

Loa To The Divine Narcissus

Sister Juana Inés de la Cruz, Sor Juana Ines de la Cruz

The Divine Narcissus Sister Juana Inés de la Cruz, 1998 The first complete English translation of this Mexican Baroque (late 17th-century) work, this book consists of a loa (short introductory play) and an auto sacramental (religious drama), with English and Spanish on facing pages. The loa has appeared previously in English translations by Willis K. Jones and Margaret Sayers Peden. Sections of the auto appear in English translation by Alan S. Trueblood in his *Sor Juana Anthology* (1988). In the loa, Spanish characters introduce their Christian religion to Aztec representatives. The auto serves as further explanation, with classical and biblical references. Peters (College of St. Benedict) and Domeier (Sisters of St. Benedict) provide a solid translation, with interesting nuances--and inevitable differences of opinion about some of the variations from the original. This text complements Pamela Kirk's recent study of *Sor Juana Ines de la Cruz: Religion, Art, and Feminism* (CH, Jun'98), adding to the growing body of scholarship on this major author. The introduction, short bibliography, notes, and appendix of biblical references are all very helpful. There are a few printing errors. Recommended to libraries wishing to increase holdings on Latin American women for advanced students, faculty, and scholars. M. V. Ekstrom St. John Fisher College.--Publisher's description.

The Divine Narcissus Sister Juana Inés de la Cruz, 1998 Sor Juana Ines de la Cruz, known as The Tenth Muse of America, has been widely anthologized as a poet, intellectual, and defender of women's rights. Her calling as a nun, often overlooked, is clear in THE DIVINE NARCISSUS, an allegory ostensibly written to explain Christian concepts to the Aztecs whose plight under colonization it also dramatizes. This is the first English translation of this revealing work.

A Reader in Latina Feminist Theology María Pilar Aquino, Daisy L. Machado, Jeanette Rodríguez, 2010-01-01 Speaking for the growing community of Latina feminist theologians, the editors of this volume write, With the emergence and growth of the feminist theologies of liberation, we no longer wait for others to define or validate our experience of life and faith.... We want to express in our own words our plural ways of experiencing God and our plural ways of living our faith. And these ways have a liberative tone. With twelve original essays by emerging and established Latina feminist theologians, this first-of-its-kind volume adds the perspectives, realities, struggles, and spiritualities of U.S. Latinas to the larger feminist theological discourse. The editors have gathered writings from both Roman Catholics and Protestants and from various Latino/a communities. The writers address a wide array of theological concerns: popular religion, denominational presence and

attraction, methodology, lived experience, analysis of nationhood, and interpretations of life lived on a border that is not only geographic but also racial, gendered, linguistic, and religious.

The Three Secular Plays of Sor Juana Inés de la Cruz Guillermo Schmidhuber, 2021-12-14 Sor Juana Inés de la Cruz (1648-1695) wrote poetry, prose, and plays and is considered the greatest of Mexican women writers. She was an intellectual prodigy, reportedly mastering Latin in twenty lessons, and at sixteen she entered a convent so that she might continue her learning. One of the most influential early feminists in the New World, she answered a bishop's criticism in a letter that has become a classic defense of the education of women. She collected a private library of 4,000 volumes, but when she was told that her studies were delaying the progress of her spiritual education, she gave away her books and devoted herself to religious studies. Traditionally, scholars have attributed only one complete play to Sor Juana, but in 1989 Guillermo Schmidhuber discovered a lost play, *The Second Celestina*, which he proved conclusively to be Sor Juana's earliest comedia, co-authored with Agustín Salazar y Torres. Schmidhuber's critical study is the first dedicated exclusively to the secular plays and the first to confirm Sor Juana's authorship of three dramatic pieces. Combining literary history and criticism, Schmidhuber explores the life and originality of Sor Juana's dramas and helps elucidate her enigmatic genius. Though Sor Juana's work as a poet and intellectual has received increasing attention in the last decade, writing about her has rarely taken into account her role as dramatist. Schmidhuber helps correct this critical imbalance by examining Sor Juana's plays in light of dramatic theory. He finds elements of both mannerist and baroque theater in her work, sometimes both within the same play.

Stages of Conflict Diana Taylor, Sarah J. Townsend, 2008 *Stages of Conflict* brings together an array of dramatic texts, tracing the intersection of theater and social and political life in the Americas over the past five centuries. Historical pieces from the sixteenth century to the present highlight the encounter between indigenous tradition and colonialism, while contributions from modern playwrights such as Virgilio Piñero, José Triana, and Denise Stolkos take on the tumultuous political and social upheavals of the past century. The editors have added critical commentary on the origins of each play, affording scholars and students of theater, performance studies, and Latin American studies the opportunity to view the history of a continent through its rich and diverse theatrical traditions.--from publisher's statement.

