

If I Was Locked Away

Jonathan Herring

Locked Away Nanisi Barrett D'Arnuik,2019-11-16 A popular South American president wants his women and children educated to protect themselves. He also wants to find something new in his country that can be exported around the world. And he wants to stop the drug trade. He turns to the U.S. and Canada for help. Three women are assigned to help him restructure his country: martial arts instructor Michael Gauchet, environmental expert Alicia Clayton, and drug control specialist Cameron Andrews. They are tasked with advising him on how to implement his plans. But others in the country are determined to stop him. When disaster strikes, Cam finds herself with the challenge of her life. It is up to CIA Control Dr. Maggie Thomason and Agent Paul Tarelli to find her and bring her home ... preferably alive.

The Man with the Locked Away Heart Melanie Milburne,2011-05-01 Jingilly Creek isn't used to strangers—especially tall, dark, utterly hot city cops! And there's definitely chemistry between the mysterious Marc Di Angelo and local doctor Gemma Kendall, yet Marc seems determined to ignore it. Gemma can see the flicker of passion behind his steely gaze.... But will she be able to set his tightly guarded emotions free before he leaves town for good?

How to Decide Jonathan Herring,2012-08-21 Save time, energy and life-sapping stress with this gloriously simple, clever and highly effective guide to painless and efficient decision making. This light-hearted and practical guide will help you turn your indecision into positive, assertive action. Guiding you through the entire decision making process, it is packed with clever tips and tricks to help you make the right decision, quickly, first time, every time. From work to buying a house; from choosing a holiday to choosing a partner; from the exciting and life-changing big decisions, to the more mundane little niggles that clutter everyday life - every type of decision is covered.

Locked Up but Not Locked Down Ahmariah Jackson,IAAtomic Seven,2011-07-30

Ma, I've Got Meself Locked Up in the Mad House Martha Long,2011-12-02 Martha is now in her thirties. Her daughter has left home and she is lonely and vulnerable. The hard knocks have taken their toll on her health, and as she looks into the years still lying ahead of her, she shakes her head, feeling she hasn't the heart or the strength to go on. As she teeters on the brink of a nervous breakdown, a phone call summons ghosts from the past. She discovers that one of the family is dead and the others need her help. Martha returns and when she comes face to face with the evil, psychotic Jackser, she can no longer suppress the nightmares of her childhood. A suicide attempt sees her admitted to the 'mad house', where a

hunger strike takes her even nearer to death. But finally she sees a chink of light at the end of the tunnel. Could love in an unexpected form pull her back from the brink?

When I Became Invisible Maret Johanson, 2016-03-31 When is doing the right thing the wrong thing to do? In a perfect world the answer would be never, but the world is seldom perfect—a hard lesson with tragic consequences for five-year-old Molly and her family in a sleepy rural town. It's 1955, a time of innocence and simplicity, but behind closed doors, terrible cruelties are taking place at a neighboring farmhouse—its victim helpless to protect herself. Seeking comfort and at least some measure of independence, fifteen year old Nell takes on the role of farmhand, in spite of her youth and gender, and impresses everyone with her strength and reliability. At least at first. For Molly, who sees Nell as a playmate big sister and even a surrogate mother of sorts, it's inconceivable that someone so sweet could bring so much bitterness and desolation into her life. She has no idea what's coming. As Nell's troubled home life begins to impact her work, attention is drawn to her vulnerability. Consequentially, the seemingly idyllic surface of Molly's family life begins to unravel. With mental illness, resentment, and disillusionment, the family is torn apart at its core. The story unfolds from the perspectives of Molly, her father Billy, her mother Dora, and Nell—each struggling with their sense of invisibility over a ten year struggle. Author Maret Johanson has created a story that is poignant and insightful, and populated with complex, realistic characters to whom one cannot help but relate and empathize. This is a story of the power of human spirit, the will to survive against all odds, of forgiveness and redemption. As they grapple to put the shattered pieces of their lives back together, nobody will ever be the same. It is impossible not to be affected by ... *When I Became Invisible*.

