**Meg Meeker**

*The Daily Dad* Ryan Holiday, 2023-05-02 'Make this book a morning ritual.' Matthew McConaughey What does it mean to be a great father? Parenting is a role filled with meaning and purpose, but every dad needs guidance: because fatherhood is not a one-off, it is something you do every day. From Socrates to Martin Luther King Jr., ancient philosophy to contemporary psychology, *The Daily Dad* collates wisdom from around the world to help every dad face the day-to-day challenges in the lifelong job of parenting. Each daily meditation offers a memorable lesson on being the role model and carer your child needs, rooted in timeless principles. Parents new and experienced alike will find inspiration and advice to last a lifetime.

**The Daily Dad** Ryan Holiday, 2023-05-02 "Life is short. Do not forget about the most important things in our life, living for other people and doing good for them."—Marcus Aurelius Becoming a parent is more than just a biological process - it's a lifelong commitment to sacrifice, service, and most importantly, love. It's a challenge to get up every day and put your kids first. You will experience moments of heroic compassion and humiliating failure, sometimes within the same day. But you don't have to do it alone. From Ryan Holiday, #1 New York Times bestselling author of the smash hit *The Daily Stoic*, *The Daily Dad* provides 366 timeless meditations on parenting in a few manageable paragraphs a day - useful for even the most sleep deprived new parent. Drawing on his own experience as a father of two as well as lessons from the lives of legends such as Theodore Roosevelt, Bruce Springsteen, Queen Elizabeth II, Marcus Aurelius, and Toni Morrison, this daily devotional provides wisdom and guidance on being the role model your child needs. Whether you're expecting your first or already a grandparent, *The Daily Dad* offers encouragement, perspective, and practical advice for every stage of your child's life.

*The Daily Stoic Journal* Ryan Holiday, Stephen Hanselman, 2017-11-14 A beautiful daily journal to lead your journey in the art of living--and an instant WSJ bestseller! For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With the acclaimed, bestselling books *The Obstacle Is the Way*, *Ego Is the Enemy* and *The Daily Stoic*, Ryan Holiday and Stephen Hanselman have helped to bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world.

Now Holiday and Hanselman are back with *The Daily Stoic Journal*, a beautifully designed hardcover journal that features space for morning and evening notes, along with advice for integrating this ancient philosophy into our 21st century lives. Each week readers will discover a specific powerful Stoic practice, explained and presented with related quotations to inspire deeper reflection and application, and each day they will answer a powerful question to help gauge their progress. Created with a durable, Smyth-sewn binding and featuring a helpful introduction explaining the various Stoic tools of self-management, as well as resources for further reading, this is a lasting companion volume for people who already love *The Daily Stoic* and its popular daily emails and social media accounts. It can also be used as a stand-alone journal, even if you haven't read the previous books. For anyone seeking inner peace, clarity, and effectiveness in our crazy world, this book will help them immensely for the next year—and for the rest of their lives.

*The Daily Stoic* Ryan Holiday, Stephen Hanselman, 2016-10-18 From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

***Discipline Is Destiny*** Ryan Holiday, 2022-09-27 To master anything, we must first master ourselves: our emotions, thoughts and actions. This ancient virtue of self-control is more essential than ever. In this bestselling book, Ryan Holiday makes the case for this essential virtue, and shows how to cultivate willpower, self-respect and focus. From Marcus Aurelius to Toni Morrison, Queen Elizabeth II to Martin Luther King Jr, history's greats have all understood the power of directing your habits and setting your limits. History's cautionary tales prove the same point, from catastrophic military overreaches to career-destroying habits: without self-discipline, we are lost before we can even begin. Self-discipline is the key to our greatest ambitions and simplest joys: this book will show you how to find it, apply it and reap the rewards.

***Right Thing, Right Now*** Ryan Holiday, 2024-06-11 If we do what is right, everything else will follow: happiness, success, meaning, reputation, love. This is central to Stoic wisdom. The path isn't always easy, but it is essential, and the alternative - taking the easy route - leads only to cowardice and folly. In the third book in his bestselling *Stoic Virtues* series, Ryan Holiday explores the crucial role that integrity plays in every good life. From pillars of upright living like Ulysses S.

