## Christian Cameron

**Hot Blooded** Christine Feehan, Maggie Shayne, Emma Holly, Angela Knight, 2005-08 A dangerous collection of sensual and supernatural romances includes Christine Feehan's *Dark Hunger*, in which a beautiful activist unwittingly releases a caged, and insatiable, Carpathian, as well as other stories by Maggie Shayne, Emma Holly, and Angela Knight. Reprint.

Hot Blooded Heather Guerre, 2021 Desperate times call for desperate measures... Saddled with insurmountable debt, Tessa is desperate for a way out. When she's referred to an agency that pairs vampires with blood donors as a quick way to make some cash, she has no choice but to accept an arrangement. She expects pain. She expects fear. She expects a predator. But what she gets is something entirely different. Her vampire match is... sweet. Kind. Protective. And the way he makes her feel is anything but painful. Can the ends justify the means...? Amos has long since given up on the idea of ever finding a blood mate. Accepting that the only live blood he'll ever enjoy will be from paid donors, he finally gives in and enlists a blood-matching service. But when he finally meets his match, she's everything he could have asked for in a mate—kind, funny, beautiful. He knows right away that he wants her for keeps, but it's a huge leap from temporary donor to eternal blood mate. If Amos is going to keep Tessa forever, he'll have to win her heart first.--from Amazon.com.

Golden Chaos Colette Rhodes, 2021-04-20 Life isn't a fairytale, but for a few days I got to pretend it was. Now I'm back in my childhood bedroom in New York, eating breakup ice cream and listening to early 2000s emo music. Whatever, this was the wake-up call I needed. It's time for Ria 2.0. No more bailouts. No more half-baked projects. No more impulsive decisions. Simple, right? Except my ex-boyfriend wants to drop the ex part, the three bears aren't so willing to let their Goldilocks go, and their mother is more Wicked Witch than Mama Bear. How am I supposed to pull it together when chaos follows everywhere I go? *Golden Chaos* is book two of the *Three Bears* duet. It is a medium burn, reverse harem romance for readers 18+

*All Quiet on the Western Front* Erich Maria Remarque, 2025-01-01 "All Quiet on the Western Front," by Erich Maria Remarque, is a poignant narrative that captures the profound effects of World War I on a generation stripped of its innocence and vitality. Through the eyes of the young German soldier Paul Bäumer, Remarque unfolds the harrowing realities of war on the front lines—where the only certainties are death, despair, and the relentless erosion of one's humanity. As Paul and his comrades navigate the brutal chaos of trench warfare, they are bound by a brotherhood forged under fire, clinging to fleeting

moments of joy and solace amidst the omnipresent specter of mortality. This seminal work is not merely a novel about war; it is a powerful indictment of the senseless brutality of conflict and the incalculable cost of violence. Remarque's unflinching portrayal of the soldiers' experiences serves as a universal reminder of the tragedies that unfold when nations choose war as a means to settle disputes. "All Quiet on the Western Front" remains as relevant today as it was upon its publication, continuing to offer profound insights into the personal and collective consequences of warfare, and a poignant commentary on the loss of youth and innocence in the crucible of battle.

**The Well of Loneliness** Radclyffe Hall, 2015-04-24 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

**How to Flirt with a Naked Werewolf** Molly Harper, 2011-02-22 Northern Exposure Even in Grundy, Alaska, it's unusual to find a naked guy with a bear trap clamped to his ankle on your porch. But when said guy turns into a wolf, recent southern transplant Mo Wenstein has no difficulty identifying the problem. Her surly neighbor Cooper Graham—who has been openly critical of Mo's ability to adapt to life in Alaska—has trouble of his own. Werewolf trouble. For Cooper, an Alpha in self-imposed exile from his dysfunctional pack, it's love at first sniff when it comes to Mo. But Cooper has an even more pressing concern on his mind. Several people around Grundy have been the victims of wolf attacks, and since Cooper has no memory of what he gets up to while in werewolf form, he's worried that he might be the violent canine in question. If a wolf cries wolf, it makes sense to listen, yet Mo is convinced that Cooper is not the culprit. Except if he's not responsible, then who is? And when a werewolf falls head over haunches in love with you, what are you supposed to do anyway? The rules of dating just got a whole lot more complicated. . . .

**The Worst Guy** Kate Canterbury, 2022-12-28 Eight weeks of forced proximity is a long time to hate someone you're trying not to love. Sebastian Stremmel doesn't need another headache. He has enough of his own without Sara Shapiro, the noisy new reconstructive surgeon, stomping all around his surgical wing with her chippy, chirpy cheerfulness. But Sebastian doesn't usually get what he wants. No one gets under his skin like Sara - so much so a heated debate and an exam room left in shambles later, they land themselves in eight weeks of hospital-mandated conflict resolution counseling. Now they're forced to fight fair...which quickly leads them to playing dirty when no one's looking. They know it's a mistake. They promise

themselves it will never happen again. They swear they got it out of their systems. They didn't. Author's Note: Grumpy/recovering people-pleaser sunshine. Introverts attract. Enemies-to-lovers in the workplace. Banter, bicker, and button-pushing foreplay. Don't tell the friend group, get jealous when the friend group tries to fix her up. CW/TW: chronic illness, absent/negligent parents, history of disordered eating.

