

A Franchise Owner Will Experience The Coattail Effect When

Erik J. Engstrom, Samuel Kernell

Party Ballots, Reform, and the Transformation of America's Electoral System Erik J. Engstrom, Samuel Kernell, 2014-10-27

This book explores the fascinating and puzzling world of nineteenth- and early twentieth-century American elections. It examines the strategic behavior of nineteenth-century party politicians and shows how their search for electoral victory led them to invent a number of remarkable campaign practices. Why were parties dedicated to massive voter mobilization? Why did presidential nominees wage front-porch campaigns? Why did officeholders across the country tie their electoral fortunes to the popularity of presidential candidates at the top of the ticket? Erik J. Engstrom and Samuel Kernell demonstrate that the defining features of nineteenth-century electoral politics were the product of institutions in the states that prescribed how votes were cast and how those votes were converted into political offices. Relying on a century's worth of original data, this book uncovers the forces propelling the nineteenth-century electoral system, its transformation at the end of the nineteenth century, and the implications of that transformation for modern American politics.

Forms of Business Ownership The Open The Open Courses Library, 2019-10-22

The Presidentialization of Political Parties Gianluca Passarelli, 2015-08-18 This book explains why the level of party presidentialization varies from one country to another. It considers the effects of constitutional structures as well as the party's original features, and argues that the degree of party presidentialization varies as a function of the party's genetics.

Policymaking in Latin America Pablo T. Spiller, Ernesto H. Stein, Mariano Tommasi, Carlos Scartascini, Marcus André

Melo, Bernardo Mueller, Carlos Pereira, Cristóbal Aninat, John Londregan, Patricio Navia, Joaquín Vial, Mauricio Cárdenas, Mónica Pachón, Andrés Mejía Acosta, María Caridad Araujo, Aníbal Pérez-Liñán, Sebastián Saiegh, Fabrice Lehoucq, Gabriel Negretto, Francisco Javier Aparicio, Benito Nacif, Allyson Lucinda Benton, José R. Molinas, Marcela Montero, Francisco Monaldi, Rosa Amelia González de Pacheco, Richard Obuchi, Michael Penfold, 2008-01-01 What determines the capacity of countries to design, approve and implement effective public policies? To address this question, this book builds on the results of case studies of political institutions, policymaking processes, and policy outcomes in eight Latin American countries. The result is a volume that benefits from both micro detail on the intricacies of policymaking in individual countries and a broad cross-country interdisciplinary analysis of policymaking processes in the region.

Social Relations in Our Southern States Daniel Robinson Hundley, William James Cooper, 1860

Berkshire Hathaway Letters to Shareholders Warren Buffett, Max Olson, 2022-09-09 Warren E. Buffett first took control of Berkshire Hathaway Inc., a small textile company, in April of 1965. A share changed hands for around \$18 at the time. Fifty letters to shareholders later, the same share traded for \$226,000, compounding investor capital at just under 21% per year—a multiplier of 12,556 times. This book compiles the full, un-edited versions of 50 years of Warren Buffett's letters to the shareholders of Berkshire Hathaway. In addition to providing an astounding case study on Berkshire's success, Buffett shows an incredible willingness to share his methods and act as a teacher to his many students. There are hundreds of books about Buffett's life, advice, and methods. These are his actual letters -- word for word -- a lesson plan of his views on business and investing. You can find most of the letters for free on Berkshire's website, but this compiles them into a well-designed, easily readable format. Features of the book: * 50 years of Warren Buffett's letters to the shareholders of Berkshire Hathaway (769 pages), including 1965-1976 letters not available on Berkshire's website * Tabulated letter years so you can easily flip to the desired letter * Topics index * Company index * Person index * Charts of: Growth in Berkshire's book value and market price relative to benchmarks, Insurance float and performance, the operating businesses of Berkshire.

Felix Holt George Eliot, 1866

The Encyclopedia of the United States Congress Donald C. Bacon, Roger H. Davidson, Morton Keller, 1995

The Voting Rights Act United States Commission on Civil Rights, 1981

Improving Public Opinion Surveys John H. Aldrich, Kathleen M. McGraw, 2012 The American National Election Studies (ANES) is the premier social science survey program devoted to voting and elections. Conducted during the presidential election years and midterm Congressional elections, the survey is based on interviews with voters and delves into why they make certain choices. In this edited volume, John Aldrich and Kathleen McGraw bring together a group of leading social scientists that developed and tested new measures that might be added to the ANES, with the ultimate goal of extending scholarly understanding of the causes and consequences of electoral outcomes. The contributors—leading experts from

several disciplines in the fields of polling, public opinion, survey methodology, and elections and voting behavior--illuminate some of the most important questions and results from the ANES 2006 pilot study. They look at such varied topics as self-monitoring in the expression of political attitudes, personal values and political orientations, alternate measures of political trust, perceptions of similarity and disagreement in partisan groups, measuring ambivalence about government, gender preferences in politics, and the political issues of abortion, crime, and taxes. Testing new ideas in the study of politics and the political psychology of voting choices and turnout, this collection is an invaluable resource for all students and scholars working to understand the American electorate.

Middle Class Culture in the Nineteenth Century L. Young, 2002-12-19 Drawing on expressive and material culture, Young shows that money was not enough to make the genteel middle class. It required exquisite self-control and the right cultural capital to perform ritual etiquette and present oneself confidently, yet modestly. She argues that genteel culture was not merely derivative, but a re-working of aristocratic standards in the context of the middle class necessity to work. Visible throughout the English-speaking world in the 1780s -1830s and onward, genteel culture reveals continuities often obscured by studies based entirely on national frameworks.

