**The Running Mate** Joe Klein,2000-05-06 Hailed as astonishingly powerful by The New York Times, and written perfectly by The Washington Post, Joe Klein's #1 bestseller, Primary Colors, was the most-talked-about political novel of the past century. Now acclaimed journalist and author Joe Klein returns with another brilliant and slyly subversive novel set in the gladiatorial arena he knows so well: politics in modern-day America. U.S. senator Charlie Martin is a hot political property, dashing, honorable, irreverent -- and a decorated Vietnam veteran. The Running Mate follows this brash hero on a wild, exhilarating ride through the minefields of politics as usual. But as Charlie quickly learns, combat is a cakewalk compared with the battles waged by free men in pursuit of glory and power. For Charlie's political star is beginning to wane ... a bid for the presidency ends in failure ... a young campaign volunteer's father decks him -- in front of the cameras ... a well-kept secret from Charlie's Vietnam days is revealed ... and a woman has entered his life -- one who loves him but is appalled by his life's work. Suddenly Charlie must confront the two greatest challenges of his life -- a political opponent who has no scruples and a dazzling, unconventional woman who may force him to choose between love and politics. Charlie's dilemma is one that has come to haunt contemporary American politics: Is it possible to be a good politician and a good man?

*the Trouble with Hate is...* Elizabeth Stevens,2018-02-23 ...it's easier. ...it's safer. ...it's often not hate at all. The Granger and Drake families have been through everything together; the suicide of the eldest Granger son, the Drake patriarch's

cancer diagnosis, family holidays with only slight maiming, and more dance recitals than anyone would care to remember. Leilani Granger can't stand the person Casper Drake has become, and Casper doesn't even recognise his best mate's little sister anymore. Loving each other is second-nature, but they don't know how not to hate each other either. As they face losing Leilani's only remaining brother and Casper's best mate to his inner demons, old habits lead them back to each other for comfort. But, after one night of a deeper connection than either of them were ready for, the lines between the emotional and the physical start to blur. Leilani wasn't the kind to lose herself in meaningless sex. Casper's been doing it for years. It's the only time they can forget the storm clouds in their lives. It's the only time they can remember the sunshine. It's the only time hate doesn't get in the way. But, the trouble with hate is...it's often not hate at all. NB: Contains mature content. Not suitable for younger readers.

**A Sparrowhawk's Lament** David Cobham,2014-07-06 Britain is home to fifteen species of breeding birds of prey, from the hedgerow-hopping Sparrowhawk to the breathtaking White-tailed Eagle. In this handsomely illustrated book, acclaimed British filmmaker and naturalist David Cobham offers unique and deeply personal insights into Britain's birds of prey and how they are faring today. He delves into the history of these magnificent birds and talks in depth with the scientists and conservationists who are striving to safeguard them. In doing so, he profiles the writers, poets and filmmakers who have done so much to change the public's perception of birds of prey. There are success stories—five birds of prey that were extinct have become reestablished with viable populations—but persecution is still rife. Featuring drawings by famed wildlife artist Bruce Pearson, this book reveals why we must cherish and celebrate our birds of prey, and why we neglect them at our peril.

**Three Fated Hearts** Nisha T.,2024-10-11 “What are you talking about? Draw what out?” Landon settles back in the chair while Lincoln starts to look a bit panicked. “It’s simple, Linc. She thinks we are here to reject her.” Lincoln looks at Landon then settles back on the couch. I look between the two of them wondering what their plan is. “My.....my dad found out we were mates. He ordered me to reject you two.” Two growls, strong enough to shake the walls, pierce the quiet room. I don’t look at either of them, eyes stuck on my feet instead. “Look I get it. You two love my sisters and want them to be Lunas. That’s fine.” I look up and regret that choice instantly. I can feel the tears gather in my eyes and looking at them threatens to break the dam and have them fall down my face. I look up at the ceiling, hoping to hold it all in. “Let’s just get this over with quickly,” I mumble. I turn back toward the kitchen to be met with 2 pairs of chocolate brown eyes. “We don’t care what anyone thinks. You are our mate, and we plan to have you by our side. Anyone who doesn’t agree can leave our pack.”
