To Die For Willow Rose,2021-02-28 □□□□...Very suspenseful up to the last page. One of my new favorites. Former FBI-profiler, Eva Rae Thomas is caught off guard by a murderous plan that sends her on a pulse-pounding race against time in this romantic thriller by Willow Rose. It is a typical Tuesday morning. Scott Benton gets up, kisses his girlfriend Sarah goodbye, and goes to work. But when he returns home from work later in the afternoon, his girlfriend of two years is gone. And just like that, Scott's life is turned upside down. The police are after him, thinking he hurt her. His friends and family have turned their backs on him, thinking the same. Meanwhile, there is one thing Scott can't stop thinking about. Two months ago, Sarah told him that he should go looking for her if she ever turned up missing. Eva Rae Thomas has enough on

her plate as it is: a newborn baby, an upcoming marriage, and a house not big enough to fit them all. On top of it, she takes in a young girl who is in serious trouble, only adding to the strain on her family life. When Scott Benton shows up and tells her she's his only hope in finding his girlfriend, Eva Rae is inclined to say no, but she can't get herself to do it. Scott and Eva Rae used to date for a brief period in high school, and Eva Rae isn't the type of person who just can stop caring about someone. Especially when they have nowhere else to turn. As the investigation deepens, Eva Rae Thomas finds out what it is from her past that Sarah was so afraid of, and she'll need all of her profiling skills in the race against time to find the girl before it is too late.

Girl Next Door Willow Rose,2021-02-12 We serial killers are your sons, we are your husbands, we are everywhere-Ted Bundy Inspired by a true story. He came in the morning when they were still making lunches and getting ready for school and work. He killed them all - mother, father and children. Brutally slaughtered them in the comfort of their own home. They called him the Monday Morning Killer. That was forty years ago, but now it is happening again. A mother and her daughter are brutally murdered in their house, on a peaceful Monday morning in Cocoa Beach, Florida. Detective Jack Ryder has enough on his plate being home alone with six kids and his wife - country superstar Shannon King - on tour. This case takes his anxiety to a new level when he realizes the crime scene matches unsolved murders from four decades prior. He worries that a deranged serial killer has returned to Cocoa Beach. No one feels safe, especially not the girl next door, who just bought the house where the first family was killed forty years ago. Who is capable of such cruelty? And why? Could one person be responsible for these brutal killings of entire families so many years apart? Or is Jack dealing with a copy-cat? You'll never guess the shocking answer. With intense twists and nerve-wracking tension, GIRL NEXT DOOR is a chilling and horrifying look into the minds of serial killers. If you like tales based on true stories, nerve-wracking tension, and twists you won't see coming, then you'll love Willow Rose's nightmarish mystery novel. This mystery novel is precisely the type of book that earned her the nickname the Queen of Scream. GIRL NEXT DOOR is the fifth book in Willow Rose's popular Jack Ryder series but can be read as a standalone.
