfall of his own and haunted by his own checkered history with money, Brancaccio embarked on a funny and irreverent personal finance pilgrimage. His travels took him from Minnesota's Mall of America to New York City's Wall Street to one of the poorest towns in the West. He encountered entrepreneurs in California, homeowners in New York, retirees in Arizona, and some folks following their lifelong dreams in Texas. A drifter in a desert offered advice. So did a U.S. secretary of the treasury. Along the way, Brancaccio was challenged by a cascade of practical and philosophical issues: If consumption drives the economy, is there something wrong with saving? Is there such a thing as a socially responsible investment? Is charity an investment? If you can't beat a Las Vegas casino, can you beat the stock market? While Brancaccio's journey was a personal one, his eye-opening adventures reveal a great deal about attitudes toward money in America at the dawn of the new century -- and they provide entertaining lessons about how best to spend, invest, and save.

Time Flies Claire Cook,2013-06-11 From the bestselling author of the beloved book *Must Love Dogs*, later made into a film starring John Cusack and Diane Lane, comes a new novel about what happens when we think everything is falling apart, and discover that we can pick up the pieces after all. Years ago, Melanie followed her husband, Kurt, from the New England beach town where their two young sons were thriving to the suburbs of Atlanta. She's carved out a life as a successful metal sculptor, but when Kurt leaves her for another woman, having the tools to cut up their marriage bed is small consolation. She's old enough to know that high school reunions are often a big disappointment, but when her best friend makes her buy a ticket and an old flame gets in touch to see if she'll be going, she fantasizes that returning to her past might help her find her future...until her highway driving phobia resurfaces and threatens to hold her back from the adventure of a lifetime. *Time Flies* is an epic trip filled with fun, heartbreak, and friendship that explores what it takes to conquer your worst fears...so you can start living your future.

Coming Home to Mustang Ridge Jesse Hayworth,2015-08-04 In the latest "delightful"* Mustang Ridge novel, ignoring your heart is easier said than done... After putting all her savings—and then some—into purchasing a vintage clothing shop in downtown Three Ridges, Wyoming, Ashley Webb is determined to succeed come hell or high water. Problem is, she's never been good at long-term commitments. And when Ashley crosses paths again with the incredibly sexy cowboy she got cozy with at her brother's wedding, she can't help being distracted. Tyler Reed isn't looking to settle down—he tried that before and got burned. Not to mention that the new head wrangler at Mustang Ridge Dude Ranch has other things on his mind. Things that are far more important than helping out his boss's pretty—but flaky—sister...even though there's some serious chemistry between them. When Ashley turns out to be very different than he expected, he's tempted to go against his better judgment. What's a cowboy to do when the wrong woman lassoes his heart? *New York Times Bestselling Author Jill Gregory

Cry Mercy Mariah Stewart,2009-04-28 From New York Times bestselling author Mariah Stewart comes a novel of sexy romantic suspense for fans of Nora Roberts, Catherine Coulter, and Karen Robards. After Ann Nolan, a California beat cop, adopts the daughter of a notorious drug dealer, the ruthless father vows to take back his only child. In response, Ann flees across the country, changes her name, and starts a new life as an investigator for the Mercy Street Foundation, the billionaire-endowed organization dedicated to finding missing persons. As Emme Caldwell, she takes the lead on the Foundation's first case: Nineteen-year-old Belinda Hudson disappeared from her sorority house leaving behind only one cryptic clue. Retracing the vanished student's steps leads Emme to Heaven's Gate, a fertility clinic, and the mysterious Donor 1735. Belinda's legal guardian, Nick Perone, is determined to shadow Emme's every move as she searches for his niece. But the closer Emme gets to Donor 1735 and the chilling truth, the more apparent it becomes that she's escaped one dangerous man only to run head-on into another-one who's far more determined and every bit as deadly.