Grant and Marcus Aurelius, to the cautionary tales of Napoleon and F. Scott Fitzgerald, this book shows us the power of owning our convictions and acting in accordance with our beliefs - and the perils of an ill-formed conscience. Our conscience, our sense of justice, is our first and our last strength: we can train it, hone it and fortify it, but above all, we must never lose it. This book shows us how.

The Boy Who Would Be King Ryan Holiday,2021-02 It's one of the most incredible stories in all of history. A young boy, out of nowhere, is chosen to be the emperor of most of the known world. What he learned, what he did, who he was, would echo in eternity. In 138 AD, Hadrian, the emperor of Rome, chose Marcus Aurelius to succeed him. He knew no one was born ready for the job, so he arranged for the young boy's education. The greatest philosophers of the day were assigned to teach him, and all threw themselves at the almost inhuman task of preparing someone for absolute power. It's a parable for life, really. The gods, fate, someone chooses something for us, calls us to something. Will we answer? Will we step up? Will we achieve the greatness within us? Marcus Aurelius did. Absolute power not only didn't corrupt, it made him better. We marvel at him centuries later--this man who thought he would not be remembered, that posthumous fame was worthless--stands today more famous than ever. A hero to millions.--Dailystoic.com

**GOOD INSIDE** Becky Kennedy,2023-10-02 Selama beberapa tahun terakhir, Dr. Becky Kennedy—pakar pengasuhan anak yang sangat populer lewat akun @drbeckyatgoodinside—telah memicu revolusi pengasuhan anak. Jutaan orang tua, yang lelah mengikuti berbagai teori pengasuhan lama dan tetap gagal dilakukan, telah menerima pendekatan Dr. Becky yang memberdayakan dan efektif. Sebuah model yang memprioritaskan hubungan dengan anak dibanding terus menerus mengoreksi apa saja yang mereka lakukan. Cukup banyak pendekatan pengasuhan anak yang berpijak pada pembentukan perilaku, bukannya membesarkan manusia. Berfokus pada perilaku bermasalah, bukannya penyebabnya, justru membuat anak semakin menjauh dan orang tua kerap dihantui perasaan gagal. Dalam buku ini, kita akan belajar mengenai: Menciptakan hubungan yang hangat dan sehat antara orang tua dan anak Membangun kesadaran bahwa semua anak bermasalah pada dasarnya baik Berbagai ilustrasi konflik dan apa yang harus dikatakan kepada anak Mengembangkan ketrampilan hidup: kemampuan meregulasi emosi, memiliki kepercayaan penuh pada diri, dan tangguh saat diterpa masalah. Good Inside akan membantu orang tua beralih dari kebingungan dan perasaan “gagal menjadi orang tua” ke kepercayaan diri dan mampu memimpin keluarga dengan kokoh.

*Space for Grace* Jim Fielder,2021-05-06 You need 'Space for Grace' - when a hectic life is squeezing out all joy - or when exiting a high-control religion But how does Grace relate to: Sins - which cannot be overcome? Prayers - which have become mere empty clichés? Anxieties - which make daily life a joyless chore? Christians - who don't feel a personal relationship with Jesus? Efforts - when feeling like 'a nobody' on a big religious treadmill? Space for Grace presents scripture-a-day comments organised into twelve monthly themes. It also includes a daily 15-minute Bible reading program that thematically covers the

whole Bible in one year.

**Wise Thoughts for Every Day** Leo Tolstoy,2011-07-01 During the last years of his life, Leo Tolstoy kept one book invariably on his desk, read and reread it to his family, and recommended it to all his friends: a compendium of wise thoughts gathered over the course of a decade from his wide-ranging readings in philosophy and religion, and from his own spiritual meditations. It was banned under the Communists, and only one volume, *A Calendar of Wisdom*, drawn largely from the writings of other famous thinkers, has been published before in English. *Wise Thoughts For Every Day* is the volume comprising Tolstoy's own most essential ideas about spirituality and what it is to live a good life. Designed by Tolstoy to be a cycle of daily readings, this book offers thoughts and aphorisms for every day according to a succession of themes repeated each month—such as God, the soul, desire, our passions, humility, inequality, evil, truth, happiness, prayer, and the blessings of love. At once challenging, comforting, and inspiring, this is a spiritual treasure trove and a book of great human warmth.