Guide to the Presidency SET Michael Nelson, 2007-07-02 Guide to the Presidency is the leading reference source on the persons who have occupied the White House and on the institution of the presidency itself. Readers turn to this guide for its vast array of factual information about the institution and the presidents, as well as for its analytical chapters that explain the structure and operations of the office and the president's relationship to co-equal branches of government, Congress and the Supreme Court. This new edition is updated to include: A new chapter on presidential power Coverage of the expansion of presidential power under President George W. Bush

Detroit: I Do Mind Dying Marvin Surkin, Dan Georgakas, 2022-02-17 *Detroit: I Do Mind Dying* tracks the extraordinary development of the Dodge Revolutionary Union Movement and the League of Revolutionary Black Workers as they became two of the landmark political organizations of the 1960s and 1970s. It is widely heralded as one of the most important books on the black liberation movement. Marvin Surkin received his PhD in political science from New York University and is a specialist in comparative urban politics and social change. He worked at the center of the League of Revolutionary Black Workers in Detroit. Dan Georgakas is a writer, historian, and activist with a long-time interest in social movements. He is the author of *My Detroit*, *Growing up Greek* and *American in Motor City*.

deserves as a classic of world literature.

Small Bronze Sculpture from the Ancient World ,1990 Historical and technical considerations in provenancing and collecting Greek, Etruscan, and Roman bronzes.

The Goodriches Dane Starbuck,2001 When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in *The Goodriches: An American Family*, now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. *The Goodriches: An American Family* begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, "the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a biography of two accomplished men. In his foreword to *The Goodriches: An American Family*, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, *The Indiana Goodriches* are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is missing from the millennial setting in which we find ourselves. We have lost the 'idea of America, ' both as a motivation for action and as a source of emotional self-confidence. We have lost that which the Goodriches possessed. What did the Goodrich family possess which made them so unique? A belief in the power of knowledge, the importance of education, and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . . According to author Dane Starbuck, Education was a large part of the Goodriches' work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family's ethical and practical life. In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was founded need to be constantly kept before the public.

The Essential Cult TV Reader David Lavery,2021-09-15 *The Essential Cult TV Reader* is a collection of insightful essays that examine television shows that amass engaged, active fan bases by employing an imaginative approach to programming. Once defined by limited viewership, cult TV has developed its own identity, with some shows gaining large, mainstream

audiences. By exploring the defining characteristics of cult TV, *The Essential Cult TV Reader* traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television. The essays explore a wide range of cult programs, from early shows such as *Star Trek*, *The Avengers*, *Dark Shadows*, and *The Twilight Zone* to popular contemporary shows such as *Lost*, *Dexter*, and *24*, addressing the cultural context that allowed the development of the phenomenon. The contributors investigate the obligations of cult series to their fans, the relationship of camp and cult, the effects of DVD releases and the Internet, and the globalization of cult TV. *The Essential Cult TV Reader* answers many of the questions surrounding the form while revealing emerging debates on its future.

Black and White Timothy Thomas Fortune, 1884 In discussing the political and industrial problems of the South, I base my conclusions upon a personal knowledge of the condition of classes in the South, as well as upon the ample data furnished by writers who have pursued, in their way, the question before me. That the colored people of the country will yet achieve an honorable status in the national industries of thought and activity, I believe, and try to make plain. In discussion of the land and labor problem I but pursue the theories advocated by more able and experienced men, in the attempt to show that the laboring classes of any country pay all the taxes, in the last analysis, and that they are systematically victimized by legislators, corporations and syndicates.

Asper Nation Marc Edge, 2007 The second generation of Aspers that now runs Canada's largest news media company is much like the first. Israel Izzy Asper's three children often appear in today's headlines. David is bidding to buy the Winnipeg Blue Bombers football team. Gail heads fundraising efforts for the new Canadian Museum of Human Rights. Leonard sits in his father's place as head of CanWest Global Communications. Like its founder, they also use their media empire to influence public opinion. *Asper Nation* explains why Canadians should be concerned about where the country's first family of news media is coming from, politically. Izzy Asper was an oddity as a Liberal politician in the 1970s. Fiscally, he was to the right of most Conservatives. As a nationally syndicated newspaper columnist, he called for a flat tax and workfare. As a best-selling author, he helped thwart a plan to shift Canada's tax burden from the middle class onto corporations. But when Asper took his policies to Manitobans as Liberal leader in 1973, he was soundly defeated. Asper got into the television business instead and built Canada's third network. Asper made CanWest the country's most profitable broadcaster by feasting on regulations that encouraged the importation of cheap American programming. He took his formula to the world in the 1990s, buying television networks in New Zealand, Australia, and Ireland. Then in 2000, Asper pioneered media convergence, buying Canada's largest newspaper chain from Conrad Black. Southam dailies were soon ordered to run national editorials written at CanWest Global headquarters in Winnipeg. This corporate news control brought protest from journalists and two government inquiries. Neither resulted in long-sought limits on media ownership, however. Marc Edge offers a compelling account of the political perils involved in allowing the Asper family to dominate Canadian media.

Man's Rights; or, How would you like it? Comprising dreams Annie Denton Cridge,1871

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through A Franchise Owner Will Experience The Coattail Effect When

In some sort of inundated with displays and the cacophony of instant interaction, the profound energy and mental resonance of verbal art usually diminish into obscurity, eclipsed by the regular onslaught of noise and distractions.
