Say You Swear Meagan Brandy,2021 For years, I've dreamt of what college life could bring and while some things changed, there was always one constant. It didn't matter how wild I allowed my imagination to run, it always led me to the same place in the end. It led me to him. My future was clear, and he was it. Until suddenly he wasn't. Now I'm a shell of who I was, on a path too blurry to follow, and I see no way out. No way up. They say first loves last forever. That's exactly what I'm afraid of.

Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which

have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Can Love Happen Twice? Life is What You Make It Preeti Shenoy, 2019-07-12 What would you do if destiny twisted the road you took? What if it threw you to a place you did not want to go? Would you fight, would you run or would you accept? Set across two cities in India in the early eighties, Life is What You Make it is a gripping account of a few significant years of Ankita's life. Ankita Sharma has the world at her feet. She is young, good-looking, smart and tones of friends and boys swooning over her. She also manages to get into a premier management school for her MBA. Six months later, she is a patient in a mental health hospital. Life has cruelly and coldly snatched that which meant the most to her and she must now fight to get it all back. It is a deeply moving and inspiring account of growing up, of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you. A tale, at its core a love-story that makes us question our beliefs about ourselves and our concept of sanity, and forces us to believe that life is truly what one makes it.

Her Soul to Take Harley Laroux, 2021-04-09 Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rael've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. Content Warning This book contains graphic sexual scenes, violence, kink/fetish content, horror elements, drug use, and depictions of hard kink/edgeplay. "They've never found the body of the first and only boy who broke my heart. And they never will." Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King's power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra knows what she deserves, and she's going to do everything within her power to get it. But Alessandra's not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen—all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? "Tricia Levenseller's latest, *The Shadows Between Us*, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of." —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series

The Four Loves C. S. Lewis, 2023-11-20 *The Four Loves* is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: GOD is love, says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God.
