**English and German Diction for Singers** Amanda Johnston,2011-02-01 Often underestimated, lyric diction is a portal to powerful performance. It is through lyric diction that singers are able to communicate the wishes and desires of the poet, as well as the composer. Amanda Johnston takes a modernized approach in English and German Diction for Singers, making German increasingly accessible through the recognition that English and German are related languages, and thus have many things in common with regard to lyric diction. This comprehensive resource includes a thorough analysis of the German and English languages, as well as lists, tables, charts, musical examples, and even tongue twisters. Designed for both undergraduate and graduate courses in German and English lyric diction, this book is an invaluable resource for classical singers, vocal coaches, and voice teachers alike.

*The Pillars of the Earth* Ken Follett,2010-06-29 #1 New York Times Bestseller Oprah's Book Club Selection The “extraordinary . . . monumental masterpiece” (Booklist) that changed the course of Ken Follett’s already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. “Follett risks all and comes out a clear winner,” extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett’s unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world

has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece.
