My Second Impression of You Michelle I. Mason,2023-09-19 Perfect for fans of *Tweet Cute* and *Instant Karma*, this YA

romcom is a heartfelt story about a girl who thinks she knows everything about love -- until she relives a day and discovers she had it all wrong. Sixteen-year-old Maggie Scott is a little dramatic. Both in the over-the-top sense and in the involved-in-every-possible-performing-arts-activity sense. Life is just more fun when you're always putting on a show! But apparently her boyfriend, Theo, disagrees, because he unexpectedly dumps her. She's so distressed she breaks her foot, has to be rescued by the most obnoxious boy in school, Carson, and can no longer star in the school play. Now everything is terrible and Maggie doesn't understand where it all went wrong. So when she gets a mysterious text from an unknown number offering her a chance to relive the day when she and Theo met, Maggie can't help clicking (even though she knows what they say about suspicious links and clicking). Suddenly, she finds herself transported from her worst day ever to her best day ever-but on second review, Maggie realizes there are some details she overlooked. Maybe she was so focused on starring in the Maggie show that she didn't pay enough attention. Maybe Maggie doesn't know the people around her as well as she thought-particularly Carson. And maybe her worst day ever isn't quite as terrible as it seems. In this funny and relatable YA romcom, Michelle I. Mason explores how there's always another way of looking at the situations we find ourselves in . . . and sometimes the people we overlook end up being the best ones of all.
