**Twin Flames** Shaleia Divine, Jeff Divine, 2018-08-03 Your Twin Flame was designed for you as your Ultimate Lover, perfect partner, friend, and everything you desire. You know them by the feeling you have in your heart. You may have already met, or just know deep down they exist, somewhere. **Igniting the Flame Within** Mya Soul, 2021-06-24 If you are reading this right now you have been guided here by a higher power for a reason. Nothing in life is a coincidence. Now I must warn you, this is a love story told like no other. This is not just a love story to finding your soulmate or twin flame, but the path back to finding yourself and the love within. The truth is, if you can't love yourself, who can love you in the way that you deserve to be loved? This is my personal diary as to how my entire life changed with a thirty-second hug. Yes, a hug that triggered a kundalini spiritual awakening. As I hugged this person who I had not seen in over twenty years, I felt this fireball of energy ignite within my root chakra, and within seconds that fireball of energy shot out the top of my head like a firework. I felt a burning feeling through my entire body. As he walked away to get in the truck to go home, I thought, Why are you leaving me here? Take me home with you. I love you.

Weird thought to have, considering I was married and had been with the same person for fourteen years at that time. As this person I hugged drove out of sight, I felt as if my heart had been thrown out of my chest and stabbed to death. I went back inside my house. Nothing seemed right anymore. I became very sick and tired. I felt like a completely different person. The rose-coloured glasses came off and I saw my life for what it really was. This was the beginning of my journey into the dark night of the soul. Throughout this book I explain exactly what happened to me. Everything from the kundalini spiritual awakening, spirit, chakras, telepathic communication, different soul connections, dream-sharing, astral travel, past-life regression, different types of therapy, reprocessing trauma on a soul level, healing inner-child wounds, manifestation, how to control spiritual gifts, leaving an abuse cycle and so much more. If you are currently looking outside yourself for your soulmate or twin flame, I encourage you to read my book. If you have already found your twin flame, I hope my story can help you on your journey. If you are seeking guidance for any spiritual awakening or looking to enhance your spiritual gifts, I have tips throughout the book as to what I did to embrace my gift instead of fear it. My story may sound crazy, and to be honest when I read it I can't believe all of this stuff is actually happening to me. I admit it can be unbelievable at times, as these things can be scary. I assure you this is all 100% true-this is real, this is me. This is my story . . .

**Twin Flames Revelation** Zeyven Alexander Blackwell,2013-07 Twin Flames and numerous advanced souls are presently re-uniting across the planet to complete their mission at this critical juncture in Earth's ascension. Humanity has long been trapped by the forces of darkness that have brought about much suffering and despair. Today the world stands poised to emerge from the spiritual wilderness as increasing numbers of souls awaken to their true purpose; to reconnect to their spiritual origins and serve their fellow brothers and sisters. If they are successful, they will transition to a higher dimension. Alas, unseen forces are working hard to stop humanities ascension and it will take the combined efforts of Twin Flames, Star Seeds and other advanced souls to bring the balance of power back into humanities favor. The time is fast approaching when the presently unfolding worldwide events will reach their prophesized conclusion. Will the souls of humanity be ready for a fifth dimensional existence or will they be required to experience further three-dimensional lessons? Worst still, might they be coerced into another dimension altogether, further delaying their return to their true home? This is the sixth time that humanity has attempted to ascend from this planet and it has required a substantial degree of interplanetary and spiritual assistance just to get this far. These souls have come to live the path of unconditional love knowing that there are no barriers that true love cannot overcome. Remarkably and despite high levels of intervention the final result still appears to hang in the balance. This book details the journey of one such advanced soul, his twin flame, his soul mates and their journey prior to and after answering the call to help liberate humanity. It details the relationship between other planetary races, especially those from the Sirius, Orion and Alpha Draconis star systems and Earth based humans. This work is not only an action-based adventure but also a love story; following the powerful bond of love that

**You Only Fall in Love Three Times** Kate Rose,2020-01-14 Discover the three types of love--and the key to finding the one you're truly meant to be with. We love and we love again -- sometimes our hearts get broken but, somehow, we find the courage to dive back in. In this soul-searching book, relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are, what they want, and finally, to the discovery of their Twin Flame. According to Rose, love is a journey of self-discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy. She introduces readers to the three types of love we will all experience: The Soulmate introduces us to the dream of love, but somehow what seemed like it would be happily ever after wasn't meant to

last forever. We are so consumed with making The Karmic Love work that we often fail to question whether it should work. As painful as it is to accept, this love that felt so right in the beginning is actually all wrong. The Twin Flame comes into our lives and often we don't even know it's love because . . . it's too easy. This is the love who helps us to accept ourselves just as we are because this is precisely what they do. In *You Only Fall in Love Three Times*, Kate Rose shows us that happy endings may not happen quite the way they do in fairytales-- but they happen nonetheless.

