Living Full Danielle Sherman-Lazar,2019-02-14 A survivor takes those struggling with anorexia and/or bulimia on “a passionate, heartbreaking to humorous road from rock bottom to recovery” (Robert Tuchman, author of *Young Guns*). Imagine waking in a hospital bed to find your frail, pale arm punctured by an IV transferring fluids and nutrients into your weak, stiff body. What happened? You’re an adult, age twenty-six, and you just had a seizure precipitated by your chronic, secretive, decades-long struggle with unacknowledged eating disorders. You have no friends and no normal young-adult experiences. *Living Full* is written by Danielle Sherman-Lazar, a woman who passed through the eating disorder crucible to recovery, sharing the most intimate and shameful details of her mental illness. *Living Full* is Danielle’s story. Eating disorders in young adults are hardly talked about, but are pervasive. Eating disorders are kept hidden out of shame. A groundbreaking 2012 study published in the *International Journal of Eating Disorders* found that about thirteen percent of women over age fifty exhibit eating disorder symptoms. *Living Full* chronicles the author’s step-by-step descent into the full-blown eating disorder nightmare and her path to recovery. Recovery comes from the Maudsley Approach, a regimen of supervised controlled eating or refeeding by out-patient helpers that eventually can result in recovery. Benefits of reading *Living Full*: See how to confront your eating disorder demon Learn from someone who won her eating disorder battle Discover a new and beautiful life

Nanaville Anna Quindlen,2019-04-23 NEW YORK TIMES BESTSELLER • The perfect gift for new parents and

grandparents this Mother's Day: a bighearted book of wisdom, wit, and insight, celebrating the love and joy of being a grandmother, from the Pulitzer Prize-winning columnist and #1 bestselling author "This tender book should be required reading for grandparents everywhere."—Booklist (starred review) "I am changing his diaper, he is kicking and complaining, his exhausted father has gone to the kitchen for a glass of water, his exhausted mother is prone on the couch. He weighs little more than a large sack of flour and yet he has laid waste to the living room: swaddles on the chair, a nursing pillow on the sofa, a car seat, a stroller. No one cares about order, he is our order, we revolve around him. And as I try to get in the creases of his thighs with a wipe, I look at his, let's be honest, largely formless face and unfocused eyes and fall in love with him. Look at him and think, well, that's taken care of, I will do anything for you as long as we both shall live, world without end, amen." Before blogs even existed, Anna Quindlen became a go-to writer on the joys and challenges of family, motherhood, and modern life, in her nationally syndicated column. Now she's taking the next step and going full nana in the pages of this lively, beautiful, and moving book about being a grandmother. Quindlen offers thoughtful and telling observations about her new role, no longer mother and decision-maker but secondary character and support to the parents of her grandson. She writes, "Where I once led, I have to learn to follow." Eventually a close friend provides words to live by: "Did they ask you?" Candid, funny, frank, and illuminating, Quindlen's singular voice has never been sharper or warmer. With the same insights she brought to motherhood in *Living Out Loud* and to growing older in *Lots of Candles*, *Plenty of Cake*, this new nana uses her own experiences to illuminate those of many others. Praise for *Nanaville* "Witty and thoughtful . . . *Nanaville* serves up enough vivid anecdotes and fresh insights—about childhood, about parenthood, about grandparenthood and about life—to make for a gratifying read."—*The New York Times* "Classic, bittersweet Quindlen . . . [Her] wonder at seeing her eldest child grow into his new role is lovely and moving. . . . The best parts of *Nanaville* are the charming vignettes of Quindlen's solo time with her grandson."—NPR

Becoming Grandma Lesley Stahl, 2016-04-05 *The New York Times* Bestseller From one of the country's most recognizable journalists: How becoming a grandmother transforms a woman's life. After four decades as a reporter, Lesley Stahl's most vivid and transformative experience of her life was not covering the White House, interviewing heads of state, or researching stories at 60 Minutes. It was becoming a grandmother. She was hit with a jolt of joy so intense and unexpected, she wanted to "investigate" it—as though it were a news flash. And so, using her 60 Minutes skills, she explored how grandmothering changes a woman's life, interviewing friends like Whoopi Goldberg, colleagues like Diane Sawyer (and grandfathers, including Tom Brokaw), as well as the proverbial woman next door. Along with these personal accounts, Stahl speaks with scientists and doctors about physiological changes that occur in women when they have grandchildren; anthropologists about why there are grandmothers, in evolutionary terms; and psychiatrists about the therapeutic effects of grandchildren on both grandmothers and grandfathers. Throughout *Becoming Grandma*, Stahl shares stories about her own life with

granddaughters Jordan and Chloe, about how her relationship with her daughter, Taylor, has changed, and about how being a grandfather has affected her husband, Aaron. In an era when baby boomers are becoming grandparents in droves and when young parents need all the help they can get raising their children, Stahl's book is a timely and affecting read that redefines a cherished relationship.

