[A Proposal They Can't Refuse](#) Natalie Caña,2022-06-07 "Utterly charming... A Proposal They Can't Refuse is a surefire winner!" —Mia Sosa, USA Today bestselling author of The Worst Best Man Natalie Caña turns up the heat, humor and heart in this debut rom-com about a Puerto Rican chef and an Irish American whiskey distiller forced into a fake engagement by their scheming octogenarian grandfathers. Kamilah Vega is desperate to convince her family to update their Puerto Rican restaurant and enter it into the Fall Foodie Tour. With the gentrification of their Chicago neighborhood, it's the only way to save the place. The fly in her mofongo—her blackmailing abuelo says if she wants to change anything in his restaurant, she'll have to marry the one man she can't stand: his best friend's grandson. Liam Kane spent a decade working to turn his family's distillery into a contender. But just as he and his grandfather are on the verge of winning a national competition, Granda hits him with a one-two punch: he has cancer and has his heart set on seeing Liam married before it's too late. And Granda knows just the girl...Kamilah Vega. If they refuse, their grandfathers will sell the building that houses both their businesses. With their futures on the line, Kamilah and Liam plan to outfox the devious duo, faking an engagement until they both get what they want. But soon, they find themselves tangled up in more than either of them bargained for.

Tucker's Discovery Jed O'Dea,2014-09-05 An incredible scientific discovery with the potential to benefit all of mankind has an unintended consequence: geopolitical chaos. Leaders of nations threatened by the discovery dispatch assassins to eliminate the threat. Other state-sponsored agents are tasked to secure the secret formula for their own duplicitous motives. Desperate people do desperate things. The fragile order of power and wealth between leaders of nations and the precarious relationship between true relevance and those leaders grasping for relevance are challenged by the impact of the discovery. Tucker Cherokee is the last person alive that knows how to make the discovery work. It surprised him that people would want to kill or kidnap him because of that knowledge. Staying alive became an unwanted adventure. Fortunately, he knew just the right person to keep him alive.

His Outrageous Proposal Tracy Cooper-Posey,2022-12-12 Alice loves her family, but longs for independence... Lady Alice Thomasina Balfour is the acknowledged daughter of Dane, Duke of Wakefield, but her real father is Benjamin Hedley, her mother's secret and lifelong partner. Her third father is Stephen Spearing, Esq., who is Dane's secret partner. Alice is torn between her beloved family and their expectations and her need for the independence young, modern women are

beginning to enjoy, which she believes she can have if she opens her own shop. She needs funds to do so, but as a woman, cannot take a loan with any bank. Her family for once, are not supportive. Garrick Lawrence Wortham is not a peer, but thanks to his family's fortune and upper-class status, he is expected to marry into the peerage and solidify the family's reputation. After refusing yet another debutante, Garrick feels obliged to bow to his father's wishes to fund and manage a new, shocking project; the opening of a retail establishment by the daughter of the Duke of Wakefield, a peer whose family have fallen into disgrace and social ruin. But managing the willful woman's new business venture is more taxing than he expected. It doesn't help that the lovely Lady Alice is prickly, defensive and hiding secrets that, as he learns more, brings him to make an outrageous proposal... This book is part of the Scandalous Family—The Victorians series. This is the second spin-off series to feature a new generation of the Great Family, who are now scattering across Europe and beyond in search of adventure...and love. Scandalous Family—The Victorians series: 1.0 His Parisian Mistress 2.0 Her Rebellious Prince 3.0 Their Foreign Affair 4.0 His Outrageous Proposal ...and more to come! A Victorian Era Historical Romance __ Praise for the Scandalous Family—The Victorians series Tracy is a wonderful writer that loves a complicated story. While her stories are true to the Victorian era, she brings so much more to her books. The characters are full of emotion and suck you right into the story. I love how Tracy pulls the reader into the story and we feel we have a front row seat to the action, and feel all the ups and downs of the characters. One thing is for sure, this is not your usual Victorian romance. This story has a great, and at least for me, and unexpected plot. This is a really satisfying read! There's plenty of substance to the plot and an interesting storyline with intrigue, action and suspense as well as the delicious romantic relationship developed between the two main characters. Tracy Cooper-Posey has a succinct and yet enthralling writing style that creates such an immersive experience that I feel like I'm stepping into situations right alongside these characters that I am getting to know! __ Tracy Cooper-Posey is a #1 Best Selling Author. She writes romantic suspense, historical, paranormal and science fiction romance. She has published over 120 novels since 1999, been nominated for five CAPAs including Favorite Author, and won the Emma Darcy Award. She turned to indie publishing in 2011. Her indie titles have been nominated four times for Book Of The Year. Tracy won the award in 2012, and an SFR Galaxy Award in 2016 for "Most Intriguing Philosophical/Social Science Questions in Galaxybuilding" She has been a national magazine editor and for a decade she taught romance writing at MacEwan University. She is addicted to Irish Breakfast tea and chocolate, sometimes taken together. In her spare time she enjoys history, Sherlock Holmes, science fiction and ignoring her treadmill. An Australian Canadian, she lives in Edmonton, Canada with her husband, a former professional wrestler, where she moved in 1996 after meeting him on-line.

There's No Government Like No Government Jackney Sneeb,2007-02-26 There's No Government Like No Government celebrates the belief in the human spirit unmolested by state-worship. It extols the value of individual judgment, based on perceptions, experience, and reason, and in the process derisively mocks the mindless blind faith in the inherent righteousness of the law. It excoriates the belief that politicians ought to have, or even could have, the ability to alter morality simply by scribbling some words on a piece of paper. It offers a systematic approach to debunking the myth of the state using a logical analysis of the concept of government, in tandem with extracts of debates between the defenders of liberty and various authoritarians. The sheep themselves reveal the bogus nature of the supposed authority of all rulers, be they elected democratically or chosen otherwise, in their downright insane descriptions of government. Various described as General Motors, or a group of people we elect to guarantee our rights, or the agency that doesn't have to be morally correct - that's why it is government, the insane belief deserves to be smashed, and this book is dedicated to doing exactly that. Keep it on your coffee table, in plain sight for all the state-worshipping control freaks to see, to be used as your answer when asked, Who did you vote for?

