

Black On Black On Our Resilience And Brilliance In America

Omobolade Delano-Oriaran, Marguerite W. Penick, Shemariah J. Arki, Ali Michael, Orinthia Swindell, Eddie Moore Jr.

Black on Black Daniel Black, 2023-01-31 *A Zibby's Most Anticipated Book of 2023* *A Next Big Idea Club Must-Read Book for January* *An Essence Books by Black Authors to Read This Winter Pick* *An Ebony Entertainment Required Reading Book for January* *A Lambda Literary Most Anticipated LGBTQIA+ Literature for January* *A Southern Review of Books Best Book of January* A piercing collection of essays on racial tension in America and the ongoing fight for visibility, change, and lasting hope "There are stories that must be told." Acclaimed novelist and scholar Daniel Black has spent a career writing into the unspoken, fleshing out, through storytelling, pain that can't be described. Now, in his debut essay collection, Black gives voice to the experiences of those who often find themselves on the margins. Tackling topics ranging from police brutality to the AIDS crisis to the role of HBCUs to queer representation in the black church, Black on Black celebrates the resilience, fortitude, and survival of black people in a land where their body is always on display. As Daniel Black reminds us, while hope may be slow in coming, it always arrives, and when it does, it delivers beyond the imagination. Propulsive, intimate, and achingly relevant, Black on Black is cultural criticism at its openhearted best.

The Coming Daniel Black, 2015-10-06 *The Coming* is powerful. And beautiful...This is a work to be proud of.--Charles Johnson, National Book Award winner for *Middle Passage* Lyrical, poetic, and hypnotizing, *The Coming* tells the story of a people's capture and sojourn from their homeland across the Middle Passage--a traumatic trip that exposed the strength and resolve of the African spirit. Extreme conditions produce extraordinary insight, and only after being stripped of everything do they discover the unspeakable beauty they once took for granted. This powerful, haunting novel will shake readers to their very souls. Part homage to the proud and diverse cultures of Africa, part nightmare of the people stolen from those lands, *The Coming* seduces us with poetry, then breaks our hearts, but ultimately inspires us to celebrate the indomitable soul of humanity. —George Weinstein, author of *Hardscrabble Road*

Don't Cry for Me Daniel Black, 2022-02-01 NAMED A MOST ANTICIPATED BOOK IN ESSENCE MAGAZINE, THE

MILLIONS AND BOOKISH Don't Cry for Me is a perfect song.—Jesmyn Ward A Black father makes amends with his gay son through letters written on his deathbed in this wise and penetrating novel of empathy and forgiveness, for fans of Ta-Nehisi Coates, Robert Jones Jr. and Alice Walker As Jacob lies dying, he begins to write a letter to his only son, Isaac. They have not met or spoken in many years, and there are things that Isaac must know. Stories about his ancestral legacy in rural Arkansas that extend back to slavery. Secrets from Jacob's tumultuous relationship with Isaac's mother and the shame he carries from the dissolution of their family. Tragedies that informed Jacob's role as a father and his reaction to Isaac's being gay. But most of all, Jacob must share with Isaac the unspoken truths that reside in his heart. He must give voice to the trauma that Isaac has inherited. And he must create a space for the two to find peace. With piercing insight and profound empathy, acclaimed author Daniel Black illuminates the lived experiences of Black fathers and queer sons, offering an authentic and ultimately hopeful portrait of reckoning and reconciliation. Spare as it is sweeping, poetic as it is compulsively readable, Don't Cry for Me is a monumental novel about one family grappling with love's hard edges and the unexpected places where hope and healing take flight.

