Incubastard Charity B, 2021-09-27 Mishka Angels, demons... the afterlife. I'd always thought they were bull****. Until all my misguided beliefs were proven wrong by an infuriating, flippant a**hole with horns who has no concept of boundaries. Summoning him was never the plan, especially since I'm not willing to do what it takes to send him back. If I've learned anything from Loch, it's that preconceived ideas are usually false, and the truth is much messier than fables. The theory of good and evil is flawed. Nothing is that simple. Loch The only side of human nature I've ever encountered is vile and perverse, depraved and cruel. However, Mishka's none of those things. She's an insufferable, snarky creature who makes me question everything I know about myself. The longer I'm with her in this world, the less desperate I am to return to mine, which is absurd. I am son of Asmodeus. A prince spawned from lust to torment the damned. The mortal realm is not where I belong. Incubastard deals with Christian lore that does not align with the Bible. It is completely fictional. If this will make you uncomfortable, please do not read this book. Content Warning: This book may have content that is disturbing for some readers. Mature audiences only.

Skeleton King Charity B., 2020-06-12 In this town, I'm free from shame A place where everyone knows my name Glamorizing corpses to feed a need That's why they call me Skeleton King They all worship me, but they don't know the real me All they see is my painted face Truth is, I'm terrified, all the hope inside me died Death and cold will forever be my morbid fate Then she showed me something more Somehow stealing death's allure Trigger Warning: This book contains many triggers and this warning should be taken seriously. The sexual and graphically depicted scenes in this novel are not for the squeamish and will be disturbing for some readers.

Candy Coated Chaos Charity B, 2018-02-03 Alexander Being with Tavin is like eating those candies that start out sweet and then turn so sour, your eyes water. When she's happy, her radiance is stunning, but her glow is dimmed by her dark secrets. I knew from the moment I laid eyes on her, sucking on that lollipop, that there was something unique about her. I was right in more ways than one, and while I don't know the extent of suffering that her life entails, I'll do whatever I need to, to convince her she can trust me. I just need to hang on to her long enough to do that. Tavin When he wraps his arms around me, and his warmth makes me feel safe, it's easy to pretend that this is real. I knew going out with him was a bad idea, I just never imagined it would go this far. It was only supposed to be one night. One night to feel like a normal girl. I didn't plan for

this and now, every day that passes puts us deeper in danger. All I can do is make the most of every moment with him, so when the time comes for this to end, then at least we'll be left with beautiful memories. Trigger Warning: This novel contains drug use, explicit sexual content, violence, and sensitive subject matter which may be triggering for some readers. *** A percentage of all sales is being donated to the To Write Love On Her Arms charity.

Nightshade: A Dark Paranormal Gothic Romance Keri Lake,2021-12 A love so forbidden, it would shake the heavens ... My father called them messengers. He once told me they walked among us, and that somewhere in this dark and godless city, there shined a faint sliver of hope. I had only to look for the signs. Well, I've spent my whole life investigating the inexplicable, and all I've found are the unsettling vestiges of iniquity - the evidence of another world shrouded by the obscure. Purgatory to some, where depravity hides in shadows, and girls like me are little more than delicious bites of temptation. Others call it Nightshade. This peculiar place is where I first met the cold and callous recluse living in a decaying cliffside cathedral. Jericho Van Croix is the epitome of everything I've been told to fear. A raven-winged harbinger who wears intrigue like a warm black cloak. An enigma that I'm determined to unravel - even if it means getting closer than I should. One touch is forbidden. Even so much as a kiss would be my demise. But the sin on his lips burns me up like a wild flame, and his growing infatuation weakens my resolve. Giving him what he wants, though, will mean no chance for redemption, or escape. What's worse is, the signs I've followed yet failed to see all these years begin to unmask a terrifying reality: That falling may be my only saving grace.

Now, three gorgeous men have stumbled into her life, and she's torn between being terrified and excited. That is until they tell her she is the future queen of the Underworld. Not only that, but she needs to bond with her hellhounds, the three heads of Cerberus, and protect the Underworld from a goddess who wants it for herself. Cupcakes and Crooked Spoons Charity B,2018-06-11 -Tavin- Ever since Toben told me to make my first birthday wish, I always wish for the same thing: for us to run away to a beautiful place where they won't ever find us or hurt us again. He's the only person in the world who loves me. I love him too. He says we're the same, that we're halfpeople. He tries to protect

me from the monster. The monster doesn't love us, but Toben says we don't need him to. Toben is all I need. He's the reason I keep waking up every morning, in this scary life, praying for the day my eyes stay closed.

Torn Carian Cole, 2023-07-11 In this beautiful love story of forbidden longing (New York Times bestselling author Penelope Douglas), a sweet young woman and a rough and tough biker are connected in a way they can't contain—and they'll do anything they can to be together. When I was five years old, I told Toren Grace we were going to get married someday. He'd been my closest friend, my protector, and my rock since the day I was born. But during my senior year, our relationship slowly changed. Silly conversations morphed into serious heart-to-hearts. Innocent friendship turned to stolen glances. Then one day, an unexpected kiss changed everything. While that kiss was all I'd ever dreamed of, it knocked Tor clear off his axis. His strong moral compass makes it impossible for him to accept our feelings for each other. Because, not only am I eighteen and fifteen years younger than him, I'm the one person he should never, ever want. Tor is my father's best friend—my pseudo uncle. Neither one of us can stand to betray or hurt my dad, but we can't keep our relationship hidden forever. Will there be a way for us to find our happily-ever-after? Or will we all be torn apart? Torn is book one in the All Torn Up series but can be read as a standalone novel.

Coerce Candice Wright, 2021-09-07 Ivy I know what love is. After witnessing its devastation, I've shied away from it, Until Atlas. I never thought I'd ignore the red flags and wave a white one. Surrendering to Atlas in the most delectable way, I didn't realize he'd been playing me all along Until I found myself at his mercy. They say love can heal all wounds, But what about the scars left behind? Atlas I don't know what love is. I've never been touched by its light or fallen into its depths, Until Ivy. When I see something I want, I take it. And right now, all I want is her. Each move I make is calculated and methodical, Until I have her exactly where I want her. By the time she realizes it's a trap, it will be too late. She'll never forgive me, and I'll never set her free. But I feel no guilt, nor remorse. Not when I'll own every inch of her; body, heart, and soul. And not even Ivy herself will stop me. Author note: If you're looking for a White Knight, you might want to look elsewhere. Atlas is an Antihero in every sense of the word. This book plays with the darker side of love such as obsession, infatuation, and the power plays made to obtain it. *Coerce is a complete standalone novel* Triggers: It goes without saying that this book contains dark elements that some readers may find uncomfortable including offensive language, graphic violence, and sexual situations. All readers should be over 18 so I don't have to answer any awkward emails from your parents or dodge pitchforks when I'm doing my weekly shopping.

She wasn't supposed to fall in love with him. She'd promised she wouldn't. Stella had known the rules when this began. I will never love you, he'd said...But he'd lied, because

his world had been nothing but pain and hatred. Because he was a powerful man and love left you weak and defenseless. He had loved her. The dark, ugly twisted parts of him had loved her. His love was torture. It was addictive. It was oxygen. But it wasn't enough. His life has been a constant war. But he'd never fought for anyone. Until her. He knew that he was cursing her. Sentencing her to a life that she didn't deserve. That would ruin her. But he had no other choice. He'd fought to be a good man, to let her live without him. But he couldn't live without her. He would fight for her. To get her back. Till death. He wasn't a good man. He was the villain. One who needed her. Who would stop at nothing to get her back. He would prove to her that even his wretched, villainous heart could love her.
