

Writing Fiction A Guide To Narrative Craft

Sarah Stone,Ron Nyren

Writing Fiction Janet Burroway,Elizabeth Stuckey-French,Ned Stuckey-French,2019-04-01 This updated edition of the classic, comprehensive guide to creative writing features new topics and writing prompts, contemporary examples, and more. A creative writer's shelf should hold at least three essential books: a dictionary, a style guide, and Janet Burroway's Writing Fiction. This best-selling classic is the most widely used creative writing text in America, and for decades it has helped hundreds of thousands of students learn the craft. Now in its tenth edition, Writing Fiction is more accessible than ever for writers of all levels—inside or outside the classroom. This new edition continues to provide advice that is practical, comprehensive, and flexible. Moving from freewriting to final revision, Burroway addresses “showing not telling,” characterization, dialogue, atmosphere, plot, imagery, and point of view. It includes new topics and writing prompts, and each chapter now ends with a list of recommended readings that exemplify the craft elements discussed. Plus, examples and quotations throughout the book feature a wide range of today's best and best-known creators of both novels and short stories.

Writing Fiction Janet Burroway,1987 The most widely used and respected book on writing fiction, Writing Fiction guides the writer from first inspiration to final revision. Supported by an abundance exercises, this guide/anthology explores and integrates the elements of fiction while offering practical techniques and concrete examples. A focus on the writing process in its entirety provides a comprehensive guide to writing fiction, approaching distinct elements in separate chapters while building on what has been covered earlier. Topics include free-writing to revision, plot, style, characterization, dialogue, atmosphere, imagery, and point of view. An anthology of diverse and contemporary short stories followed by suggestions for discussion and writing exercises, illustrates concepts while offering variety in pacing and exposure to this increasingly popular form. The book also discusses key issues including writing workshops, using autobiography as a basis for fiction, using action in stories, using dialogue, and maintaining point of view. The sixth edition also features more short short stories than any previous edition and includes quotation boxes that offer advice and inspirational words from established writers on a wide range of topics--such as writing from experience, story structure, openings and endings, and revision. For those interested in developing their creative writing skills.

Elements of Fiction Writing - Scene & Structure Jack Bickham,1999-03-15 Craft your fiction with scene-by-scene flow, logic and readability. An imprisoned man receives an unexpected caller, after which everything changed... And the reader is hooked. But whether or not readers will stay on for the entire wild ride will depend on how well the writer structures the story, scene by scene. This book is your game plan for success. Using dozens of examples from his own work - including Dropshot,Tiebreaker and other popular novels - Jack M. Bickham will guide you in building a sturdy framework for your novel, whatever its form or length. You'll learn how to: • worry your readers into following your story to the end • prolong your main character's struggle while moving the story ahead • juggle cause and effect to serve your story action As you work on crafting compelling scenes that move the reader, moment by moment, toward the story's resolution, you'll see why... • believable fiction must make more sense than real life • every scene should end in disaster • some scenes should be condensed, and others built big Whatever your story, this book can help you arrive at a happy ending in the company of satisfied readers.

How to Write a Damn Good Mystery James N. Frey,2007-04-01 Edgar award nominee James N. Frey, author of the internationally best-selling books on the craft of writing, How to Write a Damn Good Novel, How to Write a Damn Good Novel II: Advanced Techniques, and The Key: How to Write Damn Good Fiction Using the Power of Myth, has now written what is certain to become the standard how to book for mystery writing, How to Write a Damn Good Mystery. Frey urges writers to aim high-not to try to write a good-enough-to-get-published mystery, but a damn good mystery. A damn good mystery is first a dramatic novel, Frey insists-a dramatic novel with living, breathing characters-and he shows his readers how to create a living, breathing, believable character who will be clever and resourceful, willful and resolute, and will be what Frey calls the

author of the plot behind the plot. Frey then shows, in his well-known, entertaining, and accessible (and often humorous) style, how the characters-the entire ensemble, including the murderer, the detective, the authorities, the victims, the suspects, the witnesses and the bystanders-create a complete and coherent world. Exploring both the on-stage action and the behind-the-scenes intrigue, Frey shows prospective writers how to build a fleshed-out, believable, and logical world. He shows them exactly which parts of that world show up in the pages of a damn good mystery-and which parts are held back just long enough to keep the reader guessing. This is an indispensable step-by-step guide for anyone who's ever dreamed of writing a damn good mystery.