They Tell Me of a Home Daniel Omotosho Black, Daniel Black, 2005-10 Twenty-eight-year-old protagonist Tommy Lee Tyson steps off the Greyhound bus in his hometown of Swamp Creek, Arkansas--a place he left when he was eighteen, vowing never to return. Yet fate and a Ph.D. in black studies force him back to his rural origins as he seeks to understand himself and the black community that produced him. A cold, nonchalant father and an emotionally indifferent mother make his return, after a ten-year hiatus, practically unbearable, and the discovery of his baby sister's death and her burial in the backyard almost consumes him. His mother watches his agony when he discovers his sister's tombstone, but neither she nor other family members is willing to disclose the secret of her death. Only after being prodded incessantly does his older brother, Willie James, relent and provide Tommy Lee with enough knowledge to figure out exactly what happened and why. Meanwhile, Tommy's seventy-year-old teacher--lying on her deathbed--asks him to remain in Swamp Creek and assume her position as the headmaster of the one-room schoolhouse. He refuses vehemently and she dies having bequeathed him her five thousand-book collection in the hopes that he will change his mind. Over the course of a one-week visit, riddled with tension, heartache, and revelation, Tommy Lee Tyson discovers truths about his family, his community, and his undeniable connection to rural Southern black folk and their ways.

Stop Being Niggardly Karen Hunter, 2010-04-27 nig·gard·ly (adj.) [nig´erd-le] 1. stingy, miserly; not generous 2. begrudging about spending or granting 3. provided in a meanly limited supply If you don't know the definition of the word, you might assume it to be a derogatory insult, a racial slur. You might be personally offended and deeply outraged. You might write an angry editorial or organize a march. You might even find yourself making national headlines In other words, you'd better know what the word means before you pour your energy into overreacting to it. That's the jumping-off point for this

powerful directive from Pulitzer Prize-winning journalist and bestselling author Karen Hunter. It's time for the black community to stop marching, quit complaining, roll up their collective sleeves, channel their anger constructively, and start fixing their own problems, she boldly asserts. And while her straight-talking, often politically incorrect narrative is electrifyingly fresh and utterly relevant to today's hot-button issues surrounding race, Hunter harks back to the wisdom of a respected elder—Nannie Helen Burroughs, who was ahead of her time penning *Twelve Things the Negro Must Do for Himself* more than a century ago. Burroughs's guidelines for successful living—from making education, employment, and home ownership one's priorities to dressing appropriately to practicing faith in everyday life—teach empowerment through self-responsibility, disallowing excuses for one's standing in life but rather galvanizing blacks to look to themselves for strength, motivation, support, and encouragement. From our urban communities to small-town America, the issues Hunter is bold enough to tackle in *Stop Being Niggardly* affect us all. Refreshingly candid and challenging, certain to get people everywhere talking, this is the book that takes on race in a new—yet also historically revered and simply stated—way that can change lives, both personally and collectively.

Perfect Peace Daniel Black, 2010-03-16 As seen on TikTok, Daniel Black's *Perfect Peace* is the heartbreaking portrait of a large, rural southern family's attempt to grapple with their mother's desperate decision to make her newborn son into the daughter she will never have—"a complex, imaginative story of one unforgettable black family in mid-twentieth century Arkansas" (*Atlanta Magazine*). When the seventh child of the Peace family, named Perfect, turns eight, her mother Emma Jean tells her bewildered daughter, "You was born a boy. I made you a girl. But that ain't what you was supposed to be. So, from now on, you gon' be a boy. It'll be a little strange at first, but you'll get used to it, and this'll be over after while." From this point forward, Perfect's life becomes a bizarre kaleidoscope of events—while the rest of his family is forced to question everything they thought they knew about gender, sexuality, unconditional love, and fulfillment. "A morality tale of the consequences of letting our selfish needs trap the ones we love into roles they weren't born to play. The characters here are as flawed, their sins numerous, as any living human being held under the lens, but the author brings a compassion and understanding to their plights."—Mat Johnson, award-winning author of *Invisible Things* "Part cautionary tale, part folk tale, part fable, Daniel Black's *Perfect Peace* is a complete triumph...In *Emma Jean Peace*, Dr. Black has created a character as complex, equivocal and unforgettable as *Scarlett O'Hara*."—Larry Duplechan, Lambda Literary Award-winning author of *Got 'Til It's Gone*

The Sacred Place Daniel Black, 2008-07-22 In the summer of 1955, fourteen-year-old Clement enters a general store in Money, Mississippi to purchase a soda. Unaware of the consequences of flouting the rules governing black-white relations in the South, this Chicago native defies tradition, by laying a dime on the counter and turns to depart. Miss Cuthbert, the store attendant, demands that he place the money in her hand, but he refuses, declaring, *I ain't no slave!* and exits with a sense of

entitlement unknown to black people at the time. His behavior results in his brutal murder. This event sparks a war in Money, forcing the black community to galvanize its strength in pursuit of equality.

