**Strange Fire** John F. MacArthur, 2013-11-19 In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

**Slave** John F. MacArthur,2012-11-05 A COVER-UP OF BIBLICAL PROPORTIONS... Centuries ago, English translators perpetrated a fraud in the New Testament, and it's been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It's powerful. It's controversial. And with new eyes you'll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE "We have been bought with a price. We belong to Christ. We are His own possession." Endorsements: Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic. - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves. - Dr. R.C. Sproul Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'. - The Rev. Dr. Dallas H. Wilson,

Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC

**Borderlands** Gloria Anzaldúa, 2021 Literary Nonfiction. Poetry. Latinx Studies. LGBTQIA Studies. Edited by Ricardo F. Vivancos-Pèrez and Norma Cantú. Rooted in Gloria Anzaldúa's experiences growing up near the U.S./Mexico border, **BORDERLANDS/LA FRONTERA** remaps our understanding of borders as psychic, social, and cultural terrains that we inhabit and that inhabit us all. Drawing heavily on archival research and a comprehensive literature review while contextualizing the book within her theories and writings before and after its 1987 publication, this critical edition elucidates Anzaldúa's complex composition process and its centrality in the development of her philosophy. It opens with two introductory studies; offers a corrected text, explanatory footnotes, translations, and four archival appendices; and closes with an updated bibliography of Anzaldúa's works, an extensive scholarly bibliography on *Borderlands*, a brief biography, and a short discussion of the Gloria E. Anzaldúa Papers. Ricardo F. Vivancos-Pèrez's meticulous archival work and Norma Elia Cantú's life experience and expertise converge to offer a stunning resource for Anzaldúa scholars; for writers, artists, and activists inspired by her work; and for everyone. Hereafter, no study of *Borderlands* will be complete without this beautiful, essential reference.--Paola Bacchetta

Revelation Craig S. Keener, 2009-09-13 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. What can we know about the book of Revelation? What should we make of its visions of apocalyptic horsemen, horns with faces, flying angels, and fantastic beasts? Most important, what meaning does it hold for us here and now, and how can we apply it to our lives? Craig S. Keener shares perspectives on Revelation and helps us strengthen our hope in the future while living out our faith wisely in the present. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

**Consilience** E. O. Wilson,2014-11-26 NATIONAL BESTSELLER • A dazzling journey across the sciences and humanities in search of deep laws to unite them. —The Wall Street Journal One of our greatest scientists—and the winner of two Pulitzer Prizes for *On Human Nature* and *The Ants*—gives us a work of visionary importance that may be the crowning achievement of his career. In *Consilience* (a word that originally meant jumping together), Edward O. Wilson renews the Enlightenment's search for a unified theory of knowledge in disciplines that range from physics to biology, the social sciences and the humanities. Using the natural sciences as his model, Wilson forges dramatic links between fields. He explores the chemistry of the mind and the genetic bases of culture. He postulates the biological principles underlying works of art from cave-drawings to *Lolita*. Presenting the latest findings in prose of wonderful clarity and oratorical eloquence, and synthesizing it into a dazzling whole, *Consilience* is science in the path-clearing traditions of Newton, Einstein, and Richard Feynman.

**The Bible in Its Context** Craig Keener,2013-02-02 The central goal of studying God's Word is to know God better. Since God gave us the Bible as a written book that contains much history, He expects us to use literary and historical principles when we study it. In *The Bible in Its Context*, we look at how to study God's Word for ourselves, by examining the context of Bible verses, whole-book context, cultural background, and some specific principles for understanding different kinds of writings found in the Bible (such as psalms, proverbs, laws, and prophecies). This book teaches essential principles for learning what God was saying to the first readers of the Bible, a necessary step in hearing how to apply God's message today.

*Wide Sargasso Sea* Jean Rhys, 2016-11-22 One of the BBC's '100 Novels That Shaped Our World' A gorgeous clothbound edition of Jean Rhys's great masterpiece of desire and madness in the Caribbean, published for the novel's fiftieth anniversary. Born into the oppressive, colonialist society of 1930s Jamaica, white Creole heiress Antoinette Cosway meets a young Englishman who is drawn to her innocent beauty and sensuality. After their marriage, however, disturbing rumours begin to circulate which poison her husband against her. Caught between his demands and her own precarious sense of belonging, Antoinette is inexorably driven towards madness, and her husband into the arms of another novel's heroine. This classic study of betrayal, a seminal work of postcolonial literature, is Jean Rhys's brief, beautiful masterpiece.