The Eden Project James Hollis, 1998 James Hollis examines society's fixed views and fantasies in regards to relationships. This text is not a practical guide on how to fix a relationship, but rather a challenge to greater personal responsibility, a call for individual growth as opposed to seeking rescue through others.

Twin Flames Exposed Elle Hari, 2017-03-28 *Welcome to the TRUTH... Your soul led you here. Your soul is orchestrating everything, and it wants nothing more than for you to be with your twin flame.* Unfortunately, most of what you think you know about twin flames isn't true...and believing it is actually keeping you and your twin flame apart. In her debut book, *TWIN FLAMES EXPOSED*, author and twin flame facilitator, Elle Hari, reveals the most common myths and misinformation that are constantly being spewed by so-called experts regarding twin flames, and how these untruths are actually keeping you and your twin flame physically apart or stuck in the frustrating push/pull relating dynamic. The first book in a series, it also acts as a prelude to - and essential first step along - the process of magnetizing your twin flame (back) into your physical life for good. Forget about stages, clearing karma, healing or any of that other nonsense. You can be with your twin flame when YOU'RE ready to do so...even if you've NEVER met your twin flame, aren't sure if you've met your twin flame, aren't on speaking terms with your twin flame or your twin flame is seeing someone else. As you resonate with what's contained in this book, you'll release your limiting beliefs and open the door to the process of aligning with your self and your twin flame. YOU are in charge of being with your twin flame, and there's only one way to do that...through the soul. You will finally understand why there's so much confusion and turmoil regarding twin flames, and how to begin the process of relating with your twin flame in the way you truly desire. Although this book is written in a refreshing, straight up, down-to-earth and less woo-woo style than most books in this genre, make no mistake...this book holds the key to opening the ONLY door that could

make a stable physical relationship with your twin flame possible in this lifetime.

**Twin Flame Soul Connections** Kevin Hunter,2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two, until two become one again, separate and whole, and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God, because to know love is to know God. When one thinks of a Soul Mate or Twin Flame, they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames, and how to identify if you've come into contact with your Twin Flame, or if you know someone who has. The ultimate goal is not to find ones Twin Flame, but to awaken ones heart to love, and to work on becoming complete and whole as an individual soul through spiritual self-mastery, life lessons, growth, and raising your consciousness. Your soul's life was born out of love and will die right back into that love. Chapter Topics Include: Karmic Soul Connections, Soul Mate Soul Connections, The Twin Flame Craze, The Birth of Twin Flames, Masculine, Feminine, Yin, and Yang, The Light and Dark, Higher and Lower Energies, Twin Flames: The Romantic and Non-Romantic, Twin Flames: Age and Location, Twin Flames: Example Couples, Twin Flames: Genders, Gay, Straight, Homosexual, Heterosexual, Twin Flames: Runner, Chaser, Push and Pull, Twin Flames: Mirrors, Goals, Missions and Purposes, Technology Strengths and Challenges, Twin Flames: Coming Together, Is This Person My Twin Flame?, Twin Flames: Spiritual Growth, Twin Flames: Recapping the Truths and Myths of Twin Flames, The Twin Flame Summary Cheat Sheet.

The Twin Flame Handbook: Josephine Smoke, 2019-03 Like the first book, Part II interweaves the author's personal journey with research. The story picks up where her journey left off, and continues through later stages of the twin flame evolutionary process. Both books are written out of love to the author's own soul connection, as well as to other pairs out there looking for answers.

*Pisces* Rachel Medhurst, 2015-05-07 The bracelet around my wrist was a permanent reminder of my mission. The silver charm that was attached to the leather cord was stamped with my birth sign. Mission: Unite with my twin flame soulmate in this lifetime. My brothers, sisters, and I were each named after the star sign we were born under. We knew that our soul purpose was to fall madly in love and battle through the obstacles that led to that true love. Antony crept up on me and caught me unaware. He was nothing like I'd imagined my twin flame soulmate to be. When he started to run, I found that I had to give chase. I had to complete my mission.
