Since You've Been Gone Samantha Chase,2021-06-29 Emmaline Ryan has always been the smart, shy girl who plays it safe. But all that's gotten her is a divorce and a mountain of debt to pay off courtesy of her ex-husband. Needless to say, she's stopped believing in miracles and fairy tales a long time ago. Except now she's in desperate need of one those miracles if she wants to save her family's animal rescue. Emmaline knows just where to go for help, but that means putting her faith in the hands of the man who once broke her heart without even realizing it. Garrett Coleman met the girl of his dreams when he was just eight years old - only, he never told her. But that was years ago. Now, Garrett has become a reluctant social media star - the shirtless #HotDoc and #SexyVet who saves scared and helpless animals. Sure, it's been great for business, but he'd give anything for people to see the real him, preferably with a shirt on. When a visit home to Magnolia Sound has him running into the shy girl he left behind, he sees his chance at the future he never thought he deserved. Unfortunately, he's

not the only one back in town, and wooing Emmaline just became a lot more complicated. A lot has changed since he's been gone and Garrett is going to have to prove that he's up to the challenge. Emmaline might still be the sweet and quiet girl he left behind, but he's not sure she willing to wait.

Savior Victoria Wright, 2019-01-21 Tall, dark, and sinfully seductive. Is that even a type? Hell if I know, but that's Derek

in a nutshell. He's everything I've ever wanted in a man, and yet so utterly unattainable. Usually they say a girl can have hope, but in my case? Nada. Zip, zero, zilch. Less than none. You're not supposed to fall in love with your stepbrother. It's weird, and wrong. But that's what happened when I met Derek. It didn't matter that he was five years older than me—that he was already a man, while I was still just a girl. I loved him and that was it, there was no room for anyone else. Problem is: if I wasn't his stepsister, would he even know I exist? *Savior is a complete standalone romance with no cliffhanger.*

A Common Table Cynthia Chen McTernan,2018-10-23 In *A Common Table*, Two Red Bowls blogger Cynthia Chen McTernan shares more than 80 Asian-inspired, modern recipes that marry food from her Chinese roots, Southern upbringing, and Korean mother-in-law's table. The book chronicles Cynthia's story alongside the recipes she and her family eat every day—beginning when she met her husband at law school and ate out of two battered red bowls, through the first years of her legal career in New York, to when she moved to Los Angeles to start a family. As Cynthia's life has changed, her cooking has become more diverse. She shares recipes that celebrate both the commonalities and the diversity of cultures: her mother-in-law's spicy Korean-inspired take on Hawaiian poke, a sticky sesame peanut pie that combines Chinese peanut sesame brittle with the decadence of a Southern pecan pie, and a grilled cheese topped with a crisp fried egg and fiery kimchi. And of course, she shares the basics: how to make soft, pillowy steamed buns; savory pork dumplings; and a simple fried rice that can form the base of any meal. Asian food may have a reputation for having long ingredient lists and complicated instructions, but Cynthia makes it relatable, avoiding hard-to-find ingredients or equipment, and breaking down how to bring Asian flavors home into your own kitchen. Above all, Cynthia believes that food can bring us together around the same table, no matter where we are from. The message at the heart of *A Common Table* is that the food we make and eat is rarely the product of one culture or moment, but is richly interwoven—and though some dishes might seem new or different, they are often more alike than they appear.

We Bury Our Dead Well Rachael Webb,2022-11-28 We Bury Our Dead Well By: Rachael Webb The very element that binds us to humanity is being used to divide us. Our emotions do not make us unique; they make us human. It is how you got there and what you do once you leave the particular events of your life, this is where your uniqueness comes from. Let's start loving our living with a cup of grace and the emotional bonds of humanity. Follow two public servants who leave it all on the field to help others only to be left destitute and in peril due to the actions of others. Discover how important a support network is as you embrace individuals in a parallel world and discover how we as individuals help to kill each other every day in our actions and our words. In a world where materialist items are valued over human life, let's come back to humanity and start taking care of each other. Validation is your only requirement. It is not for you to judge good or bad. Let's see each other for the possibility, not the trials that we are currently facing alone.