*Code Name Badass* Heather Demetrios,2022-09-06 To say Virginia 'Dindy' Hall was ambitious would be an understatement. She was that girl at your high school who makes everyone else look like a slacker, no matter how hard they're working. But how many of them can say they've been on Nazi Germany's Most Wanted list? At a time when most women were expected to become wives and mothers, Virginia craved adventure. And with the world gearing up for a second World War, this fearless woman knew that she had to find a way to get involved. When the State Department proved to be a sexist boy's club that wouldn't allow her in, she went to England to join their Special Operations unit, which was more than happy to hire this talented, brilliant woman. Even after a terrible accident left her needing a wooden leg, she remained undeterred. Soon Virginia became an essential part of the Allied mission and the French Resistance, earning the dangerous honor of being named 'the most dangerous of all Allied spies' by the Gestapo--Provided by publisher.

*Torn from the World* John Gibler,2018-09-25 The book that most shocked me this year for its literary quality is called *Tzompaxtle*, although in English it has another title, *Torn from the World*. The author is John Gibler, a real outlaw.--Diego Enrique Osorno, author of *El Cartel de Sinaloa* Andres Tzompaxtle Tecpile was torn from the world. Abducted off the street, blindfolded and beaten, he was brought to a Mexican military facility and disappeared. Tzompaxtle, a young member of an insurgent guerrilla movement, was subjected to months of interrogation and torture as the military tried to extract information from him. In an effort to buy time to protect his family and comrades, and to keep himself alive, he led his captors on fruitless journeys to abandoned safe-houses and false rendezvous locations for four months. Finally, faced with imminent execution, he decided to make what he thought was a suicidal attempt at escape; when he miraculously survived, he was able to return underground. Gleaned from years of clandestine interviews, Tzompaxtle's story offers a rare glimpse into chronic injustice, underground resistance movements, and the practice of forced disappearance and torture in contemporary Mexico. At once harrowing and humane, John Gibler's wonderful new book shines a light on the darkest corners of the Mexican justice system. We cannot turn away from what we see there. This is a brave, daring book, equal in every way to the extraordinary life it documents.--Daniel Alarcon, author of *The King is Always Above the People* Once in a long while a brilliant writer happens on a story he was born to tell--a story that in its stark and unremitting horror gives us a glimpse of the world as it is, unvarnished and unredeemed. John Gibler is such a writer and *Torn From the World* is such a story. A wrenching, astonishing tale, brilliantly told.--Mark Danner, author of *The Massacre at El Mozote* *Torn from the World* is the product of a thorough investigation and it is written with rage and humility at the same time. This is the work of one of

the most important journalists of our time.--Yuri Herrera, author of *Signs Preceding the End of the World* John Giber's powerful recounting of the forced disappearance of Andres Tzompaxtle Tecpile unearths the brutal machinery of state-sanctioned torture and terrorism in Mexico today. This book must provoke an outcry.--Sujatha Fernandes, author of *Curated Stories* Not since Rodolfo Walsh's classic *Operation Massacre* have I read a work of political and literary journalism as inventive and urgent as John Giber's *Torn from the World*. With courage, empathy, and clear-sightedness, Giber tackles questions most journalists won't go near."--Ben Ehrenreich, author of *The Way to the Spring: Life and Death in Palestine* The North American journalist John Giber not only presents here the guerrilla combatant's story, but also contextualized it within the broader, very troubled history of class relations in Guerrero and the contemporary proliferation of human rights abuses in Mexico, from Ayotzinapa to Ciudad.--Jesse Lerner, author of *The Shock of Modernity*

*Shifty's War* Marcus Brotherton,2011-05-03 From D-Day to the Battle of the Bulge and more, here is the authorized biography of one of the most celebrated paratroopers of Easy Company, Sergeant Shifty Powers, the legendary sharpshooter from the Band of Brothers. Look for the Band of Brothers miniseries, now available to stream on Netflix! As a boy, Darrell "Shifty" Powers's goal was to become the best rifle shot he could be. His father trained him to listen to the woods, to "see" without his eyes. Little did Shifty know his finely-tuned skills would one day save his life—and the lives of his fellow paratroopers. As one of the original men who trained at Camp Toccoa, Georgia, Shifty was one out of only two soldiers in Easy Company to initially earn the coveted expert marksman designation. He parachuted into France on D-day and fought for a month in Normandy; eighty days in Holland; thirty-nine in the harshly cold winter of Bastogne; and for nearly thirty more near Haguenau, France, and the Ruhr pocket in Germany. Shifty's War is a tale of heroism and adventure, of a soldier's blood-filled days fighting his way from the shores of France to the heartland of Germany, and the epic story of how one man's skills as a sharpshooter and engagingly unassuming personality propelled him to a life greater than he could have ever imagined.