Selfish, Shallow, and Self-Absorbed Meghan Daum,2015-03-31 Sixteen literary luminaries on the controversial subject of being childless by choice, in this critically acclaimed, bestselling anthology One of the most provocative and talked-about books of the year, *Selfish, Shallow, and Self-Absorbed* is the stunning collection exploring one of society's most vexing taboos. One of the main topics of cultural conversation during the last decade was the supposed "fertility crisis," and whether modern women could figure out a way to have it all—a successful career and the required 2.3 children—before their biological clocks stopped ticking. Now, however, the conversation has turned to whether it's necessary to have it all (see Anne-Marie Slaughter) or, perhaps more controversial, whether children are really a requirement for a fulfilling life. In this exciting and controversial collection of essays, curated by writer Meghan Daum, thirteen acclaimed female writers explain why they have chosen to eschew motherhood. Contributors include Lionel Shriver, Sigrid Nunez, Kate Christensen, Elliott Holt, Geoff Dyer, and Tim Kreider, among others, who will give a unique perspective on the overwhelming cultural pressure of parenthood. This collection makes a smart and passionate case for why parenthood is not the only path to a happy,

productive life, and takes our parent-centric, kid-fixated, baby-bump-patrolling culture to task in the process. In this book, that shadowy faction known as the childless-by-choice comes out into the light.

Rising Elizabeth Rush, 2018-06-12 A Pulitzer Prize Finalist, this powerful elegy for our disappearing coast “captures nature with precise words that almost amount to poetry” (The New York Times). Hailed as “the book on climate change and sea levels that was missing” (Chicago Tribune), *Rising* is both a highly original work of lyric reportage and a haunting meditation on how to let go of the places we love. With every record-breaking hurricane, it grows clearer that climate change is neither imagined nor distant—and that rising seas are transforming the coastline of the United States in irrevocable ways. In *Rising*, Elizabeth Rush guides readers through these dramatic changes, from the Gulf Coast to Miami, and from New York City to the Bay Area. For many of the plants, animals, and humans in these places, the options are stark: retreat or perish. Rush sheds light on the unfolding crises through firsthand testimonials—a Staten Islander who lost her father during Sandy, the remaining holdouts of a Native American community on a drowning Isle de Jean Charles, a neighborhood in Pensacola settled by escaped slaves hundreds of years ago—woven together with profiles of wildlife biologists, activists, and other members of these vulnerable communities. A Guardian, Publishers Weekly, and Library Journal Best Book Of 2018 Winner of the National Outdoor Book Award A Chicago Tribune Top Ten Book of 2018

Code Talker Joseph Bruchac, 2006-07-06 Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find.—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults Nonsensational and accurate, Bruchac's tale is quietly inspiring...—School Library Journal

Dreaming in Cuban Cristina García, 2011-06-08 “Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.”—Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush.”—San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.”—The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.”—The Denver Post

Grandparenting with a Purpose Lillian Ann Penner, 2010-11 Maybe your grandchildren are living with you. Maybe they're thousands of miles away. Their parents may be spiritually rebellious or simply neglectful of the family's spiritual life, failing to make prayer and church attendance a regular part of their routine. But even if your grandchildren's parents have established a strong Christian home, busy schedules, jobs, parenting, and all the distractions of today's world conspire to distract or even destroy the family. How can you, as a grandparent, help? God gives grandparents a sacred trust an opportunity to imprint another generation with the message of his faithfulness. You can stand in the gap by being a godly example for your grandchildren and by praying for them. Even grandparents who already pray regularly for their grandchildren will discover creative suggestions for making the practice even more meaningful. From cell phones to photo prayer journals, you'll find tools that work for you and for your grandchildren. Author Lillian Ann Penner provides specific examples of prayers to help you get started, such as alphabet prayers, prayers based on special scriptures, and prayers for certain holidays. You may even widen the circle, praying for other children in your life, for children who have parents in the military, and for the adults who influence your grandchildren. Regardless of how far away your grandchildren are, praying for them can bridge the distance between you and leave them with an inheritance more precious than gold.