**Raising Lions** Joe Newman,2021-09-28 The second edition of Joe Newman's acclaimed book *Raising Lions* is an essential guide for parents and teachers raising strong-willed, precocious children. It offers clear insights into what motivates the most challenging behaviors, and what kinds of responses turn these behaviors around. One of the best books on child-rearing I've ever read. Joe Newman describes a cultural shift that has reinforced anxiety and behavior disorders in children by negating parental authority. Even more important, he provides specific, non-punitive ways for parents to help their kids by taking back their authority. Filled with examples and experiences from the author's own life as a child with A.D.H.D., the book is a treasure-trove of useful information. Barry Michels, psychotherapist and New York Times bestselling author of *The Tools*. This book is packed with useful information. It is an insightful and practical guide for managing children. I would recommend it to any parent. L. Alan Sroufe, Professor Emeritus Ph.D. University of Minnesota Current childrearing techniques seek to develop children who are confident, self-assured, and unafraid to speak their minds-lions instead of lambs. Although largely positive, this shift has brought with it some very serious problems in our children's behavior. Without going back to an authoritarian model, Joe Newman has developed new ways of helping children develop the ability to self-regulate without undermining their confidence and individuality. *Raising Lions* challenges us to re-examine our interactions and relationships with children, re-think the root causes of behavior problems and find new ways to support healthy, happy development. For over 20 years Joe Newman has worked with children, parents, teachers, and administrators to help them understand and improve child behavior.

**A Calendar of Wisdom** Leo Tolstoy,2010-05-11 This collection of daily thoughts to nourish the soul from the world's sacred texts by Leo Tolstoy feature gems of inspiration and wisdom—author Thomas Keneally calls this book “transcendent, and that we are grateful he lived long enough to endow us with his grand inheritance.” This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years.

Widely read in pre-revolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, *A Calendar of Wisdom* is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.

**Each Kindness** Jacqueline Woodson,2012-10-23 WINNER OF A CORETTA SCOTT KING HONOR AND THE JANE ADDAMS PEACE AWARD! Each kindness makes the world a little better This unforgettable book is written and illustrated by the award-winning team that created *The Other Side* and the Caldecott Honor winner *Coming On Home Soon*. With its powerful anti-bullying message and striking art, it will resonate with readers long after they've put it down. Chloe and her friends won't play with the new girl, Maya. Every time Maya tries to join Chloe and her friends, they reject her. Eventually Maya stops coming to school. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the lost opportunity for friendship, and thinks about how much better it could have been if she'd shown a little kindness toward Maya.

Win Every Day Mark Miller,2020-03-10 The acclaimed leadership expert offers a proven, research-based method for creating workplaces where everyone performs at the highest level. All high-performance organizations have one thing in common: execution. The men and women who work there sustain performance at seemingly otherworldly levels of precision, accuracy, and consistency. In the fifth and final book of Mark Miller's High-Performance series, he uses his trademark business fable format to show how any organization can cultivate the kind of everyday habits that yield extraordinary results. Miller tells the story of Blake Brown, a CEO who learns essential business leadership lessons from a surprising source: his son's high school football coach. The story is fictional, but the principles and practices are very real, derived from years of research led by a team from Stanford University. Miller and his team interviewed leaders and employees from numerous world-class organizations, including the Navy SEALs, Starbucks, Apple, Southwest Airlines, the Seattle Seahawks, Mayo Clinic, Cirque du Soleil, and more. The lessons learned were then field-tested with over seventy businesses employing over seven thousand people. Miller gives you proven tools to release the untapped potential in your people, create a strong competitive advantage, and win not just on game day but every day.

