Lama Surya Das

Natural Radiance Lama Surya Das,2010-10-29 One moment of total awareness is one moment of perfect enlightenment. This is the ultimate insight of Dzogchen, or the Great Perfection, the pinnacle teaching of Tibetan Buddhism. With his previous bestselling books including *Awakening the Buddha Within*, American-born Tibetan Buddhist teacher Lama Surya Das has taught millions about the innate wakefulness and liberation that can be our natural ways of being. Now, with *Natural Radiance*, he offers his first complete daily practice program for the personal experience of the swift and direct path of Dzogchen. Dzogchen affirms that we are all Buddhas by nature—infinately open, luminous, compassionate, wise, and free. This profound realization, say the teachings, cannot be understood intellectually or studied mentally, but it can be passed from teacher to student through the spoken word. With *Natural Radiance*, you can now learn these time-honored practices as they have been shared for centuries through direct transmission from an accomplished master of the tradition. Join Lama Surya Das as your trusted guide to help you awaken to the sky like nature of mind—what is known in Tibetan as rigpa, or total and pure presence. This is the time of Dzogchen, says Lama Surya Das, when we most need this immediate teaching of the inherent perfection of being ... the natural state of enlightenment. Includes CD with seven guided Dzogchen techniques.

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 2 John P. Keenan,2022-09-09 This is volume 2 of a wide-ranging interfaith reading of the Letter to the Ephesians—a New Testament text whose words have inspired and enhanced Christian spiritual life and liturgy over the centuries. Unfortunately, at the same time, Ephesians has provided apparent scriptural support to those who would defend slavery, patriarchy, misogyny, and the physical power of Christ over the cosmos. How on earth are today's Christians to receive and understand such a text as this? *Earthing the Cosmic Christ of Ephesians: The Universe, Trinity, and Zhiyi's Threefold Truth* draws upon a broad array of scientific, theological, and philosophical thinkers who enable us both to marvel at today's ever-expanding knowledge of our vast cosmos and to appreciate the importance of the Ephesian letter in the canon of our Christian scriptures, even while we acknowledge the archaic geocentric cosmology that underlies its claims about the cosmic Christ and reject its accommodation to the patriarchal, misogynistic, and slaveholding norms of its first-century culture. Throughout this reading of Ephesians, we look to Chinese Buddhist master Zhiyi and his "threefold truth" to enhance our understanding of trinity and the nascent trinitarian themes within this letter. As a whole, this work constitutes a new appreciation for Ephesians as well as a twenty-first century apologetic for doctrinal humility and for theologizing within a global theological commons.

Wheel of Initiation Julie Tallard Johnson, 2010-07-12 A guide to personal spiritual initiation through the transformation of habitual patterns, apathy, and resistance • Based on the Native American medicine wheel, the Vedic wheel, and the universal initiatory mandala • Enables readers from any tradition to initiate themselves through practices of thought transformation, narrative medicine, meditation exercises, rituals, and journaling • Facilitates breaking through personal and societal illusions that perpetuate resistance and apathy Intentions and spiritual principles, meditation and contemplation, ritual, and risk-taking are the conditions that comprise an initiated life. Regrettably, in modern society we do not have rites of initiation that break through the personal and societal illusions that instill and perpetuate negative habits that keep us in states of resistance. Lacking initiation practices, we often remain trapped in ways of being in the world that were formed by our past conditions and attachments. We tend to identify too strongly with the status quo, which must be challenged to prevent stagnation and to encourage happiness and authenticity. Julie Tallard Johnson shows how to become initiated into an authentic life through practices of thought transformation, cultivating attention, journaling, storytelling, and rituals found in the four directions of the universal mandala. She begins the Wheel of Initiation in the South, where initiates set their intentions; then moves into the West, where they free themselves from habitual patterns and core beliefs; then into the North, the direction of cultivating attention and unity; and finishes in the East, the direction of regeneration and initiation. Drawing upon the life experiences of those who have successfully navigated the wheel, Johnson demonstrates that once fears, assumptions, and ingrained beliefs are confronted and transformed, initiates emerge ready to reenter society with renewed energy and vision that will enrich their own lives and their communities.