*My Early Life* Winston Churchill,2023-11-16 *My Early Life* is an autobiography of Winston Churchill from his birth in 1874 up to approximately 1902. The book begins by describing his childhood and schooldays, providing context for the following accounts. A significant portion of the book covers his experiences in the Second Boer War of 1899-1902. It also includes descriptions of other campaigns he had taken part in as a British Army officer, such as the Mahdist War in the Sudan and the military campaign by the British army on the North West Frontier between Pakistan and Afghanistan.

**The Sailor's Word-book** William Henry Smyth,1867

**The Oral History Reader** Robert Perks,Alistair Thomson,1998 Arranged in five thematic parts, *The Oral History Reader* covers key debates in the post-war development of oral history.

*The Heather Moon* Charles Norris Williamson,Alice Muriel (Livingston) Williamson,1912

*Toxic Desire* Robin Lovett,2018-03-19 A scifi alien romance with fated mates on an aphrodisiac planet I've crash landed on a sex planet with my worst enemy. He's a brooding, gold alien—a commander who destroyed my ship and half my crew. I should want to kill him. But everything on this planet is an aphrodisiac. So I just want to have him. Now. Revenge--that's all he wants with me. He's hated humans for more than a century, ever since we tried to destroy his kind. I'm the last person he should want, but the desire the sex planet stokes in both of us is eating us alive. Resisting his hands, his mouth, and his vampiric fangs proves impossible. I can't help begging him to touch me. I have no idea what endless sex with his kind will do to me, but there are rumors. I have to get off this planet before I find out if it's true—before he makes me his mate. For life. The Planet of Desire is a series of scifi alien romance standalones that can be read in any order. Toxic Desire Captive Desire Stolen Desire Forbidden Desire

*Weary Warriors* Pamela Moss,Michael J. Prince,2014-06-01 As seen in military documents, medical journals, novels, films, television shows, and memoirs, soldiers' invisible wounds are not innate cracks in individual psyches that break under the stress of war. Instead, the generation of weary warriors is caught up in wider social and political networks and institutions—families, activist groups, government bureaucracies, welfare state programs—mediated through a military hierarchy, psychiatry rooted in mind-body sciences, and various cultural constructs of masculinity. This book offers a history of military psychiatry from the American Civil War to the latest Afghanistan conflict. The authors trace the effects of power and knowledge in relation to the emotional and psychological trauma that shapes soldiers' bodies, minds, and souls, developing an extensive account of the emergence, diagnosis, and treatment of soldiers' invisible wounds.

[The Cambridge World History of Violence](#) Matthew Gordon,Richard Kaeuper,Harriet Zurndorfer,2020-03-31

[John Macnab](#) John Buchan,1925 Who is John Macnab? Three prominent Scottish landowners receive a challenging note which tells them that he intends to poach from their estates without being caught, though if he is caught, he will donate money to a good cause. The reactions of the landowners provide conflicting evidence as to his identity, prompting speculation as to whether he is a gentleman or a tramp ...

**The Ill-Made Knight** Christian Cameron,2013-08-01 'Brilliantly evoked' SUNDAY TIMES Discover the first medieval adventure in the action-packed Chivalry series! Perfect for fans of Bernard Cornwell, Simon Scarrow and Conn Iggulden. September, 1356. Poitiers. The greatest knights of the age were ready to give battle. On the English side, Edward, the Black Prince, who'd earned his spurs at Crecy. On the French side, the King and his son, the Dauphin. With 12,000 knights. And then there is William Gold. A cook's boy - the lowest of the low - who had once been branded as a thief. William dreams of being a knight, but in this savage new world of intrigue, betrayal and greed, first he must learn to survive. As rapacious English mercenaries plunder a country already ravaged by plague, and the peasantry take violent revenge against the French knights who have failed to protect them, is chivalry any more than a boyish fantasy? 'A sword-slash above the rest' IRISH

EXAMINER 'One of the finest writers of historical fiction in the world' BEN KANE

For the Love of April French Penny Aimes, 2021-08-31 Named a Best Romance of 2021 by Entertainment Weekly, Vulture, The Washington Post, and the Fated Mates podcast! “This book gave me every last one of the Intense Romance Feelings I crave.” —New York Times bestselling author Talia Hibbert April French doesn't do relationships and she never asks for more. A long-standing regular at kink club Frankie's, she's kind of seen it all. As a trans woman, she's used to being the scenic rest stop for others on their way to a happily-ever-after. She knows how desire works, and she keeps hers carefully boxed up to take out on weekends only. After all, you can't be let down if you never ask. Then Dennis Martin walks into Frankie's, fresh from Seattle and looking a little lost. April just meant to be friendly, but one flirtatious drink turns into one hot night. When Dennis asks for her number, she gives it to him. When he asks for her trust, well...that's a little harder. And when the desire she thought she had such a firm grip on comes alive with Dennis, April finds herself wanting passion, purpose and commitment. But when their relationship moves from complicated to impossible, April will have to decide how much she's willing to want. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters.