A Stranger's Journey David Mura, 2018 Long recognized as a master teacher at writing programs like VONA, the Loft, and the Stonecoast MFA, with *A Stranger's Journey*, David Mura has written a book on creative writing that addresses our increasingly diverse American literature. Mura argues for a more inclusive and expansive definition of craft, particularly in relationship to race, even as he elucidates timeless rules of narrative construction in fiction and memoir. His essays offer technique-focused readings of writers such as James Baldwin, ZZ Packer, Maxine Hong Kingston, Mary Karr, and Garrett Hongo, while making compelling connections to Mura's own life and work as a Japanese American writer. In *A Stranger's Journey*, Mura poses two central questions. The first involves identity: How is writing an exploration of who one is and one's place in the world? Mura examines how the myriad identities in our changing contemporary canon have led to new challenges regarding both craft and pedagogy. Here, like Toni Morrison's *Playing in the Dark* or Jeff Chang's *Who We Be*, *A Stranger's Journey* breaks new ground in our understanding of the relationship between the issues of race, literature, and culture. The book's second central question involves structure: How does one tell a story? Mura provides clear, insightful narrative tools that any writer may use, taking in techniques from fiction, screenplays, playwriting, and myth. Through this process, Mura candidly explores the newly evolved aesthetic principles of memoir and how questions of identity occupy a central place in contemporary memoir.

Imaginative Writing Janet Burroway, 2011 Janet Burroway's bestselling *Imaginative Writing: The Elements of Craft* explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing, Burroway brings her years of teaching and writing to this book. Try-This exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. Working toward a draft exercises encourage writers to develop their ideas into complete drafts. In response to reviewer requests, the preface *Invitation to the Writer* has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price!

The Making of a Story Alice LaPlante, 2009-12-22 A Los Angeles Times bestseller: wonderfully lucid and illuminating,

Alice LaPlante's guide to writing fiction "recalls Francine Prose's bestseller, *Reading Like a Writer*" (Library Journal). *The Making of a Story* is a fresh and inspiring guide to the basics of creative writing—both fiction and creative nonfiction. Its hands-on, completely accessible approach walks writers through each stage of the creative process, from the initial triggering idea to the revision of the final manuscript. It is unique in combing the three main aspects of creative writing instruction: process (finding inspiration, getting ideas on the page), craft (specific techniques like characterization), and anthology (learning by reading masters of the form). Succinct, clear definitions of basic terms of fiction are accompanied by examples, including excerpts from masterpieces of short fiction and essays as well as contemporary novels. A special highlight is Alice LaPlante's systematic debunking of many of the so-called rules of creative writing. This book is perfect for writers working alone as well as for creative writing classes, both introductory and advanced.

The Art of Writing Fiction Andrew Cowan, 2013-11-19 *The Art of Writing Fiction* guides the reader through the processes of creative writing from journal-keeping to editing, offering techniques for stimulating creativity and making language vivid. Readers will master key aspects of fiction such as structure, character, voice and setting. Andrew Cowan provides an insightful introduction that brings his own well-crafted prose style to bear on the processes and pleasures of writing fiction, offering practical and personal advice culled from his own experience and that of other published writers. He lays open to the reader his own notes, his writing, and the experiences from his own life that he has drawn on in his fiction allowing the reader to develop their own writing project alongside the author as they go through the book.

Reading Like a Writer Francine Prose, 2012-04-01 In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O' Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading.

How to Write Fiction (And Think About It) Robert Graham, 2006-10-29 If you are a writer of fiction, this practical handbook will teach you how to acquire your own writer's tool-box. Here you will learn all about developing your craft. The wide-ranging exploration of fiction-writing skills contains many unique features, such as the focus on reflective learning and tuition on advanced skills including foreshadowing, transitions and producing short story cycles. Throughout, the approach is centred on 3 kinds of activity: - Examining the theory of particular fiction writing skills. - Analysing the practice of these skills in examples of published work. - Practising the use of skills in fiction-writing exercises. What makes this guide so distinctive,

though, is the way it consistently asks you to reflect on your work, and stresses the importance of being able to articulate the processes of writing. Packed with wisdom about the art of fiction and filled with writing exercises, *How to Write Fiction (and Think about It)* examines the work of today's finest authors to teach you everything you need to know about writing short stories or longer fiction. Whether you are a student, a would-be professional author, or a general reader who simply likes to write for pleasure, this guide will equip you with a portfolio of key fiction-writing skills.

Writing Fiction Janet Burroway, 2002-10 A bestseller through six editions, *Writing Fiction* by novelists Janet Burroway and Elizabeth Stuckey-French explores the elements of fiction, providing practical writing techniques and concrete examples.