Awakening the Buddhist Heart Lama Surya Das, 2007-12-18 Surya Das illustrates how to develop authentic presence, how to connect to our own life experience, build deeper relationships, embrace life's lessons, as well as learn how to love what we don't like. Everyone needs to feel connected, to love and feel loved, to reach out to others and communicate in order to overcome alienation, loneliness, and a feeling of being disconnected. In *AWAKENING THE BUDDHIST HEART* Surya Das shows you how to reach inward and outward. By developing spiritual intelligence, a sense of compassion that helps us be more sensitive, more aware of our own feelings and the feelings of those around us, we become more intuitive; we relate better and love better. Cultivating spiritual intelligence and learning how to connect will improve our capacity for intimacy, making us better mates, friends, parents, and coworkers; it helps all of us to become more giving and brings us fulfillment, meaning, and love. With tremendous insight he explores specific ways in which we can more fruitfully relate to our own experiences as well as each other in today's fast-paced, complicated, and often confusing world.

Simfoni di dalam Diri Gede Prama, 2013-05-07 Sukar dan terbakar, itulah kesimpulan kehidupan di awal abad dua puluh satu ini. Namun buku ini bercerita, kesukaran tidak diciptakan untuk membuat manusia terbakar, kesukaran ada sebagai bahan-bahan kehidupan yang perlu diolah. Sebagaimana direnungkan dalam-dalam oleh buku ini, bukan apa yang terjadi yang terpenting, namun bagaimana mengolah apa yang terjadi agar indah. Makanya simbolik yang diambil adalah simfoni. Kehidupan memang sebuah simfoni. Bahan-bahannya berbeda (senang-sedih, suka-duka, sukses-gagal, suci-kotor, dan seterusnya). Keserakahan tidak bisa menahan datangnya kesedihan, kegagalan, dan kekotoran. Karena demikianlah keadaannya, buku ini menyediakan sejumlah langkah untuk mengolah sampah agar indah. Diawali dengan bab mengolah sampah kehidupan. Sebagaimana sampah sebenarnya, asal rapi dan cermat mengolahnya sampah bisa jadi bunga kemudian. Dan bagaimana wajah bunga indah kehidupan, itulah yang diulas bagian kedua buku ini. Dari kesembuhan, kebahagiaan, kedamaian sampai pencerahan.

Naked Seeing Christopher Hatchell, 2014-09-03 Buddhism is in many ways a visual tradition, with its well-known practices of visualization, its visual arts, its epistemological writings that discuss the act of seeing, and its literature filled with images and metaphors of light. Some Buddhist traditions are also visionary, advocating practices by which meditators seek visions that arise before their eyes. Naked Seeing investigates such practices in the context of two major esoteric traditions, the Wheel of Time (Kalacakra) and the Great Perfection (Dzogchen). Both of these experimented with sensory deprivation, and developed yogas involving long periods of dwelling in dark rooms or gazing at the open sky. These produced unusual experiences of seeing, which were used to pursue some of the classic Buddhist questions about appearances, emptiness, and the nature of reality. Along the way, these practices gave rise to provocative ideas and suggested that, rather than being apprehended through internal insight, religious truths might also be seen in the exterior world—realized through the gateway of the eyes. Christopher Hatchell presents the intellectual and literary histories of these practices, and also explores the meditative techniques and physiology that underlie their distinctive visionary experiences. The book also offers

for the first time complete English translations of three major Tibetan texts on visionary practice: a Kalacakra treatise by Yumo Mikyo Dorjé, The Lamp Illuminating Emptiness, a Nyingma Great Perfection work called The Tantra of the Blazing Lamps, and a Bön Great Perfection work called Advice on the Six Lamps, along with a detailed commentary on this by Drugom Gyalwa Yungdrung.