The Miraculous Language of the Qur'an: Evidence of Divine Origin Bassam Saeh, 2015-01-12 This study illustrates why the language of the Qur'an is miraculous, unique, and evidence of divine authority. The author compares the language of the Qur'an with the language of pre-Islamic poetry, the Prophet's words (hadith), and the language of the Arabs both past and present, to demonstrate that although the Qur'an was revealed in Arabic it was at the same time an Arabic which was entirely new. Original and early Muslim audiences viewed this as miraculous and responded to the Qur'an's words, sounds,

rhythms, etc. in a manner consistent with a deeper appreciation of its beauty and majesty which modern ears, trained by familiarity, and despite being surrounded by all manner of dictionaries and studies, are at a loss to capture. The author attempts to remove this veil and present the Qur'an to readers as if hearing it for the first time, to bring to life some of this wonder. In doing so he guides readers to appreciate the beauty of the Qur'an, to become more immersed in it, and to have a clearer understanding of its structure and flow. Devoting special attention to Surah Al Muddaththir, to underpin his analysis, Saeh thus brings the Revelation to life, to demonstrate that each surah has distinct features and characteristics that make it stand out uniquely within the design and sweep of the whole.

The Wadsworth Anthology of Drama William B. Worthen, 2011 Consistently daring while being solid, W.B. Worthen's selection of plays now includes topical and provocative pieces like Sophie Treadwell's *Machinal* and classroom favorites like William Shakespeare's *Midsummer Night's Dream*, Luis Valdez's *Los vendidos*, and Nobel Laureate Gao Xingjian's *The Other Shore*. --Book Jacket.

Sor Juana Inés de la Cruz Sister Juana Inés de la Cruz, 2005 CONTENT: Villancios and devotional poems -- Loa to Divine Narcissus -- Divine Narcissus -- Devotional exercises for the nine days before the feast of the most pure incarnation of the Son of God, Jesus Christ, our Lord -- Offerings for the rosary of the fifteen mysteries to be prayed on the feast of the sorrows of our Lady, the Virgin Mary -- Critique of a sermon of one of the greatest preachers, which Mother Juana called Response because of the elegant explanations with which she responded to the eloquence of his arguments -- Letter of Sor Philotea -- Response to the very illustrious Sor Philotea.

The Answer / La Respuesta (Expanded Edition) Sor Juana Inés de la Cruz, 2009-06-01 Defiant writing by the first feminist of the Americas—the Mexican nun Sor Juana Inés de la Cruz—in response to the church officials that tried to silence her. Known as the first feminist of the Americas, the Mexican nun Sor Juana Inés de la Cruz enjoyed an international reputation as one of the great lyric poets and dramatists of her time. *The Answer/La Respuesta* (1691) is Sor Juana's impassioned response to years of attempts by church officials to silence her. While earlier translators have ignored Sor Juana's keen awareness of gender, this volume brings out her own emphasis and diction, and reveals the remarkable scholarship, subversiveness, and even humor she drew on in defense of her cause. This expanded, bilingual edition combines new research and perspectives on an inspired writer and thinker. It includes the fully annotated primary text responding to the church officials; the letter that ultimately provoked the writing of *The Answer*; an expanded selection of poems; an updated bibliography; and a new preface.

The Routledge Research Companion to the Works of Sor Juana Inés de la Cruz Emilie L. Bergmann, Stacey Schlauf, 2017-04-28 Called by her contemporaries the Tenth Muse, Sor Juana Inés de la Cruz (1648–1695) has continued to stir both popular and scholarly imaginations. While generations of Mexican schoolchildren have memorized her satirical

verses, only since the 1970s has her writing received consistent scholarly attention., focused on complexities of female authorship in the political, religious, and intellectual context of colonial New Spain. This volume examines those areas of scholarship that illuminate her work, including her status as an iconic figure in Latin American and Baroque letters, popular culture in Mexico and the United States, and feminism. By addressing the multiple frameworks through which to read her work, this research guide serves as a useful resource for scholars and students of the Baroque in Europe and Latin America, colonial Novohispanic religious institutions, and women's and gender studies. The chapters are distributed across four sections that deal broadly with different aspects of Sor Juana's life and work: institutional contexts (political, economic, religious, intellectual, and legal); reception history; literary genres; and directions for future research. Each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field.