With You Forever Chloe Liese,2022-12-19 'A stunning mix of hilarious tropes, swoony romance and lovable, relatable

characters. A must read for every romance lover!' Ali Hazelwood, author of *The Love Hypothesis* Axel Rooney Sullivan is sunshine incarnate. Warm, bright, always smiling, she's the last person I have any business desiring. I've done everything possible to keep my distance... until a charades game gone wrong brought that to a grinding halt. Since then, steering clear of Rooney has been impossible, and the woman who was once avoidable has become the last thing I needed: temptingly within reach. Rooney Axel Bergman is a gorgeous grump who doesn't have the time of day for me. Somehow, I've kept my crush hidden ... well, until I kissed him. My life is a mess, and the last thing I need is to embarrass myself further with the man who avoids me like it's his job rather than painting modern masterpieces . But it seems the universe has a different plan as we unexpectedly find our paths - and problems - converging. And we've come up with one very unexpected solution... A sunshine and grump, marriage of convenience romance about a shy artist on the autism spectrum, and a smiley smartypants who has a chronic IBD. Praise for Chloe Liese: 'I could curl up in Liese's writing for days, I love it so' Helen Hoang, author of *The Kiss Quotient* 'Absolute romantic perfection' Christina Lauren, author of *The Unhoneymooners*

Heartbreak Hills Sharon Siamon, 2010-05 When twins Liv and Sophie discover strange mysteries on the Lucky Star Ranch, they overcome their rivalry over their shared crush to attempt a daring rescue.

The Black Swan Anne Batterson, 2001-10-05 Set against a spontaneous cross-country road trip following the migrating birds, this passionate, lyrical memoir is one woman's reflections on midlife, her important personal relationships, her kaleidoscopic past, and her uncertain future. To fifty-six-year-old Anne Batterson, a woman whose life has been filled with adventure -- as a commercial pilot, an international skydiving champion, a trekking guide in Nepal -- her husband's decision to retire felt like a death sentence. Yearning for some way to reconcile herself to the future that was rapidly unfolding before her, she packed up her VW camper and hit the road with maps, bird guides, and little else except the desire to follow the fall migration and the bone-deep hunch that birds had something important to teach her. In this beautifully written narrative of that extraordinary trip, Batterson writes movingly not only about her experiences with the birds but also about the people she loves, has lost, and connects with along the way. Events from the present trigger vivid stories from the past. In the chapter *The Journey Within the Journey*, a long, lonely night in a deserted campground in Virginia conjures up the ghosts of a desperate solo road trip she made when she was twenty-one. A towering cumulus cloud in Illinois brings back a breathtaking free fall into a similar cloud in *My Time as a Bird*. An encounter with a great blue heron summons a compelling account of her mother's last afternoon in the world. *Bears in the Woods* describes a run-in with two Deliverance-type men in West Virginia, which brings back the murder of a dear friend in the woods of Connecticut. By the end of the journey, the ghosts of the past, like the author herself, have become part of a more fluid, more spiritual reality -- wild and spare and elegant and timeless -- one that is always out there, quickening on the far side of reality. A unique mix of memoir and nature writing, *The Black Swan* is a charming story of a woman's odyssey.

Wild Life Molly Gloss,2001 Charlotte Bridger Drummond is a free-thinking, cigar-smoking, trouser-wearing woman who pens popular women's adventure stories on the Northwest frontier in the early 1900s. When a little girl gets lost in the woods, Charlotte anxiously joins the search, where she becomes lost and falls into the company of an elusive band of giants.

New Leaf Catherine Anderson,2016-01-05 The New York Times bestselling author of *Silver Thaw* returns to *Mystic Creek* in a novel about a love that inspires the courage to start over...and the strength to reclaim a dream. When Taffeta Brown was viciously betrayed by her wealthy husband, she lost everything—including custody of their daughter, Sarah. Now that Taffy has moved to *Mystic Creek*, Oregon, to start over, she unexpectedly meets the one man who might help her get Sarah back. Barney Sterling, a local lawman, finds himself drawn to the lovely, guarded Taffy, but he's stunned by her proposition—that they marry immediately to improve her chances of regaining custody of her daughter. Barney takes marriage too seriously to commit himself to a woman he hardly knows. Yet soon his sympathies fall with the desperate Taffy, and pretending to be in love becomes the easiest part of the plan. But they have no idea what they're up against, or what they're willing to risk to make a miracle come true in *Mystic Creek*.

Firelight at Mustang Ridge Jesse Hayworth,2015-02-03 In the latest *Mustang Ridge* novel, sometimes a little change is exactly what a person needs.... Ever since striking it big on a gemstone claim in the Wyoming mountains, Sam Babcock has known luck is on his side—except when it comes to the people he loves. When he forms a surprising connection with an alluring newcomer staying at his friend Wyatt's ranch, Sam starts to question everything he thought he knew.... Needing time and space to heal, former daredevil Danny Traveler is camping out in a valley beyond *Mustang Ridge Dude Ranch*. She wants to take care of herself for once—and a sexy cowboy might be just the distraction she needs. But when Danny discovers there's much more to Sam than meets the eye, she begins to long for more than a casual fling. Can she convince the confirmed bachelor that it's worth changing his ways for a chance at long-term happiness?

