

Strange Defeat Marc Bloch

Alistair Horne

Strange Defeat Marc Bloch, 2021-11-09T16:36:00Z A renowned historian and Resistance fighter - later executed by the Nazis - analyzes at first hand why France fell in 1940. Marc Bloch wrote *Strange Defeat* during the three months following the fall of France, after he returned home from military service. In the midst of his anguish, he nevertheless brought to his study of the crisis all the critical faculty and all the penetrating analysis of a first-rate historian (*Christian Science Monitor*). Bloch takes a close look at the military failures he witnessed, examining why France was unable to respond to attack quickly and effectively. He gives a personal account of the battle of France, followed by a biting analysis of the generation between the wars. His harsh conclusion is that the immediate cause of the disaster was the utter incompetence of the High Command, but his analysis ranges broadly, appraising all the factors, social as well as military, which since 1870 had undermined French national solidarity. Much has been, and will be, written in explanation of the defeat of France in 1940, but it seems unlikely that the truth of the matter will ever be more accurately and more vividly presented than in this statement of evidence. - *New York Times Book Review*. The most wisdom-packed commentary on the problem set [before] all intelligent and patriotic Frenchmen by the events of 1940. - *Spectator*.

The French Defeat of 1940 Joel Blatt, 1997-08-01 Why France, the major European continental victor in 1918, suffered total defeat in six weeks at the hands of the vanquished power of 1918 only two decades later remains moot. Why the stunning reversal of fortunes? In this volume thirteen prominent scholars reexamine the French debacle of 1940 in interwar perspectives, utilizing fresh analysis, original approaches, and new sources. Although the tenor of the volume is critical, the contributors also suggest that French preparations for war knew successes as well as failures, that French defeat was not inevitable, and that the Battle of France might have turned out differently if different choices had been made and other paths been followed.

Strange Victory Ernest R. May, 2001 The author examines the book *Strange Defeat* by the French historian Marc Bloch and argues that Germany's success is even more of a puzzle than Bloch could have imagined, for we now know that its armed forces were measurably inferior to those of France and its allies, even in tanks, and its top military leaders all considered an attack on France to be a long-odds gamble.--Jacket.

The Historian's Craft Marc Bloch, 2024-12-11 The work explores the craft of the historian from a number of different

angles and discusses what constitutes history and how it should be configured and created in literary form by the historian. The scope of the work is broad across space and time: in one chapter, for instance, he cites a number of examples of erroneous history-writing and forgeries, citing sources as wide-ranging as the Commentaries of Julius Caesar and the Protocols of the Elders of Zion. His approach is one that is configured not for those who are necessarily professional historians themselves (members of what he referred to as 'the guild') but instead for all interested readers and non-specialists. Bloch also expressed the viewpoint that the craft of the historian should not be a judgmental one that the historian should attempt to explain and describe rather than evaluate in normative terms. At one stage in the work, for instance, Bloch observes that the mania for making judgments is a satanic enemy of true history.

Marc Bloch Carole Fink,1989 A full biography of one of the great historians for the twentieth century.

To Lose a Battle Alistair Horne,2007-06-28 In 1940, the German army fought and won an extraordinary battle with France in six weeks of lightning warfare. With the subtlety and compulsion of a novel, Horne's narrative shifts from minor battlefield incidents to high military and political decisions, stepping far beyond the confines of military history to form a major contribution to our understanding of the crises of the Franco-German rivalry. To Lose a Battle is the third part of the trilogy beginning with The Fall of Paris and continuing with The Price of Glory (already available in Penguin).

The Royal Touch (Routledge Revivals) Marc Bloch,2015-02-20 First published in English in 1973, The Royal Touch explores the supernatural character that was long attributed to royal power. Throughout history, both France and England claimed to hold kings with healing powers who, by their touch, could cure people from all strands of society from illness and disease. Indeed, the idea of royalty as something miraculous and sacred was common to the whole of Western Europe. Using the work of both professional scholars and of doctors, this work stands as a contribution to the political history of Europe.

Martyred Village Sarah Bennett Farmer,2000-06-15 A full-scale study of the destruction of Oradour and its remembrance over the half century since the war. Farmer investigates the prominence of the massacre in French understanding of the national experience under German domination.

Feudal Society Marc Bloch,1961

Hate Marc Weitzmann,2019-03-12 "All those who care about France, Jews, East-West relations, and, indeed, our entire modern culture, must read this book." —Tom Reiss, Pulitzer Prize-winning author What is the connection between a rise in the number of random attacks against Jews on the streets of France and strategically planned terrorist acts targeting the French population at large? Before the attacks on Charlie Hebdo, the Bataclan night club, and others made international headlines, Marc Weitzmann had noticed a surge of seemingly random acts of violence against the Jews of France. His disturbing and eye-opening new book, Hate, proposes that both the small-scale and large-scale acts of violence have their roots in not one, but two very specific forms of populism: an extreme and violent ethos of hate spread among the Muslim

