It's Not Fair Melanie Dale, 2016-08-16 Hey, you. Are you debating whether to destroy something with your bare hands or curl up on the couch for a decade or two? This book will solve all of your problems. (Sheesh, that's aiming a bit high.) This book is a cup of hot coffee, a ginormous bar of chocolate, or the magical fairy that comes over and does your dishes while you lie in the fetal position clutching a fluffy pillow. Sometimes when life falls apart the only acceptable response is hysterical laughter. When things get so far gone, so spectacularly a world away from any plans you made or dreams you dreamed, you feel it bubbling up inside of you and you scream, It's not fair! And it isn't. Fair is an illusion, and life is weird. This book will help you laugh at life's absurd backhands. This book is an empathetic groan of our collective unfairnesses. You might want to throw it across the room, and you might want to hug it like your new best friend. This book is about us sitting down together in our shared mess, taking a deep breath, gripping hands, looking the hard stuff in its beady little eyeballs, and bahahahahaing at it. Life's not fair, but we can learn to love this life we didn't choose.

Make Your Bed Admiral William H. McRaven, 2017-04-04 Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons should be read by every leader in America (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the

graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. When Bad Things Happen to Good People Harold S Kushner, 2011-06-01 There is only one question which really matters: why do bad things happen to good people?' Out of a faith-shaking and senseless waste of a life comes this remarkable and caring book, which will help many. It has sensible and unorthodox and mind-opening things to say about God - and about ourselves. Its author has wisdom and no bitterness. We can learn from him, about acceptance and guilt and despair and the helplessness we all feel when 'none of it makes sense' when we say 'why them?' or worse 'why us?'. We owe him our thanks' David Kossoff 'Rabbi Kushner writes from a wealth of Jewish wisdom and pastoral devotion, but his theology is, I find, is wholly in keeping with contemporary Christian thought. So far as there is an answer to the conflict between the goodness of God and the bitterness of suffering, this is it' Gerald Priestland 'It will bring new meaning, strength and hope to many' Dame Cicely Saunders, DBE, FRCP

What Is Life Worth? Kenneth R. Feinberg, 2006-08-29 The inspiration for the Netflix film 'Worth,' starring Michael Keaton, Stanley Tucci, and Amy Ryan: the true story of the man put in charge of the 9/11 Victim Compensation Fund, and a testament to the enduring power of family, grief, love, fear, frustration, and courage. Just days after September 11, 2001, Kenneth Feinberg was appointed to administer the federal 9/11 Victim Compensation Fund, a unique, unprecedented fund established by Congress to compensate families who lost a loved one on 9/11 and survivors who were physically injured in the attacks. Those who participated in the Fund were required to waive their right to sue the airlines involved in the attacks, as well as other potentially responsible entities. When the program was launched, many families criticized it as a brazen, tight-fisted attempt to protect the airlines from lawsuits. The Fund was also attacked as attempting to put insulting dollar values on the lives of lost loved ones. The families were in pain. And they were angry. Over the course of the next three years, Feinberg spent almost all of his time meeting with the families, convincing them of the generosity and compassion of the program, and calculating appropriate awards for each and every claim. The Fund proved to be a dramatic success with over 97% of eligible families participating. It also provided important lessons for Feinberg, who became the filter, the arbitrator, and the target of family suffering. Feinberg learned about the enduring power of family grief, love, fear, faith, frustration, and courage. Most importantly, he learned that no check, no matter how large, could make the families and victims of 9/11 whole again.

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation

known as *Japanese Breakfast*, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Blinded as a teenager, Jennifer overcame daunting obstacles, found strength in God, and launched a successful speaking and writing ministry. Then in her 40s, everything changed. Jennifer hit a wall of depression and discontent that shook her to her core, undermining many of her past assumptions about her faith. She wondered who God was and why he continued to allow her to struggle and doubt. Where, she pleaded, is his hand of healing and hope in my life now? This is a book about finding more than just answers. It's for anyone who needs hope when life doesn't make sense--for all who reach for a God who feels distant. As Jennifer tackles the six big questions of faith, she will help you: Trust God more than your feelings. Strengthen your faith when you feel beat up by life. Embrace your obstacles and start experiencing their purpose. Face your disappointment and grow stronger from your loss.

At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. The Sun Does Shine Anthony Ray Hinton,Lara Love Hardin,2018-03-27 Oprah's Book Club Summer 2018 Selection The Instant New York Times Bestseller A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit. “An amazing and heartwarming story, it restores our faith in the inherent goodness of humanity.” —Archbishop Desmond Tutu In 1985, Anthony Ray Hinton was arrested and charged

with two counts of capital murder in Alabama. Stunned, confused, and only twenty-nine years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with no money and a different system of justice for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in agonizing silence—full of despair and anger toward all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon—transforming not only his own spirit, but those of his fellow inmates, fifty-four of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of *Just Mercy*, Bryan Stevenson, Hinton won his release in 2015. With a foreword by Stevenson, *The Sun Does Shine* is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton’s memoir tells his dramatic thirty-year journey and shows how you can take away a man’s freedom, but you can’t take away his imagination, humor, or joy.

Skinny Legs and All Tom Robbins, 2003-06-17 An Arab and a Jew open a restaurant together across the street from the United Nations.... It sounds like the beginning of an ethnic joke, but it's the axis around which spins this gutsy, fun-loving, and alarmingly provocative novel, in which a bean can philosophize, a dessert spoon mystifies, a young waitress takes on the New York art world, and a rowdy redneck welder discovers the lost god of Palestine--while the illusions that obscure humanity's view of the true universe fall away, one by one, like Salome's veils. *Skinny Legs and All* deals with today's most sensitive issues: race, politics, marriage, art, religion, money, and lust. It weaves lyrically through what some call the end days of our planet. Refusing to avert its gaze from the horrors of the apocalypse, it also refuses to let the alleged end of the world spoil its mood. And its mood is defiantly upbeat. In the gloriously inventive Tom Robbins style, here are characters, phrases, stories, and ideas that dance together on the page, wild and sexy, like Salome herself. Or was it Jezebel?

Get Off Your "But" Sean Stephenson, 2009-03-27 A psychotherapist and motivational speaker’s “powerful and practical” guide to overcoming negativity and self-sabotage—with a foreword by Anthony Robbins (*Publisher’s Weekly*). “This book will show you how to move beyond your limitations and begin to experience and share your gifts at the highest level. . . . Sean—a successful psychotherapist—shows what it takes to overcome the big bumps in the road, eliminate excuses, end insecurities, and ultimately stand up for happiness and success in life. As Sean explains, anyone can fall victim to the “Buts”: “But” Fears (BUT what if I fail . . .) “But” Insecurities (BUT I’m not good enough . . .) “But” Excuses (BUT there’s no time . . .) *Get Off Your “But”* offers a practical guide for

putting fear behind you and building the inner resources to become self-confident at work and at home. It's time to get off your "but" and start leading the life you dream.
