**My Sweet Orange Tree** José Mauro de Vasconcelos,2018-01-04 A worldwide classic of children's literature - a moving, life-affirming childhood story, finally available in English again Meet Zezé - Brazil's naughtiest and most loveable boy, his talent for mischief matched only by his great kindness. When he grows up he wants to be a 'poet with a bow-tie' but for now he entertains himself playing pranks on the residents of his family's poor Rio de Janeiro neighbourhood and inventing friends to play with. That is, until he meets a real friend, and his life begins to change... My Sweet Orange Tree is a worldwide classic of children's literature - never out of print in Brazil since it was first published in 1968, it has also been translated into an astonishing number of languages and won the hearts of millions of young readers from Korea to turkey, Poland to Thailand and in many other countries too. José Mauro de Vasconcelos (1920-84) was a Brazilian writer who worked as a sparring partner for boxers, a labourer on a banana farm, and a fisherman before he started writing at the age of 22. He is most famous for his autobiographical novel My Sweet Orange Tree, which tells the story of his own childhood in Rio de Janeiro.

**Freedom from Work** Daniel Fridman,2016-11-30 "A refreshing and rigorous analysis of financial self-help that gets to the heart of identity formation in neoliberalism . . . sociology at its best." —Peter Miller, London School of Economics In this era where dollar value signals moral worth, Daniel Fridman paints a vivid portrait of Americans and Argentinians seeking to transform themselves into people worthy of millions. Following groups who practice the advice from financial success

bestsellers, Fridman illustrates how the neoliberal emphasis on responsibility, individualism, and entrepreneurship binds people together with the ropes of aspiration. *Freedom from Work* delves into a world of financial self-help in which books, seminars, and board games reject “get rich quick” formulas and instead suggest to participants that there is something fundamentally wrong with who they are, and that they must struggle to correct it. Fridman analyzes three groups who exercise principles from *Rich Dad, Poor Dad* by playing the board game *Cashflow* and investing in cash-generating assets with the goal of leaving the rat race of employment. Fridman shows that the global economic transformations of the last few decades have been accompanied by popular resources that transform the people trying to survive—and even thrive. “A gifted observer, Fridman’s ethnographic account uncovers a unique blend of morality and economics in self-help groups pursuing their dream of financial freedom. This book contributes to economic and cultural sociology but will also fascinate general readers.” —Viviana A. Zelizer, Lloyd Cotsen ’50 Professor of Sociology, Princeton University “A wonderful portrait of how financial technologies of the self work in modern culture.” —Marion Fourcade, University of California, Berkeley

**The Book of Disquiet** Fernando Pessoa, 2017-08-17 Written over the course of Fernando Pessoa's life, *The Book of Disquiet* was first published in 1982, pieced together from the thousands of individual manuscript pages left behind after his death in 1935. Now this fragmentary modernist masterpiece appears in a major new edition that unites Margaret Jull Costa's celebrated translation with previously missing texts, presented for the first time in order of composition and accompanied by facsimiles of the original manuscript. A mosaic of dreams and a hymn to the streets and cafés of 1930s Lisbon, *The Book of Disquiet* is an extraordinary record of the inner life of one of the century's most important writers.

[Summarized Sahih Al-Bukhari](#) IDP Research Division, 2020-09-23 This Summarized version of Sahih Al-Bukhâri is an English translation of the compilation entitled *At-Tajrid As-Sarih* by Imam Zain-ud-Deen Ahmad bin 'Abdul-Lateef Az-Zubaidi.

The original compilation (in nine volumes) contains more than 7500 Ahadith with repetitions and duplicates. The summarized version (in one volume) is about one quarter the size of the original and contains 2230 Ahadith without repetitions. Also, most of the duplicate Ahadith from different chains (with slight variations) have been removed and only one has been kept. Furthermore, most of the sub-narrators are often omitted when possible and sometimes only the first narrator in each chain is kept. NOTE: The numbering style has been altered slightly to includes both the Summarized and Original versions. So the Hadith numbering of the Summarized version from numbers 1 to 2230 is shown in squared brackets, while the reference to the Original version is shown directly after it by depicting the Volume number it is found in, the Book title of that Volume, and the Hadith number of that specific Book. For example: In the Book of Fasting (Saum), you will find the first narration beginning with [919] Volume 3, Book 31, Hadith 118: Narrated.... etc. This makes an excellent read for the average Muslim who would like to increase their knowledge and get to know more about the authentic narrations of our beloved Prophet Muhammad, may peace and blessings of Allâh be upon him. IMPORTANT: The blessings which a person confers to the Prophet (s) every time mention is made to him has been omitted throughout this book (i.e. sallallâhu 'alaihi wasallam or peace and blessings of Allâh be upon him.). The reader is humbly requested to do so every time he/she comes across any mention being made to him. **Secrets of the Millionaire Mind** T. Harv Eker,2009-10-13 #1 New York Times, Wall Street Journal, and USA Today Bestseller! Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: Give me five minutes, and I can predict your financial future for the rest of your life! Eker does this by identifying your money and success blueprint. We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and revise it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen Wealth Files, which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you

will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!