Awakening To The Sacred Lama Surya Das,2010-09-21 Many of us long to connect with something greater than ourselves to experience the sacred in our daily lives, and to enhance our sense of spiritual enlightenment - yet often we don't know where to begin. Now, in *Awakening to the Sacred*, Lama Surya Das integrates essential Buddhist practices with a variety of other spiritual philosophies, wisdoms and traditions to show how we can create a personalized spiritual practice based on our own individual beliefs, aspirations and needs. Here, as he examines common themes that lie at the heart of any spiritual path, including faith, doubt, love and compassion - and explores rituals such as prayer, yoga and meditation - he provides practical advice on how we can nurture our inner spirit every day of our lives. With his unique and accessible approach, Surya Das emphasizes that we are all, by nature, spiritual beings and that our lives are naturally filled with sacred moments. *Awakening to the Sacred* illuminates the natural meditations already present in daily life, and shows how we can use them to awaken our hearts and minds, and progress towards inner peace, happiness and enlightenment.

Heart of the Great Perfection Dudjom Lingpa,2016-06-07 The revelations of Dūdjom Lingpa, a highly influential mystic of 19th century Tibet, translated by B. Alan Wallace, widely respected for his lucid and readable translations of Tibetan Buddhism. Dūdjom Lingpa (1835–1904) was one of the foremost tantric masters of his time. This new series includes his visionary teachings on the Great Perfection (Dzogchen), the pinnacle of practice in Tibet's oldest Buddhist school. Volume 1 contains four works explaining the view and practice of the Great Perfection, the signature style of meditation of the Nyingma school of Tibetan Buddhism: *The Sharp Vajra of Conscious Awareness Tantra*: This work is considered the root distillation of Dūdjom Lingpa's wisdom. *Essence of Clear Meaning*: This definitive commentary, which unpacks the quintessential verses of *The Sharp Vajra*, is based on Dūdjom Lingpa's oral teachings recorded by his disciple Pema Tashi. *The Foolish Dharma of an Idiot Clothed in Mud and Feathers*: Dūdjom Lingpa narrates the essential Dharma teachings from the perspective of an old man rejecting superficial appearances. *The Enlightened View of Samantabhadra*: A masterful exposition of the Great Perfection is revealed as a dialogue between wisdom beings who bestow a treasury of pith instructions and specific advice for practitioners. While the teachings in this series have inspired generations of Tibetans, few have been published in translation—until now.

Awakening Wisdom Pema Wangyal,2023-02-28 A clear, short, and delightful guide to practicing Vajrayana Buddhism, covering everything a beginner needs to know to get started, including instructions on the Vajrayana preliminary practices. If you are new to Tibetan Buddhism, this short work will help you get started with your practice, and if you are well steeped in

these teachings, it will remind you of the essentials points. Framed as a commentary on the Tersar Ngondro by Dudjom Rinpoche, *Awakening Wisdom* is geared toward connecting people with practice. Part I covers motivation, posture and breathing, mantra practice, and the four reflections that turn the mind toward Buddhist practice. Part II covers mantras and tonglen, the compassion practice that helps us connect to the suffering of others. Part III provides guidance about the preliminary practices themselves: the practice of the threefold refuge; generating the altruistic mind, or bodhichitta; purification practice; mandala offering; and Guru Yoga, explaining how each practice is the antidote to a particular cause of suffering, or “poison.” Part III also includes precious guidance about the Vajra Guru mantra and the transference of consciousness at the moment of death. While these may seem like technical subjects—and this is indeed a traditional presentation—Pema Wangyal’s writing is suffused with warmth and tenderness, making this book quite accessible and inviting to beginners.

Heart of the Great Perfection Bdud-'joms-glin-pa (Gter-ston), Rinpoche Sogyal, 2016 The first in a three-volume set presents the revelations of Dudjom Lingpa, a highly influential mystic of 19th century Tibet. This new series includes his five visionary teachings on the Great Perfection (Dzogchen), the pinnacle of practice in Tibet's oldest Buddhist school, along with three essential commentaries. While the teachings in this series have inspired generations of Tibetans, only one of the eight texts has been published in translation--until now--