Emerging Conversations on Theofiliation Kenneth Ameke,Samuel Uzoukwu,2019-10-10 It is in honour of the silver jubilee of Most Rev. Anthony J. V. Obinna's episcopacy that this book is put together in this first volume titled Emerging Conversations on Theofiliation: Essays in Honour of Archbishop Anthony J. V. Obinna. This volume discusses and enlarges

insights inherent in Archbishop Obinna's theological thinking on theofiliation. Therefore, the contributors to this volume critically examine his idea of theofiliation from their areas of speciality as a further exploration of this theological term. The willingness of the contributors has resulted in a collection that envisage the eclectic and heterogeneous scholarly vision of its honouree. Besides, the contributors to this maiden edition encompass both illustrious theologians and promising researchers in theology, philosophy, psychology, and management. The themes discussed by the contributors are grouped into biblical/comparative study, systematic/pastoral, ethical/management, philosophical/political, and anthropological issues. The enriching and diverse collections of this volume have five thematic sections of nineteen chapters that theofiliation brings together. "This Festschrift in honour of Amarachi Obinna is a compendium of usable knowledge. The authors have dealt with various themes largely inspired by the theology and practice of the archbishop. This conviction leads to the reflections on theofiliation, the reinGodment of all creation. The Festschrift is truly a treasure" (Prof. John Obilor, Imo State University Owerri). "This book is an insightful reading which will serve as an inspirational theological wellspring for emerging scholars engaged in articulating a robust African contextual theology to which it breathes fresh air. The spirit of dynamism in Archbishop Obinna's novel brainchild of theofiliation is manifested in its applicability to wide-ranging academic disciplines" (William Odeke Owire, KU Leuven).

Naked Cinema Sally Potter, 2014-03-04 Sally Potter has been renowned for her rapport with actors, and for the luminous performances she works with them to produce. Now she strips bare the art and craft of directing actors for the camera, from casting a film to the moment of first screening when the work goes public. A brilliant writer for the screen, here Potter shows herself to be expert at translating the experience of film directing to the page. She addresses us in prose that is both unsentimental and inspired, tracing the energies that pass between actor, director and audience; shaping for the reader the acts of transmission and imagination, performance and witness, the sum of which make up a film. In addition to the core text, the book contains interviews with actors with whom Sally Potter has worked, whose voices will counterpoint Sally Potter's, and will inform and illuminate the reader's sense of her work. Those interviewed include: Julie Christie, Johnny Depp, Jude Law, Judi Dench, Simon Abkarian, Annette Benning, Timothy Spall, Steve Buscemi, Riz Ahmed, Elle Fanning, Alessandro Nivola, and Lily Cole.

The Germ of Justice Leslie Green, 2023 *The Germ of Justice* covers the leading problems of contemporary jurisdiction to introduce current conversations surrounding the morality of law in an accessible way. Through the works of Hume, Hart, and others, it addresses the nature of law, relations between law and morality, and the demands that law makes of its officers and its subjects.

Miguk, the Holy Man Chaucer Malone,2008-05 Miguk, the Holy Man, retires on the small Pacific island of Nevahachi. People are amused when he rails against (unwanted) Western encroachments and the (haphazard) industrialization of the island. Yet when he trades his life for a hostage (the woman he loves), during an aborted robbery, and then induces his captor to give himself up, the island begins to believe he is somehow graced. He later saves the people from a curse that has hung over the island for many years. He appears even to cure a woman of her illness. His untimely death is turned into a miracle. His hand appears to rise in benediction, as if blessing the island - and an industrial project that he once opposed.

A Feast of Weeds Luigi Ballerini,2012-10-29 A dazzling display of humanistic erudition, wit, and practical culinary advice. Ballerini's living herbarium reinitiates modern readers living in the concrete manswarm into the joys of foraging, gathering, and savoring herbs, flowers, and berries. Its wide-ranging historical context, a veritable documentary of poets and chroniclers of past and present, is a learned celebration of nature's bounty. Practical and flavorful recipes for each plant transport the 'weeds' from the field to the palate and enhance a narrative enriched by splendid complementary footnotes.—Albert Sonnenfeld, Series Director, Arts of the Table Weeds indeed. A guide as witty as he is erudite, Luigi Ballerini has given us a remarkable compendium of the wild greens, along with their flowers and fruits, that people have foraged and eaten for millennia. Once the food of the poor, such ingredients are now in high demand. Gathering greens both familiar—such as mint or borage—and obscure—milk thistle and wallrocket—Ballerini draws upon a diverse cast of authors to attest or dispute their real or alleged medicinal powers. Just as important, he never neglects to suggest how they taste or to present fine recipes so that we can savor them for ourselves.—Carol Field, author of *The Italian Baker* The scholar and poet Luigi Ballerini has given us a mouthwatering treasure of inventive Italian recipes for foraged wild plants adapted for the American locavore kitchen (including ten for borage alone, as well as nettle and purslane frittatas, and prickly pear risotto). This elegantly illustrated volume is peppered with humor and tastefully seasoned with a wealth of cultural, historical, and scientific sources and information. *A Feast of Weeds* is food for both the palate and the mind.—Jean-Claude Carron, University of California, Los Angeles