Love From Heaven Lorna Byrne, 2014-04-24 How to bring more love into your life by the Sunday Times number one bestselling author of *Stairways to Heaven* and *A Message of Hope from the Angels*. Lorna Byrne has become a bestselling author around the world because she sees angels as clearly as the rest of us see human beings. Now she reveals that she also sees love as a physical force. What Lorna has seen has led her to develop a 7 day path to help us all change our lives. She says: 'The more we love ourselves the more we can love others. If only we release a little more of the pure love we have locked away inside of us we will be much happier, less judgmental and feel much more fulfilled. Our lives and those of people around us would be transformed.'

The British Printer, 1900

An Oath Betrayed Mark Seaman, 2024-09-28 Growing up together in the early 1900's in the London Docklands, Harry and Karl forge an unbreakable friendship. With their fathers working as dockhands, both families struggle to survive on low wages and poor living conditions. Facing unemployment and destitution following a dock strike in Germany, Karl's parents moved to England for a better life, hoping to raise their son in an environment of love and security. However, Harry's homelife is dominated by violence and drunken cruelty inflicted by his father. Shared dreams of a life far away from the

grime and deprivation of the shipyards see the two friends swear a lifetime oath of allegiance to one another. As time passes, the boys grow ever closer until a horrific accident threatens to tear their friendship apart. Struggling to maintain their alliance and with the advent of war, Karl returns to Germany, while Harry joins the British Army. By a strange turn of events and with war raging across Europe, the two meet again. Will memories of their childhood pledge prove enough to overcome their differences, or has the bond between them been broken forever?

The Doors of Midnight R.R. Viridi, 2024-08-13 Read R.R. Viridi!—Jim Butcher, #1 New York Times bestselling author of *The Dresden Files* Myths begin, and a storyteller's tale deepens, in the essential sequel to R.R. Viridi's breakout Silk Road-inspired epic fantasy debut, *The First Binding*. Some stories are hidden for a reason. All tales have a price. And every debt must be paid. I killed three men as a child and earned the name Bloodletter. Then I set fire to the fabled Ashram. I've been a bird and robbed a merchant king of a ransom of gold. And I have crossed desert sands and cutthroat alleys to repay my debt. I've stood before the eyes of god, faced his judgement, and cast aside the thousand arrows that came with it. And I have passed through the Doors of Midnight and lived to tell the tale. I have traded one hundred and one stories with a creature as old as time, and survived with only my cleverness, a candle, and a broken promise. And most recently of all, I have killed a prince, though the stories say I have killed more than one. My name is Ari. These are my legends. And these are my lies. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Warning Signs Brian Johnson, Laurie Berdahl, 2016-08-01 *Warning Signs* provides practical methods to reduce harm to and by children. Doctors Johnson and Berdahl present the most common risk factors and warning signs, along with practical parenting advice and strategies for raising strong, safe kids and protecting them from becoming either perpetrators or victims. They explain how the old risk factors—child abuse and neglect, domestic violence, sexual assault, and poverty—have been compounded by new ones in the past 20 years, such as violent media, kids' entitled attitudes, parents' fear of intervention, and increases in childhood mental illness, disrupted families, substance use, bullying, access to weapons, and social media. They provide sample language for tough conversations with kids and with other adults. Full of specific, practical ideas, this book will appeal to parents who want to raise kind and compassionate children.

If I Only Knew! Dereck Allbee, 2015-02-21 Are you tired of struggling for answers? Are you fed up with the lies? Do you get confused why there are more questions for every answer you get? Do you want to let go of that pain inside your very soul? Then I have the book just for you! Check this out even the title speaks volumes (*If I only Knew!*) No more will you sit and wonder. No more beating around the bush. Finally, a masterfully written straight-to-the-point book on almost any issue or problem in life's struggles made clear. Now, doesn't that sound wonderful? This writer's work has such an easy flow you can't lose sight of where he is leading you. In fact, you will find yourself reading his poems over and over again from sheer amazement. The unique way he has composed allows each work of art, if you will, to tell you something new, almost every

