Der Aufstieg der Falange Española Marco Claas,2016-10-10 Between WWI and WWII, fascism evolved into a European movement. The Falange Española party - founded in 1933 - introduced fascist cultural and violent practices in Spain. In his study, Marco Claas maps out for the first time an impressive social and cultural history of the Falange Party and its fascism: The party leaders insisted upon an intelligent and romantic variant, which, according to their self-conception, distinguished them from other European forces. Through the Falange Española's policies, a form of fascism emerged that was somewhat Spanish in character, ultimately displaying its mobilisation potential to the full during the Spanish Civil War.

Samuel May Williams, 1795-1858; Biography Rosenberg Library,1956

The Honorable Merchant - Between Modesty and Risk-Taking Christoph Lütge,Christoph Strosetzki,2019-01-11 This volume explores the concept of the honest merchant, taking a broad perspective and covering a wide range of aspects. It looks at the different types of "honest merchant" conceptions originating from different cultures and literary traditions. The book covers Japanese, Islamic, Scandinavian, Russian, German, Spanish, as well as other aspects, and studies different disciplinary backgrounds of the honest merchant, such as philosophical, economic, neuroethical, sociological and literary ones. The concept of the honest merchant has a long tradition in business ethics. In the Hanseatic League and in medieval Italy, the ideal of the honest businessman was taught since the late Middle Ages. It originated during a time when travelling merchants were often regarded with a sceptical eye. The honest merchants of their time however held clear principles in their business and took responsibility for their community. In later times, the religious notions of the concept lost their pivotal place to reason and morality. This book goes beyond the tradition of discussing business ethics in association with concepts from the Hanseatic League and medieval Italy, and puts the central concept of business ethics in a much greater perspective.

España a finales de la Edad Media. 2. Sociedad. Miguel Ángel Ladero Quesada,2022-09-16 El volumen primero de España a finales de la Edad Media (2017) ya trató sobre algunos marcos y fundamentos del orden social como son las realidades geográficas, la población y, en especial, el sistema económico y su funcionamiento, incluyendo una aproximación a los grupos sociales que intervenían en la producción y distribución de bienes. Este segundo volumen tiene como objeto estudiar el conjunto de la estructura social, su dinámica y las relaciones que se establecen en el seno de la sociedad, en diversos ámbitos

y modalidades: Iglesia, nobleza y señoríos, campesinos, ciudades y municipios, grupos marginales, judíos, mudéjares. El tiempo histórico a considerar discurre desde mediados del siglo XIII hasta comienzos del XVI y, como es el primer volumen, se ofrece una amplia guía bibliográfica clasificada por materias para dar a conocer el estado de las investigaciones y gran parte de las publicaciones especializadas.

The Hispanic American Historical Review, 1956

Historia de un perro llamado Leal. Spanischer Text mit deutschen Worterklärungen. Niveau A2-B1 (GER) Luis Sepúlveda, 2022-02-11 Spanische Literatur in Reclams Roter Reihe: das ist der spanische Originaltext - mit Worterklärungen am Fuß jeder Seite, Nachwort und Literaturhinweisen. Afmau - auf Spanisch »leal«, also treu - so heißt der Protagonist dieser Tierfabel, ein deutscher Schäferhund, der dem indigenen Stamm der Mapuche in Südchile entrissen wird. Er muss fortan bei jenen Weißen leben, die die Natur seiner Heimat zerstören. Überdies vermisst er den Jungen Aukamañ, mit dem er gemeinsam aufwuchs. Eines Tages soll Afmau auf ihn Jagd machen - und riskiert sein Leben für den Freund. Eine Geschichte um Leben und Tod, Unterdrückung und Freiheit, um Freundschaft und Naturverbundenheit - so berührend und ehrlich geschrieben, wie nur Luis Sepúlveda es vermochte. Spanische Lektüre: Niveau A2-B1 (GER) E-Book mit Seitenzählung der gedruckten Ausgabe: Buch und E-Book können parallel benutzt werden.