**Raising Men** Eric Davis,Dina Santorelli,2016-05-03 After Eric Davis spent over 16 years in the military, including a decade in the SEAL Teams, his family was more than used to his absence on deployments and secret missions that could obscure his whereabouts for months at a time. Without a father figure in his own life since the age of fifteen, Eric was desperate to maintain the bonds he'd fought so hard to forge when his children were young—particularly with his son, Jason, because he knew how difficult it was to face the challenge of becoming a man on one's own. Unfortunately, Eric learned the hard way that Quality Time doesn't always show up in Quantity Time. Facebook, television, phones, video games, school,

jobs, friends—they all got in the way of a real, meaningful father-son relationship. It was time to take action. As a SEAL, Eric learned to innovate and push boundaries, allowing him to function at levels beyond what was expected, comfortable, ordinary, and even imaginable, and he knew that as a father he needed to do the same with his son. Meeting extreme with extreme was the only answer. Using a unique blend of discipline, leadership, adventure, and grace, Eric and his SEAL brothers will teach you how to connect, and reconnect, with your sons and learn how to raise real men—the Navy SEAL way.

**The Opposite of Spoiled** Ron Lieber, 2015-02-03 New York Times Bestseller “We all want to raise children with good values—children who are the opposite of spoiled—yet we often neglect to talk to our children about money. . . . From handling the tooth fairy, to tips on allowance, chores, charity, checking accounts, and part-time jobs, this engaging and important book is a must-read for parents.” — Gretchen Rubin, author of *The Happiness Project* In the spirit of Wendy Mogel’s *The Blessing of a Skinned Knee* and Po Bronson and Ashley Merryman’s *Nurture Shock*, New York Times “Your Money” columnist Ron Lieber delivers a taboo-shattering manifesto that explains how talking openly to children about money can help parents raise modest, patient, grounded young adults who are financially wise beyond their years For Ron Lieber, a personal finance columnist and father, good parenting means talking about money with our kids. Children are hyper-aware of money, and they have scores of questions about its nuances. But when parents shy away from the topic, they lose a tremendous opportunity—not just to model the basic financial behaviors that are increasingly important for young adults but also to imprint lessons about what the family truly values. Written in a warm, accessible voice, grounded in real-world experience and stories from families with a range of incomes, *The Opposite of Spoiled* is both a practical guidebook and a values-based philosophy. The foundation of the book is a detailed blueprint for the best ways to handle the basics: the tooth fairy, allowance, chores, charity, saving, birthdays, holidays, cell phones, checking accounts, clothing, cars, part-time jobs, and college tuition. It identifies a set of traits and virtues that embody the opposite of spoiled, and shares how to embrace the topic of money to help parents raise kids who are more generous and less materialistic. But *The Opposite of Spoiled* is also a promise to our kids that we will make them better with money than we are. It is for all of the parents who know that honest conversations about money with their curious children can help them become more patient and prudent, but who don’t know how and when to start.

*Parents Who Lead* Stewart D. Friedman, Alyssa F. Westring, 2020-03-10 How working parents can lead more purposeful lives, characterized by harmony, connection, and impact. Parents in today's fast-paced, disorienting world can easily lose track of who they are and what really matters most. But it doesn't have to be this way. As a parent, you can harness the powerful science of leadership in order to thrive in all aspects of your life. Drawing on the principles of his book *Total Leadership*--a bestseller and popular leadership development program used in organizations worldwide--and on their experience as researchers, educators, consultants, coaches, and parents, Stew Friedman and coauthor Alyssa Westring offer

a robust, proven method that will help you gain a greater sense of purpose and control. It includes tools illustrated with compelling examples from the lives of real working parents that show you how to: Design a future based on your core values Engage with your children in fresh, meaningful ways Cultivate a community of caregiving and support, in all parts of your life Experiment to discover better ways to live and work Powerful, practical, and indispensable, *Parents Who Lead* is the guide you need to forge a better future, foster meaningful and mutually rewarding relationships, and design sustainable solutions for creating a richer life for yourself, your children, and your world.