time. His fearless choices to tackle about every subject with such straightforward directness are eye opening. You will be shocked with what you learn beyond what you already knew about the subject. His genuine heart and soul of a kindness devoted to the love Jesus taught us is real. His candor he reveals right from the beginning. His work is so profound but so simple that you will tap your own head and wonder why you never thought that over and over. Here, let me just give you just a few things to prove my point: 1. Each day is a blessing, so stop just guessing what to do for you already know from yesterdays un-chosen regrets cause today is not over yet! Yesterday was not worthless, make today worth that, for tomorrow to be worth more 2. Don't walk past a stranger in need; let them plant the seed inside your soul that will make you feel whole for giving just a little piece of your heart 3. It's not always cause we didn't have a clue; no, its more that we didn't trust enough to just follow through Now, these three examples are actually just from one out of 150 poems. Did you learn any lesson? Couldn't you live a good and happy life by just following these three? This writer has definite way to show you how easy it is when youre honest with yourself. If for no other reason you should by this book! It just may be the one book that will change your life!

Justice Is Coming Cenk Uygur,2023-09-19 A manifesto that outlines the progressive vision, recent history and worldview—by the founder of The Young Turks and co-founder of Justice Democrats. The media can't stop talking about the gridlock in Washington, as if a handful of stubborn Republicans are the only thing standing between us and a fully-functional democracy. The reality is that our government was taken over by big business and their allies in both political parties. The getaway driver in this heist was corporate media. The good news is that the American people are very progressive. And soon progressives will take over Washington as well! And when they do, the great majority of Americans will love it. In Justice Is Coming, The Young Turks founder Cenk Uygur presents two ideas that counter everything we hear from pundits and politicians on a daily basis: one, progressives are correct on all issues, and two, America is actually a very progressive country. Millions of us know that we are a part of something larger, a movement that is already transforming Washington. This compulsively readable manifesto seeks to apply the momentum we have already built to a concrete progressive agenda that activists, voters, and citizens can all rally around. It looks beyond Trump to the larger historical forces that have given us this unique political moment, and explains why we should fight, how we should fight, and how we will win. Sharp-witted, persuasive, and inspiring, calling out toxic Republicans, politely-ineffectual Democrats, and mealy-mouthed media mavens in equal measure, Justice is Coming will give heart to Democrats and progressives who seek to change our politics and society

for the better.

The Sky Beneath Our Feet Pete M. Wyer,

Of Saints and Sacred Shadows Jason Dean, 2012-07-03 Just under the surface of normal, everyday life lurks a secret conflict that has been waged since the dawn of mankind, and the worst series of murders in the history of Los Angeles threatens to bring this ancient conflict to a head. From the U.S. to Hong Kong, from Berlin to Hell and back again, the world unknowingly teeters on the edge, and the last thing standing in the way of the destruction of mankind is someone who is neither good nor evil but a little bit of both, a man who reluctantly possesses the ability to save the world or let it crumble and collapse into chaos. As he wrestles with his place and purpose, even his very own existence, having long struggled to endure a life spent as the focus of constant fear and resentment from those both good and evil, he will confront the nightmares no one else dares to face and finally be forced to decide his fate once and for all and ultimately take the entire world with him.

Alfred Hitchcock's America Murray Pomerance, 2013-04-12 With a sharp eye for social detail and the pressures of class inequality, Alfred Hitchcock brought to the American scene a perspicacity and analytical shrewdness unparalleled in American cinema. Murray Pomerance works from a basis in cultural analysis and a detailed knowledge of Alfred Hitchcock's films and production techniques to explore how America of the 1940s, 1950s, and 1960s is revealed and critically commented upon in Hitchcock's work. *Alfred Hitchcock's America* is full of stunning details that bring new light to Hitchcock's method and works. The American spirit of place, is seen here in light of the titanic American personality, American values in a consumer age, social class and American social form, and the characteristic American marriage. The book's analysis ranges across a wide array of films from *Rebecca* to *Family Plot*, and examines in depth the location sequences, characterological types, and complex social expectations that riddled American society while Hitchcock thrived there.