post-colonial suburban developments on the one hand, and the deeply-rooted French ultra-conservatism of the far right. Weitzmann's shrewd on-the-ground reporting is woven throughout with the history surrounding the legacies of the French Revolution, the Holocaust, and Gaulist "Arab-French policy." Hate is a chilling and important account that shows how the rebirth of French Anti-Semitism relates to the new global terror wave, revealing France to be a veritable localized laboratory for a global phenomenon. "[An] excellent and chilling report-cum-memoir about one of the most unsettling phenomena in contemporary Europe." —The Wall Street Journal "[Hate has] an often illuminating intensity as it grapples with an unresolved French and European quandary . . . Cleareyed." —The New York Times Book Review "Weitzmann's absorbing reckoning carries urgent lessons and warnings for us all." —Philip Gourevitch, New York Times-bestselling author

The Fall of France Julian Jackson, 2004-04-22 On 16 May 1940 an emergency meeting of the French High Command was called at the Quai d'Orsay in Paris. The German army had broken through the French lines on the River Meuse at Sedan and elsewhere, only five days after launching their attack. Churchill, who had been telephoned by Prime Minister Reynaud the previous evening to be told that the French were beaten, rushed to Paris to meet the French leaders. The mood in the meeting was one of panic and despair; there was talk of evacuating Paris. Churchill asked Gamelin, the French Commander in Chief, 'Where is the strategic reserve?' 'There is none,' replied Gamelin. This exciting book by Julian Jackson, a leading historian of twentieth-century France, charts the breathtakingly rapid events that led to the defeat and surrender of one of the greatest bastions of the Western Allies, and thus to a dramatic new phase of the Second World War. The search for scapegoats for the most humiliating military disaster in French history began almost at once: were miscalculations by military leaders to blame, or was this an indictment of an entire nation? Using eyewitness accounts, memoirs, and diaries, Julian Jackson recreates, in gripping detail, the intense atmosphere and dramatic events of these six weeks in 1940, unravelling the historical evidence to produce a fresh answer to the perennial question of whether the fall of France was inevitable.

France 1940 Philip Nord, 2015-03-01 In this revisionist account of France's crushing defeat in 1940, a world authority on French history argues that the nation's downfall has long been misunderstood. Philip Nord assesses France's diplomatic and military preparations for war with Germany, its conduct of the war once the fighting began, and the political consequences of defeat on the battlefield. He also tracks attitudes among French leaders once defeat seemed a likelihood, identifying who among them took advantage of the nation's misfortunes to sabotage democratic institutions and plot an authoritarian way forward. Nord finds that the longstanding view that France's collapse was due to military unpreparedness and a decadent national character is unsupported by fact. Instead, he reveals that the Third Republic was no worse prepared and its military failings no less dramatic than those of the United States and other Allies in the early years of the war. What was unique in France was the betrayal by military and political elites who abandoned the Republic and supported the reprehensible Vichy

takeover. Why then have historians and politicians ever since interpreted the defeat as a judgment on the nation as a whole? Why has the focus been on the failings of the Third Republic and not on elite betrayal? The author examines these questions in a fascinating conclusion.

A French Tragedy Tzvetan Todorov, 1996 An internationally renowned scholar examines an episode in the chaos & retributive strife that engulfed France during the liberation at the end of World War II.

Strange Defeat Marc Bloch, 1949

French Rural History Marc Bloch, 1966 From the Preface by Lucien Febvre: MARC BLOCH'S *Caracteres originaux de l'histoire rurale française*, which was originally published at Oslo in 1931 and appeared simultaneously at Paris under the imprint Belles Lettres, has long been out of print. As he told me on more than one occasion, he had every intention of bringing out another edition. In Marc Bloch's own mind this was not simply a matter of reissuing the original text. He knew, none better, that time stops for no historian, that every good piece of historical writing needs to be rewritten after twenty years: otherwise the writer has failed in his objective, failed to goad others into testing his foundations and improving on his rasher hypotheses by subjecting them to greater precision. Marc Bloch was not given time to refashion his great book as he would have wished. One wonders whether he would in fact ever have brought himself to do it. I have the impression that the prospect of this somewhat dreary and certainly difficult task (however one may try to avoid it, revision of an earlier work is always hampered by the original design, which offers few easy loopholes for escape) held less appeal than the excitement of conceiving and executing an entirely new book. However this may be, our friend has carried this secret, with so many others, to his grave. The fact remains that one of our historical classics, now more than twenty years old, is due for republication and is here presented to the reader.

The Feudal Transformation Jean-Pierre Poly, Eric Bournazel, 1991 Discusses the institutional, political, social, and mental structures of French feudal society. -- Dust jacket.

