If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book

That Will Never Work Marc Randolph, 2019-09-17 In the tradition of Phil Knight's *Shoe Dog* comes the incredible untold story of how Netflix went from concept to company - all revealed by co-founder and first CEO Marc Randolph. Engaging and insightful. --Reed Hastings, CEO of Netflix As the founding CEO, Marc Randolph's leadership defined the culture of Netflix and laid the groundwork for successive, global revolutions in how we make and consume entertainment. --Gina Keating, author of *Netflixed: The Epic Battle for America's Eyeballs* Charming, fascinating and very funny. If you've ever wondered how to turn an idea into a global household name, Marc Randolph will demystify the world of Silicon Valley start-ups, and make you laugh a lot along the way. --Decca Aitkenhead, *The Sunday Times* A charming first-person account of the early days of one of the most successful tech start-ups ever. An engaging read that will engross any would-be entrepreneur. --The Washington Post Once upon a time, brick-and-mortar video stores were king. Late fees were ubiquitous, video-streaming unheard of, and widespread DVD adoption seemed about as imminent as flying cars. These were the widely accepted laws of the land in 1997 when Marc Randolph had an idea. It was a simple thought - leveraging the internet to rent movies - and was just one of many more proposals, like personalised baseball bats and a shampoo delivery service, that Randolph would pitch to his business partner, Reed Hastings, on their commute to work each morning. But Hastings was intrigued, and the pair - with Hastings as the primary investor and Randolph as the CEO - founded a company. Now with over 150 million subscribers, Netflix's triumph feels inevitable but the twenty-first century's most disruptive start-up began with few believers and calamity at every turn. From having to pitch his own mother on being an early investor, to the motel conference room that served as a first office, to server crashes on launch day, to the now-infamous meeting when they pitched Blockbuster to acquire them, Marc Randolph's transformational journey exemplifies how anyone with grit, gut instincts and determination

can change the world - even with an idea that many think will never work. What emerges, however, isn't just the inside story of one of the world's most iconic companies. Full of counter-intuitive concepts and written in binge-worthy prose, it answers our most fundamental questions about taking that leap of faith in business or in life: How do you begin? How do you weather disappointment and failure? How do you deal with success? What even is success? From idea generation to team building to knowing when it's time to let go, *That Will Never Work* is not only the ultimate follow-your-dreams parable but also one of the most dramatic and insightful entrepreneurial stories of our time. Marc wastes no time cutting through the noise. He understands what is important whether it is your product, your marketing, or your business plan. A remarkable and one of a kind visionary. --Mitch Lowe, founder of RedBox and CEO of MoviePass An entertaining chronicle of creativity, luck, and unflinching perseverance. --Kirkus

Can't Hurt Me David Goggins, 2021-03-03 New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him The Fittest (Real) Man in America. In *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Find a Way Diana Nyad, 2015-10-22 Winner of the Cross Sports International Autobiography of the Year award. In the 1970s, Diana Nyad was widely regarded as the greatest long-distance swimmer in the world and set many world records, such as circling Manhattan Island and crossing the 102.5 miles between the Bahamas and Florida. But one record continually eluded her: becoming the first woman to swim between Cuba and the Florida Keys without a shark cage. Finally, in September 2013, after four failed attempts and at the age of sixty-four, Diana completed the crossing after two days and two nights of continuous swimming - 53 consecutive hours, 110 miles. Millions of people watched her and cried and cheered and were dazzled and amazed by her tenacity and courage. Her memoir, *Find a Way*, is a dramatic, page-turning account of the epic endurance quest that led to that moment, and is also a galvanizing call to live life boldly, in-the-moment, fearlessly, passionately, with no regrets. What makes this book special is that it not only recounts an astonishing and hard won triumph, though it does tell the story of an extraordinary and improbable victory. What makes this book, and Nyad herself, so incredible is the fact of her monumental courage in the face of failure. Nyad failed, and failed, and failed, and failed, but never gave up, and this memoir shows her unwavering belief in the face of overwhelming odds. It is about perseverance, tenacity and commitment on an epic scale.

Why Not Me? Mindy Kaling,2015-09-15 #1 NEW YORK TIMES BESTSELLER • From the author of *Is Everyone Hanging Out Without Me?* and creator of *The Mindy Project* and *Never Have I Ever* comes a hilarious collection of essays about her ongoing journey to find contentment and excitement in her adult life. “This is Kaling at the height of her power.”—USA Today In *Why Not Me?*, Kaling shares insightful, deeply personal stories about falling in love at work, seeking new friendships in lonely places, attempting to be the first person in history to lose weight without any behavior modification whatsoever, and believing that you have a place in Hollywood when you’re constantly reminded that no one looks like you. In “How to Look Spectacular: A Starlet’s Confessions,” Kaling gives her tongue-in-cheek secrets for surefire on-camera beauty, (“Your natural hair color may be appropriate for your skin tone, but this isn’t the land of appropriate—this is Hollywood, baby. Out here, a dark-skinned woman’s traditional hair color is honey blonde.”) “Player” tells the story of Kaling being seduced and dumped by a female friend in L.A. (“I had been replaced by a younger model. And now they had matching bangs.”) In “Unlikely Leading Lady,” she muses on America’s fixation with the weight of actresses, (“Most women we see onscreen are either so thin that they’re walking clavicles or so huge that their only scenes involve them breaking furniture.”) And in “Soup Snakes,” Kaling spills some secrets on her relationship with her ex-boyfriend and close friend, B.J. Novak (“I will freely admit: my relationship with B.J. Novak is weird as hell.”) Mindy turns the anxieties, the glamour, and the celebrations of her second coming-of-age into a laugh-out-loud funny collection of essays that anyone who’s ever been at a turning point in their life or career can relate to. And those who’ve never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper.

I'm Thinking of Ending Things Iain Reid,2016-06-14 Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (*Entertainment Weekly*) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of Ending Things* pulls you in from the very first page...and never lets you go.