Sweetwater Gap Denise Hunter,2008-12-16 Life doesn't give do-overs. She's sure of it. But then she goes home again. Josie Mitchell's sister Laurel thinks she's come home to pitch in with the apple harvest and save the family orchard. Her brother-in-law Nate thinks she's there to talk the overworked, very pregnant Laurel into finally selling the family business. The orchard's new manager Grady Mackenzie just thinks she's trouble with a capital T. They're all right . . . and all wrong. Because no one really knows what drove Josie from home in the first place. Why she's never come home before, even for her own father's funeral. Why she pushes herself so hard . . . and what she's running from. And nobody, not even Josie, is prepared for the surprising new fruit she'll find on her last trip home.

The Thing About Love Julie James,2017-04-18 The New York Times bestselling author of *Suddenly One Summer* blows the covers of two FBI agents who can't hide who they are from each other... FBI agents Jessica Harlow and John Shepherd have a past. The former lawyer and cocky Army Ranger clashed during their training at Quantico and gladly went their separate

ways after graduating from the Academy. Six years later, the last thing either of them expects is to be assigned to work as partners in a high-profile undercover sting. For both of them, being paired with an old rival couldn't come at a worse time. Recently divorced from a Hollywood producer and looking for a fresh start, Jessica is eager to prove herself at her new field office. And John is just one case away from his dream assignment to the FBI's elite Hostage Rescue Team. In order to nail a corrupt Florida politician, they'll have to find a way to work together—a task that becomes even trickier when they're forced to hole up at a romantic beachfront resort as part of the investigation. Suddenly, the heat behind their nonstop sparring threatens to make the job a lot more complicated... READERS GUIDE INSIDE

Ridgeline Michael Punke, 2021-06-01 The thrilling, long-awaited return of the #1 New York Times bestselling author of *The Revenant* Winner of the 2022 Spur Award for Best Western Historical Novel Winner of the 2021 David. J. Langum, Sr. Prize in American Historical Fiction 2021 Montana Book Award Honoree In 1866, with the country barely recovered from the Civil War, new war breaks out on the western frontier—a clash of cultures between the Native tribes who have lived on the land for centuries and a young, ambitious nation. Colonel Henry Carrington arrives in Wyoming's Powder River Valley to lead the US Army in defending the opening of a new road for gold miners and settlers. Carrington intends to build a fort in the middle of critical hunting grounds, the home of the Lakota. Red Cloud, one of the Lakota's most respected chiefs, and Crazy Horse, a young but visionary warrior, understand full well the implications of this invasion. For the Lakota, the stakes are their home, their culture, their lives. As fall bleeds into winter, Crazy Horse leads a small war party that confronts Colonel Carrington's soldiers with near constant attacks. Red Cloud, meanwhile, wants to build the tribal alliances that he knows will be necessary to defeat the soldiers. Colonel Carrington seeks to hold together a US Army beset with internal discord. Carrington's officers are skeptical of their commander's strategy, none more so than Lieutenant George Washington Grummond, who longs to fight a foe he dismisses as inferior in all ways. The rank-and-file soldiers, meanwhile, are still divided by the residue of civil war, and tempted to desertion by the nearby goldfields. Throughout this taut saga—based on real people and events—Michael Punke brings the same immersive, vivid storytelling and historical insight that made his breakthrough debut so memorable. As *Ridgeline* builds to its epic conclusion, it grapples with essential questions of conquest and justice that still echo today.

Blood, Bones and Butter Gabrielle Hamilton, 2011-06-09 'Magnificent' Anthony Bourdain A sharply crafted and unflinchingly honest memoir. This is a rollicking, passionate story of food, purpose and family. *Blood, Bones & Butter* follows the chef Gabrielle Hamilton's extraordinary journey through the places she has inhabited over the years: the rural kitchen of her childhood, where her adored mother stood over the six-burner with wooden spoon in hand; the kitchens of France, Greece, and Turkey, where she was often fed by complete strangers and learned the essence of hospitality; and the kitchen of her beloved Italian mother-in-law, who serves as the link between Hamilton's idyllic past and her own future family.

‘Evocative...dazzling...beautifully written’ New York Times Perfect for fans of Salt, Fat, Acid, Heat.

Summer At Mustang Ridge Paperback Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Summer At Mustang Ridge Paperback**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