Life is a Dream Pedro Calderón de la Barca, *Life is a Dream*, a work by Pedro Calderón de la Barca, is centered on issues of freedom and predestination. The play unfolds around Segismundo, Prince of Poland, imprisoned since birth by his father, King Basilio, due to a prophecy predicting the ruin of the kingdom under his rule. When Basilio decides to test fate by releasing Segismundo, the plot explores the consequences of this decision. The narrative addresses Segismundo's internal struggle with his destiny and the nature of reality, questioning whether life is a dream from which one can awaken. Other characters, such as Rosaura and Astolfo, weave subplots that interconnect personal desires and social duties, reflecting on justice, honor, and love. Set in a context that blends elements of drama, philosophy, and politics, the play investigates the complexity of the human condition, the ethics of leadership, and the power of repentance and personal transformation. With a structure that includes intrigue, plot twists, and reflections on being and seeming, *Life is a Dream* invites the audience to ponder freedom and determinism.

A Companion to the Literatures of Colonial America Susan Castillo, Ivy Schweitzer, 2005-10-14 This broad introduction to Colonial American literatures brings out the comparative and transatlantic nature of the writing of this period and highlights the interactions between native, non-scribal groups, and Europeans that helped to shape early American writing. Situates the writing of this period in its various historical and cultural contexts, including colonialism, imperialism, diaspora, and nation formation. Highlights interactions between native, non-scribal groups and Europeans during the early centuries of exploration. Covers a wide range of approaches to defining and reading early American writing. Looks at the development of regional spheres of influence in the seventeenth and eighteenth centuries. Serves as a vital adjunct to Castillo and Schweitzer's *The Literatures of Colonial America: An Anthology* (Blackwell Publishing, 2001).

La Respuesta Sister Juana Inés de la Cruz, Sor Juana Inés de la Cruz, 2009 "[The Answer] is eloquent, sardonic, learned and, particularly in its autobiographical part, of great freshness." The Times Literary Supplement "One of the landmarks of

Renaissance literature and . . . in the history of intellectual freedom. . . This is essential reading.”?Stephen Greenblatt, best-selling author and professor ?Recommended for informed readers.”?Library Journal Expanded to include fresh translations, an updated bibliography, and the letter that provoked the writing of *The Answer*, this new edition of the bilingual, critical bestseller provides the most accurate translations of works by the iconic seventeenth-century Mexican nun Sor Juana Inés de la Cruz.

Inner Theatres of Good and Evil Mark Pizzato,2014-01-10 Among the most intriguing questions of neurology is how conceptions of good and evil arise in the human brain. In a world where we encounter god-like forces in nature, and try to transcend them, the development of a neural network dramatizing good against evil seems inevitable. This critical book explores the cosmic dimensions of the brain's inner theatre as revealed by neurology, cognitive science, evolutionary psychology, psychoanalysis, primatology and exemplary Western performances. In theatre, film, and television, supernatural figures express the brain's anatomical features as humans transform their natural environment into cosmic and theological spaces in order to grapple with their vulnerability in the world.

Dictionary of Gods and Goddesses Michael Jordan,2014-05-14 Presents brief entries describing the gods and goddesses from the mythology and religion of a wide variety of cultures throughout history.

Between Two Worlds: The autos sacramentales of Sor Juana Inés de la Cruz Amy Fuller,2015-06-12 The seventeenth-century Mexican poet, playwright and nun, Sor Juana Inés de la Cruz, is best known for her secular works, most notably her damning indictment of male double standards, *Hombres necios* (Stupid Men). However, her *autos sacramentales* (allegorical one-act plays on the Eucharist) have received little attention, and have only been discussed individually and out of sequence. By examining them as a collection, in their original order, their meaning and importance are revealed. □ The *autos* combine Christian and classical ‘pagan’ imagery from the ‘Old World’ with the conquest and conversion of the ‘New World’. As the plays progress, the mystery of Christ’s ‘greatest gi□ft’ to mankind is deciphered and is mirrored in Spain’s gi□ft of the True Faith to the indigenous Mexicans. Sor Juana’s own image is also situated within this baroque landscape: presented as a triumph of Spanish imperialism, an exotic muse between two worlds.

Sor Juana, Or, The Traps of Faith Octavio Paz,1988 A life of the seventeenth-century poet, intellectual, and feminist who became a nun and eventually gave up secular learning, places her in her times and in Spanish intellectual tradition, and examines the contradictions in her personality.

[Colonial Encounters in New World Writing, 1500-1786](#) Susan Castillo,2006-05-02 Exploring the proliferation of polyphonic texts following the first contact between Europeans and the indigenous peoples of the Americas, this book is an important advance in the study of early American literature and writings of colonial encounter.

Sor Juana Inés de la Cruz Pamela Kirk Rappaport,1998 The seventeenth-century Mexican nun, scholar, and writer Sor

Juana has inspired numerous literary studies, including works by Octavio Paz, George Tavard, M. Sayers Peden, Jean Franco, Alan Trueblood, E. Arenal, and A. Powell. In contrast, Kirk offers a theological analysis of the less frequently studied religious writings that comprise two-thirds of Sor Juana's oeuvre. -- Back cover.