2012, 2013-03-01 Particularly in the humanities and social sciences, festschrifts are a popular forum for discussion. The IJBF provides quick and easy general access to these important resources for scholars and students. The festschrifts are located in state and regional libraries and their bibliographic details are recorded. Since 1983, more than 659,000 articles from more than 30,500 festschrifts, published between 1977 and 2011, have been catalogued.

Adorno Stefan Müller-Doohm, 2015-10-09 'Even the biographical individual is a social category', wrote Adorno. 'It can only be defined in a living context together with others.' In this major new biography, Stefan Müller-Doohm turns this maxim back on Adorno himself and provides a rich and comprehensive account of the life and work of one of the most brilliant minds of the twentieth century. This authoritative biography ranges across the whole of Adorno's life and career, from his childhood and student years to his years in emigration in the United States and his return to postwar Germany. At the same time, Müller-Doohm examines the full range of Adorno's writings on philosophy, sociology, literary theory, music theory and cultural criticism. Drawing on an array of sources from Adorno's personal correspondence with Horkheimer, Benjamin, Berg, Marcuse, Kracauer and Mann to interviews, notes and both published and unpublished writings, Müller-Doohm situates Adorno's contributions in the context of his times and provides a rich and balanced appraisal of his significance in the 20th Century as a whole. Müller-Doohm's clear prose succeeds in making accessible some of the most complex areas of Adorno's thought. This outstanding biography will be the standard work on Adorno for years to come.

Constitutional Cultures Ulrike Bock, Katrin Dirksen, Silke Hensel, 2013-01-14 Written constitutions are an important attribute of nation states and have become a global phenomenon over the past 200 years. The process began with the revolutions in the Atlantic World, from where it spread to other regions. The present volume looks into the complex of constitutions, the fundamental values conveyed by the constitutional texts, the building and functioning of new constitutional bodies and their symbolic representation. All the authors work on the assumption that in order to fully understand the constitutional order and its history, it is necessary, in addition to studying the legal text, to analyse its special forms of implementation and legitimisation. Therefore, culture is seen as an important component of constitutional history. The volume brings together historians from Argentina, France, Germany, Great Britain, Spain and the United States; all are specialised in constitutional history and political culture in the 19th century. Their contributions include case studies on the colonial European powers as well as their colonies or ex-colonies in the Americas. A special aim of the volume is to show the connectedness of the constitutional processes that took place in these regions during the late 18th and the 19th centuries. By connecting two vibrant research areas, this volume makes an important contribution to studies on political culture and the history of the Atlantic World. The book targets a broad academic readership, especially in the fields of cultural studies, history, and political science, and contributes to an internationalisation of the academic debate on the concept of constitutional culture.

The Jewish Eighteenth Century, Volume 2 Shmuel Feiner, 2023-03-07 The second volume of Shmuel Feiner's *The Jewish Eighteenth Century* covers the period from 1750 to 1800, a time of even greater upheavals, tensions, and challenges. The changes that began to emerge at the beginning of the eighteenth century matured in the second half. Feiner explores how political considerations of the Jewish minority throughout Europe began to expand. From the Jew Bill of 1753 in Britain, to the surprising series of decrees issued by Joseph II of Austria that expanded tolerance in Austria, to the debate over emancipation in revolutionary France, the lives of the Jews of Europe became ever more intertwined with the political, social, economic, and cultural fabric of the continent. *The Jewish Eighteenth Century, Volume 2: A European Biography, 1750-1800* concludes Feiner's landmark study of the history of Jewish populations in the period. By combining an examination of the broad and profound processes that changed the familiar world from the ground up with personal experiences of those who lived through them, it allows for a unique explanation of these momentous events.

2010 Massimo Mastrogregori,2014-12-12 Every year, the Bibliography catalogues the most important new publications, historiographical monographs, and journal articles throughout the world, extending from prehistory and ancient history to the most recent contemporary historical studies. Within the systematic classification according to epoch, region, and historical discipline, works are also listed according to author's name and characteristic keywords in their title.

