The Bait of Satan (Book with DVD) John Bevere,2010-12 How to maintain a positive relationship with God in the face of adversity from others.

Driven By Eternity John Bevere,2016-10-18 One day you will stand before God and give an account of your life. The most important question you can ask yourself now is, will you be ready? Most Christians know their response to the cross determines where they will spend eternity. But did you know that how you'll spend eternity is determined by what you do in this life? God wants you to discover your calling—He's not trying to keep you in the dark. In fact, He longs for you to find the meaning and purpose that comes with knowing why you've been placed on this earth. In *Driven by Eternity*, best-selling author John Bevere uses an eye-opening allegory and extensive Scripture to unveil how our daily choices shape our eternal existence. Life beyond the final breath is much more than a destination. Don't wait until it's too late. Discover your God-given destiny and make your life count both today and forever.

Good Or God? John Bevere,2015-08-11 These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

True Woman 101: Divine Design Mary A Kassian, Nancy Leigh DeMoss, 2012-03-01 What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

God, Where Are You?! John Bevere, 2019-01-15 Do you feel lost in a difficult season, wondering, "GOD, WHERE ARE YOU?!" Perhaps you heard God speak, but now He seems silent. Maybe you moved forward in faith, but now His presence is nowhere to be found. Welcome to the wilderness—the place between receiving a promise from God and seeing it come to pass. But here's the good news—this is no purposeless wasteland. God uses the wilderness to prepare and equip you for your destiny—that is, if you navigate it correctly. Contrary to what many may think, getting through this season isn't just a matter of waiting on God. You have a part to play in navigating through it. A big one. And if you don't want to waste time wandering in circles, it's important to learn what that is. In this eye-opening book, best-selling author John Bevere equips you with key biblical insights and profound stories that will help you navigate your dry or difficult seasons and step into all that God has for you. Includes discussion questions for group study

Killing Kryptonite John Bevere, 2017-10-17 You Can Destroy What Steals Your Strength Just like Superman, who can leap over any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a kryptonite that steals our strength. Of course, both Superman and kryptonite are fictional. But spiritual kryptonite is not. This book offers answers to why so many of us are unable to experience the divine strength that was evident among first-century Christians. In Killing Kryptonite, John Bevere reveals what this kryptonite is, why it's compromising our communities, and how to break free from its bondage. Not for the faint of heart, Killing Kryptonite is anything but a spiritual sugar high. This is serious truth for any Christ-follower who longs to embrace the challenging but rewarding path of transformation. Includes discussion questions for group study

The Bait of Satan Interactive Guide ,

A Heart Ablaze John Bevere,1999-10-30 God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship-the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt. Zion...transformed to touch others.

The Bait of Satan John Bevere,1997-07 This study guide accompanies John Bevere's book, The Bait of Satan, and is designed for individuals or small groups who desire to identify the tactics of Satan and break free from his influences. Numerous interactive tools facilitate study.

I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

How to Respond When You Feel Mistreated John Bevere,2012-05-23 Bevere contends that the ultimate model for responding to unfair treatment is Jesus.

Why We Play Roberte Hamayon,2016-08-15 Whether it's childhood make-believe, the theater, sports, or even market speculation, play is one of humanity's seemingly purest activities: a form of entertainment and leisure and a chance to explore the world and its possibilities in an imagined environment or construct. But as Roberte Hamayon shows in this book, play has implications that go even further than that. Exploring play's many dimensions, she offers an insightful look at why play has become so ubiquitous across human cultures. Hamayon begins by zeroing in on Mongolia and Siberia, where communities host national holiday games similar to the Olympics. Within these events Hamayon explores the performance of ethical values and local identity, and then she draws her analysis into larger ideas examinations of the spectrum of play activities as they can exist in any culture. She explores facets of play such as learning, interaction, emotion, strategy, luck, and belief, and she emphasizes the crucial ambiguity between fiction and reality that is at the heart of play as a phenomenon. Revealing how consistent and coherent play is, she ultimately shows it as a unique modality of action that serves an invaluable role in the human experience.

The Rapture of the Nerds Cory Doctorow, Charles Stross, 2012-09-04 A brilliant collaboration from the two defining personalities of post-cyberpunk: Cory Doctorow and Charles Stross. Welcome to the fractured future, at the dusk of the twenty-first century. Earth has a population of roughly a billion hominids. For the most part, they are happy with their lot, living in a preserve at the bottom of a gravity well. Those who are unhappy have emigrated, joining one or another of the swarming densethinker clades that fog the inner solar system with a dust of molecular machinery so thick that it obscures the sun. The splintery metaconsciousness of the solar-system has largely sworn off its pre-post-human cousins dirtside, but its minds sometimes wander...and when that happens, it casually spams Earth's networks with plans for cataclysmically disruptive technologies that emulsify whole industries, cultures, and spiritual systems. A sane species would ignore these get-evolved-quick schemes, but there's always someone who'll take a bite from the forbidden apple. So until the overminds bore of stirring Earth's anthill, there's Tech Jury Service: random humans, selected arbitrarily, charged with assessing dozens of new inventions and ruling on whether to let them loose. Young Huw, a technophobic, misanthropic Welshman, has been selected for the latest jury, a task he does his best to perform despite an itchy technovirus, the apathy of the proletariat, and a couple of truly awful moments on bathroom floors.