Transnational Jean Rhys Juliana Lopoukhine, Frédéric Regard, Kerry-Jane Wallart, 2020-12-10 This volume investigates the frameworks that can be applied to reading Caribbean author Jean Rhys. While *Wide Sargasso Sea* famously displays overt forms of literary influences, Jean Rhys's entire oeuvre is so fraught with connections to other texts and textual practices across geographical boundaries that her classification as a cosmopolitan modernist writer is due for reassessment. *Transnational Jean Rhys* argues against the relative isolationism that is sometimes associated with Rhys's writing by demonstrating both how she was influenced by a wide range of foreign – especially French – authors and how her influence was in turn disseminated in myriad directions. Including an interview with Black Atlantic novelist Caryl Phillips, this collection charts new territories in the influences on/of an author known for her dislike of literary coteries, but whose literary communality has been underestimated.

Thinking About History Sarah Maza, 2017-09-18 What distinguishes history as a discipline from other fields of study? That's the animating question of Sarah Maza's *Thinking About History*, a general introduction to the field of history that revels in its eclecticism and highlights the inherent tensions and controversies that shape it. Designed for the classroom, *Thinking About History* is organized around big questions: Whose history do we write, and how does that affect what stories get told and how they are told? How did we come to view the nation as the inevitable context for history, and what happens when we move outside those boundaries? What is the relation among popular, academic, and public history, and how should we evaluate sources? What is the difference between description and interpretation, and how do we balance them? Maza provides choice examples in place of definitive answers, and the result is a book that will spark classroom discussion and offer students a view of history as a vibrant, ever-changing field of inquiry that is thoroughly relevant to our daily lives.

How We Think They Think Maurice E F Bloch, 2018-02-02 "Maurice Bloch is so ferociously smart that one can always enjoy tangling with his ideas, even when—perhaps especially when—one doesn't agree with him. This is an important and provocative book." —Sherry Ortner Columbia University These essays by one of anthropology's most original theorists consider such fundamental questions as: Is cognition language-based? How reliable a guide to memory are people's narratives about themselves? What connects the "social recalling" studied by anthropologists to the "autobiographical memory" studied by psychologists? Now gathered in accessible form for the first time and drawing frequently upon the author's fieldwork among the Zafimaniry of Madagascar for ethnographic examples, the twelve closely linked essays of *How We Think They Think* pose provocative challenges not only to conventional cognitive models but to the basic assumptions that underlie much of ethnography. This book will be read with interest by those who study culture and cognition, ethnographic theory and practice, and the peoples and cultures of Africa.

Catherine & Diderot Robert Zaretsky, 2019-02-18 A dual biography crafted around the famous encounter between the French philosopher who wrote about power and the Russian empress who wielded it with great aplomb. In October 1773, after a grueling trek from Paris, the aged and ailing Denis Diderot stumbled from a carriage in wintery St. Petersburg. The century's most subversive thinker, Diderot arrived as the guest of its most ambitious and admired ruler, Empress Catherine of Russia. What followed was unprecedented: more than forty private meetings, stretching over nearly four months, between these two extraordinary figures. Diderot had come from Paris in order to guide—or so he thought—the woman who had become the continent's last great hope for an enlightened ruler. But as it soon became clear, Catherine had a very different understanding not just of her role but of his as well. Philosophers, she claimed, had the luxury of writing on unfeeling paper. Rulers had the task of writing on human skin, sensitive to the slightest touch. Diderot and Catherine's series of meetings, held in her private chambers at the Hermitage, captured the imagination of their contemporaries. While heads of state like Frederick of Prussia feared the consequences of these conversations, intellectuals like Voltaire hoped they would further the

goals of the Enlightenment. In Catherine & Diderot, Robert Zaretsky traces the lives of these two remarkable figures, inviting us to reflect on the fraught relationship between politics and philosophy, and between a man of thought and a woman of action.

When somebody should go to the ebook stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we present the books compilations in this website. It will definitely ease you to look guide **Strange Defeat Marc Bloch** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. Strange Defeat Marc Bloch Introduction

Strange Defeat Marc Bloch Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Strange Defeat Marc Bloch Offers a vast collection of books, some of

which are available for free as PDF downloads, particularly older books in the public domain. Strange Defeat Marc Bloch : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Strange Defeat Marc Bloch : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Strange Defeat Marc Bloch Offers a diverse range of free eBooks across various genres. Strange Defeat Marc Bloch Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Strange Defeat Marc Bloch Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Strange Defeat Marc Bloch, especially related to Strange Defeat Marc Bloch, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own

Online Searches: Look for websites, forums, or blogs dedicated to Strange Defeat Marc Bloch, Sometimes enthusiasts share their designs or concepts in PDF format.

Books and Magazines Some Strange Defeat Marc Bloch books or magazines might include. Look for these in online stores or libraries. Remember that while Strange Defeat Marc Bloch, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers

eBook lending services. Many libraries have digital catalogs where you can borrow Strange Defeat Marc Bloch eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Strange Defeat Marc Bloch full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Strange Defeat Marc Bloch eBooks, including some popular titles.

FAQs About Strange Defeat Marc Bloch Books

What is a Strange Defeat Marc Bloch PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Strange Defeat Marc Bloch PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can

convert different file types to PDF. **How do I edit a Strange Defeat Marc Bloch PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Strange Defeat Marc Bloch PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Strange Defeat Marc Bloch PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there

any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