Blacks in East Texas History Bruce A. Glasrud, Archie P. McDonald, 2008 Founded in 1962, the East Texas Historical Journal began accepting articles on African American history at a time when most scholarly journals considered the topic out of the mainstream, at best. Since that beginning, the journal has published some forty articles in the field. Now, Bruce A. Glasrud and Archie P. McDonald have gathered a collection of some of the best articles on black history from the East Texas Historical Journal; their samplings span the nineteenth and twentieth centuries and cover the principal themes and topics of African American history in the eastern portion of the Lone Star State. The book concludes with a listing of all articles on African American history from the East Texas Historical Journal. *Blacks in East Texas History* will enlighten and inform students and scholars of regional and African American history, as well as those interested in the trials and progress of African Americans in the American South and Southwest.

Listen to the Lambs Daniel Black, 2016-02-16 In *Listen to the Lambs* by Daniel Black, nothing can convince Lazarus Love III to return to the lifestyle of affluence and social status he once knew. Longing for a freedom of the soul that the world of capitalism cannot provide, Lazarus leaves all that he knows--including his wife and children--to achieve the ultimate level of peace and silence living as a homeless man. When his quest causes him to cross paths with four other wanderers, all of whom later call themselves the family, a shocking, brutal act leaves Lazarus in a dire position and his newfound family must struggle to save him. By doing so, both families--past and present--are redeemed and consequently learn the beauty of sacrificial love.

Help Me to Find My People Heather Andrea Williams, 2012-06-01 After the Civil War, African Americans placed poignant information wanted advertisements in newspapers, searching for missing family members. Inspired by the power of these ads, Heather Andrea Williams uses slave narratives, letters, interviews, public records, and diaries to guide readers back to devastating moments of family separation during slavery when people were sold away from parents, siblings, spouses, and children. Williams explores the heartbreaking stories of separation and the long, usually unsuccessful journeys toward reunification. Examining the interior lives of the enslaved and freedpeople as they tried to come to terms with great loss, Williams grounds their grief, fear, anger, longing, frustration, and hope in the history of American slavery and the domestic slave trade. Williams follows those who were separated, chronicles their searches, and documents the rare experience of reunion. She also explores the sympathy, indifference, hostility, or empathy expressed by whites about sundered black families. Williams shows how searches for family members in the post-Civil War era continue to reverberate in African American culture in the ongoing search for family history and connection across generations.

Teaching Beautiful Brilliant Black Girls Omobolade Delano-Oriaran, Marguerite W. Penick, Shemariah J. Arki, Ali

Michael,Orinthia Swindell,Eddie Moore Jr.,2021-03-27 Be a part of the radical transformation to honor and respect Beautiful Brilliant Black Girls! A Little Devil in America Hanif Abdurraqib,2021-03-30 NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending “masterpiece” (Minneapolis Star Tribune) exploring Black art, music, and culture in all their glory and complexity—from Soul Train, Aretha Franklin, and James Brown to The Fresh Prince of Bel-Air, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The Philadelphia Inquirer, The Dallas Morning News, Publishers Weekly “Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance.”—Brit Bennett, #1 New York Times bestselling author of The Vanishing Half “I was a devil in other countries, and I was a little devil in America, too.” Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur “Genius Grant” Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each moment in every performance he examines—whether it’s the twenty-seven seconds in “Gimme Shelter” in which Merry Clayton wails the words “rape, murder,” a schoolyard fistfight, a dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib’s own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled with sharp insight, humor, and heart, A Little Devil in America exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio. WINNER OF THE ANDREW CARNEGIE MEDAL AND THE GORDON BURN PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD AND THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, The Boston Globe, NPR, Rolling Stone, Esquire, BuzzFeed, Thrillist, She Reads, BookRiot, BookPage, Electric Lit, The Rumpus, LitHub, Library Journal, Booklist