Crescent Remembered Patricia Hertel,2015-06-26 Contemporary Spain and Portugal share a historical experience as Iberian states which emerged within the context of al-Andalus. These centuries of Muslim presence in the Middle Ages became a contested heritage during the process of modern nation-building with its varied concepts and constructs of national identities. Politicians, historians and intellectuals debated vigorously the question how the Muslim past could be reconciled with the idea of the Catholic nation. The Crescent Remembered investigates the processes of exclusion and integration of the Islamic past within the national narratives. It analyses discourses of historiography, Arabic studies, mythology, popular culture and colonial policies towards Muslim populations from the 19th century to the dictatorships of Franco and Salazar in the 20th century. In particular, it explores why, despite apparent historical similarities, in Spain and Portugal entirely different strategies and discourses concerning the Islamic past emerged. In the process, it seeks to shed light on the role of the Iberian Peninsula as a crucial European historical contact zone with Islam.

The Human Rights Breakthrough of the 1970s Sara Lorenzini,Umberto Tulli,Ilaria Zamburlini,2021-12-16 During the 1970s human rights took the front stage in international relations; fuelling political debates, social activism and a reconceptualising of both East-West and North-South relations. Nowhere was the debate on human rights more intense than in Western Europe, where human rights discourses intertwined the Cold War and the European Convention on Human Rights, the legacies of European empires, and the construction of national welfare systems. Over time, the European Community (EC) began incorporating human rights into its international activity, with the ambitious political will to prove that the Community was a global "civilian power." This book brings together the growing scholarship on human rights during the 1970s, the history of European integration and the study of Western European supranational cooperation. Examining the role of human rights in EC activities in Latin America, Africa, the Mediterranean, Eastern Europe and the Soviet Union, The Human Rights Breakthrough of the 1970s seeks to verify whether a specifically European approach to human rights existed, and asks whether there was a distinctive 'European voice' in the human rights surge of the 1970s.

Dictionary of African Biography Emmanuel Kwaku Akyeampong,Professor Henry Louis Gates, Jr.,2012-02-02 From the Pharaohs to Fanon, Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa's history. Unprecedented in scale, DAB covers the whole continent from Tunisia to South Africa, from Sierra Leone to Somalia. It also encompasses the full scope of history from Queen Hatsheput of Egypt (1490-1468 BC) and Hannibal, the military commander and strategist of Carthage (243-183 BC), to Kwame Nkrumah of Ghana (1909-1972),

Miriam Makeba and Nelson Mandela of South Africa (1918 -).

Santa Anna of Mexico Will Fowler, 2009-10-25 Antonio López de Santa Anna (1794-1876) is one of the most famous, and infamous, figures in Mexican history. Six times the country's president, he is consistently depicted as a traitor, a turncoat, and a tyrant—the exclusive cause of all of Mexico's misfortunes following the country's independence from Spain. He is also, as this biography makes clear, grossly misrepresented. Will Fowler provides a revised picture of Santa Anna's life, offering new insights into his activities in his bailiwick of Veracruz and in his numerous military engagements. The Santa Anna who emerges from this book is an intelligent, dynamic, yet reluctant leader, ingeniously deceptive at times, courageous and patriotic at others. His extraordinary story is that of a middle-class provincial criollo, a high-ranking officer, an arbitrator, a dedicated landowner, and a political leader who tried to prosper personally and help his country develop at a time of severe and repeated crises, as the colony that was New Spain gave way to a young, troubled, besieged, and beleaguered Mexican nation. ∅ ∅

Antonio Jos Als Biografia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Antonio Jos Als Biografia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Antonio Jos Als Biografia has opened up a world of possibilities. Downloading Antonio Jos Als Biografia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Antonio Jos Als Biografia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free

PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Antonio Jos Als Biografia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Antonio Jos Als Biografia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Antonio Jos Als Biografia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Antonio Jos Als Biografia has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Antonio Jos Als Biografia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. Antonio Jos Als Biografia is one of the best book in our library for free trial. We provide copy of Antonio Jos Als Biografia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Antonio Jos Als Biografia.