Twelve Gates to the City Daniel Black,2011-12-06 A novel of self-discovery, family bonds and the healing of one small southern town Twelve Gates to the City is the much-anticipated sequel to Black's acclaimed debut, They Tell Me of a Home. In this novel, Sister assumes the voice of the narrator, speaking from the spirit realm, telling her brother TL things he could have never known about their family. She constructs the story as a series of spiritual revelations, exposing to readers both who she was in the years of TL's absence and how every event in his life was an orchestration for his return. TL in the meantime is back in Swamp Creek, to stay this time, but he's still haunted by his sister's death. His decision to become the Schoolmaster is the only thing he's sure about, and his impact upon the students becomes palpable. But he still doesn't know what happened to Sister. As he searches for ultimate truth, he discovers the secrets and beauty of Swamp Creek. Twelve Gates to the City is a novel about spiritual revelation, and communal healing, ushered in by one who finally realizes that his gifts were bestowed upon him, not for his own glory, but for the transformation of his people.

Atlanta Noir (Akashic Noir) Tayari Jones,2017-07-25 Georgia Center for the Book has chosen Atlanta Noir as one of 2018's Books All Georgians Should Read! Kenji Jasper's A Moment of Clarity at the Waffle House nominated for a 2018 Edgar Award for Best Short Story! Atlanta has its share, maybe more than its share, of prosperity. But wealth is no safeguard against peril...Creepy as well as dark, grim in outlook...Hints of the supernatural may make these tales...appealing to lovers of ghost stories. --Kirkus Reviews These stories, most of them by relative unknowns, offer plenty of human interest...All the tales have a Southern feel. --Publishers Weekly Jones, author of Leaving Atlanta, returns to the South via Akashic's ever-growing city anthology series. The collection features stories from an impressive roster of talent including Jim Grimsley, Sheri Joseph, Gillian Royes, Anthony Grooms and David James Poissant. The 14 selections each take place in different Atlanta neighborhood. --Atlanta-Journal Constitution Now comes Atlanta Noir, an anthology that masterfully blends a chorus of voices, both familiar and new, from every corner of Atlanta...The magic of Atlanta Noir is readily apparent, starting with the introduction Jones pens. It doesn't rest solely upon the breadth of writers but on how their words, stories and references are so Atlanta--so very particular, so very familiar and so very readily, for those who know the city, nostalgic. And for those who don't? The sense of place it captures inspires a desire to get to know Atlanta and its stories. --ArtsATL Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct neighborhood or location within the respective city. This much-anticipated and long-overdue installment in Akashic's Noir Series reveals many sides of Atlanta known only to its residents. Brand-new stories by: Tananarive Due, Kenji Jasper, Tayari Jones, Dallas Hudgens, Jim Grimsley, Brandon Massey, Jennifer Harlow, Sheri Joseph, Alesia Parker, Gillian Royes, Anthony Grooms, John Holman, Daniel Black, and David James Poissant. From the introduction by Tayari Jones: Atlanta itself is a crime scene. After all, Georgia was founded as a de facto penal colony and in 1864, Sherman burned the city to the ground. We might argue about whether the arson was the crime or the response to the crime,

but this is indisputable: Atlanta is a city sewn from the ashes and everything that grows here is at once fertilized and corrupted by the past... These stories do not necessarily conform to the traditional expectations of noir...However, they all share the quality of exposing the rot underneath the scent of magnolia and pine. Noir, in my opinion, is more a question of tone than content. The moral universe of the story is as significant as the physical space. Noir is a realm where the good guys seldom win; perhaps they hardly exist at all. Few bad deeds go unrewarded, and good intentions are not the road to hell, but are hell itself...Welcome to Atlanta Noir. Come sit on the veranda, or the terrace of a high-rise condo. Pour yourself a glass of sweet tea, and fortify it with a slug of bourbon. Put your feet up. Enjoy these stories, and watch your back.

[A Rumor of Black Lutherans](#) James R. Thomas,2024-05-28 The history of Lutheran engagement in the Black context in the United States is regrettably thin. The book helps Lutherans in the US and other students of American history to assemble a complete account of the role of early American Lutherans in higher education among African Americans. The book does so by tracing the stories of ten remarkable African Americans from their encounters with Lutherans through to the powerful and impactful lives of ministry and service they went on to lead. Diverse in place, time, and work, these ten mini biographies paint a richly unified portrait of the ways Lutherans have supported African Americans in higher educational pursuits.

The Complete Idiot's Guide to African American History Melba J. Duncan,2003-01-28 Although the first black slaves arrived in Jamestown, Virginia in 1619, our knowledge of African American history is often limited to lessons in films. The Complete Idiot's Guide® to African American History reveals a full portrait of black life, including familiar figures such as Harriet Tubman, W.E.B. DuBois, and Martin Luther King, Jr.

[Breathe](#) Imani Perry,2019-09-17 2020 Chautauqua Prize Finalist 2020 NAACP Image Award Nominee - Outstanding Literary Work (Nonfiction) Best-of Lists: Best Nonfiction Books of 2019 (Kirkus Reviews) · 25 Can't-Miss Books of 2019 (The Undeclared) Explores the terror, grace, and beauty of coming of age as a Black person in contemporary America and what it means to parent our children in a persistently unjust world. Emotionally raw and deeply reflective, Imani Perry issues an unflinching challenge to society to see Black children as deserving of humanity. She admits fear and frustration for her African American sons in a society that is increasingly racist and at times seems irredeemable. However, as a mother, feminist, writer, and intellectual, Perry offers an unfettered expression of love—finding beauty and possibility in life—and she exhorts her children and their peers to find the courage to chart their own paths and find steady footing and inspiration in Black tradition. Perry draws upon the ideas of figures such as James Baldwin, W. E. B. DuBois, Emily Dickinson, Toni Morrison, Ralph Waldo Emerson, and Ida B. Wells. She shares vulnerabilities and insight from her own life and from encounters in places as varied as the West Side of Chicago; Birmingham, Alabama; and New England prep schools. With original art for the cover by Ekua Holmes, Breathe offers a broader meditation on race, gender, and the meaning of a life well lived and is also an unforgettable lesson in Black resistance and resilience.

Borrowing While Black Tisa Silver Canady,2020-06

The Debt Randall Robinson,2001-01-01 Both an unflinching indictment of past wrongs and an impassioned call to America to educate its citizens about the history of Africa and its people, *The Debt* says in no uncertain terms what white America owes blacks—and what blacks owe themselves. In this powerful and controversial book, distinguished African-American political leader and thinker Randall Robinson argues for the restoration of the rich history that slavery and segregation severed. Drawing from research and personal experience, he shows that only by reclaiming their lost past and proud heritage can blacks lay the foundation for their future. And white Americans can begin making reparations for slavery and the century of racial discrimination that followed with monetary restitution, educational programs, and the kinds of equal opportunities that will ensure the social and economic success of all citizens. “Engaging...Robinson continues an important conversation...His anecdotes support his attempts to reclaim African American heritage and empower African Americans.”—The Washington Post

Four Hundred Souls Ibram X. Kendi,Keisha N. Blain,2021-02-04 *THE #1 NEW YORK TIMES BESTSELLER* *Four Hundred Souls* is an epoch-defining history of African America, the first to appear in a generation, told by ninety leading Black voices -- co-curated by Ibram X. Kendi, author of the million-copy bestseller *How To Be an Antiracist*, and Keisha N. Blain, author of *Set the World on Fire*. In chronological chapters, each by a different author and spanning five years, the book charts the four-hundred-year journey of African Americans to the present - a journey defined by inhuman oppression, visionary struggles and stunning achievements. Contributors include some of today's leading writers, historians, journalists, lawyers, poets and activists. Together - through essays and short stories, personal vignettes and fiery polemics - they redefine America and the way its history can be told. 'A vital addition to the curriculum on race in America... Compelling' Washington Post 'A resounding history...that challenges the myths of America's past... Fresh and engaging' Colin Grant, Guardian
