

# In Name Of Father Son And Holy Spirit

**Andrew John Jukes**

**In the Name of the Father, Son, and Holy Spirit** Thomas K. Johnson, David Parker, Thomas Schirrmacher, 2020-12-16  
Our six authors from four continents representing several branches of Evangelicalism are united in affirming the classical Christian understanding of God as Trinity as crucial for knowing God, understanding the world, and serving God honestly. Their essays lead up to a compilation of classical creeds regarding this foundational proclamation. Thomas K. Johnson: "The Trinity is a matter of knowing God in his complexity, totally different from us in our singularity yet radically similar in having personality in his image, then letting this knowledge of God become the pattern of a renewed Christian mind." Brian Edgar: "This presentation of the consummate dimensions of the Trinity . . . tells us that the life of God as Trinity is something in which we participate rather than something to be intellectually comprehended." J. Scott Horrell: "The suggestion, humbly submitted, is especially for a missional Trinitarian worldview—not missional as from one culture to another, but missional as each body of believers seeks to engage and express Trinitarian faith within their own culture." William P. Atkinson: "As the Father's kenotic 'leadership' of the Trinity thereby exalts the Son and the Spirit, so too we can expect that the sort of servant-leadership that answers Jesus' high-priestly prayer will lift those who are being led." Pavel Hošek: "The Enlightenment reductionist rationalism in theology is going through a serious crisis, and the relativistic postmodern alternatives do not provide any firm epistemological basis for responsible theological thinking. I suggest that the trinitarian intellectual framework which Comenius and Lewis tried to develop offers a promising and inspiring way forward for Christian theologians faithful to the orthodox teachings of the church who are struggling with the intellectual challenges of contemporary culture." Tersur Aben: "The Trinity is the heart of God's self-disclosure to and involvement with humans on earth. . . . The mission of the church is thus to proclaim the gospel of salvation and the restoration of humans back to God, which the Son accomplished on Calvary and the Holy Spirit applies to believers on Pentecost."

Disciples of All Nations Lamin O. Sanneh, 2007-11-30 Long the dominant religion of the West, Christianity is now rapidly becoming the principal faith in much of the postcolonial world--a development that marks a momentous shift in the religion's very center of gravity. In this eye-opening book, Lamin Sanneh examines the roots of this post-Western awakening and the unparalleled richness and diversity, as well as the tension and conflict, it has brought to World Christianity. Tracing Christianity's rise from its birth on the edge of the Roman empire--when it proclaimed itself to be a religion for the entire

world, not just for one people, one time, and one place--to its key role in Europe's maritime and colonial expansion, Sanneh sheds new light on the ways in which post-Western societies in Africa, Asia, and Latin America were drawn into the Christian orbit. Ultimately, he shows, these societies outgrew Christianity's colonial forms and restructured it through their own languages and idioms--a process that often occurred outside, and sometimes against, the lines of denominational control. The effect of such changes, Sanneh contends, has been profound, transforming not only worship, prayer, and the interpretation of Scripture, but also art, aesthetics, and music associated with the church. In exploring this story of Christianity's global expansion and its current resurgence in the non-Western world, Sanneh pays close attention to such issues as the faith's encounters with Islam and indigenous religions, as well as with secular ideologies such as Marxism and nationalism. He also considers the challenges that conservative, non-Western forms of Christianity pose to Western liberal values and Enlightenment ideas. Here then is a groundbreaking study of Christianity's role in cultural innovation and historical change--and must reading for all who are concerned with the present and future of the faith.

**The Jesus Papers** Michael Baigent,2009-03-17 In this New York Times--bestselling study, the co-author of Holy Blood, Holy Grail explores further mysteries surrounding Jesus Christ. What if everything we have been told about the origins of Christianity is a lie? What if a small group had always known the truth and had kept it hidden . . . until now? What if there is evidence that Jesus Christ survived the crucifixion? In Holy Blood, Holy Grail Michael Baigent and his co-authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline. The book became an international publishing phenomenon and was one of the sources for Dan Brown's novel The Da Vinci Code. Now, with two additional decades of research behind him, Baigent's The Jesus Papers presents explosive new evidence that challenges everything we know about the life and death of Jesus. Praise for The Jesus Papers "An explosive book." —The Today Show "Fascinating." —CNN's American Morning

**The Father, the Son, and the Holy Spirit** Jane Schaberg,1982

Trinity 101 James Leonard Papandrea,2012 Trinity 101 offers readers a basic approach to the Trinity as history portrays it, as a doctrinal concept, and how it is revealed in the Scripture. This is highly useful to those seeking a starting point of Christian theological study of the Trinity, from high school age onwards; and also to educated adults who are drawn to this topic. James Papandrea writes in an engaging and accessible style on the theological background of the Trinity. Paperback

**Revelation Rightly Revealed** Damon Daril Nailer,2016-03-10 Very accurate, extremely informative, and certainly understandable. As we all know, the revelation of Jesus Christ as recorded by John the Apostle is one of the most intriguing and fascinating books in the bible. However, Revelation Rightly Revealed (R3) conducts a precise yet comprehensive study of John's apocalypse. R3 analyzes and expounds on fourteen major themes found in the book of Revelation. As a result, you are guaranteed to receive dynamic and tremendous insight into the following concepts: The Four Horsemen, The Great

Tribulation, Mystery Babylon, The Resurrections, The 7 Seals, 7 Trumpets, and 7 Vials, Eternity, and much more.

*The Trinity and the Kingdom* Jürgen Moltmann, 1993-09-01 An excellent introduction to the prophets and the prophetic literature . . . The goal of the book is to understand the thought of the prophets in their historical contexts, and to communicate that understanding for our time. Its approach, while innovative, builds upon the best of contemporary analysis of the prophetic literature. --Gene M. Tucker Candler School of Theology Emory University Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap. He displays the individuality of each prophet with perceptive insight, but he also compares and interrelates them in his various summaries. Furthermore, Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades. --Bernhard W. Anderson Princeton Theological Seminary

*Father, Son, and Spirit* Andreas J. Köstenberger, Scott R. Swain, 2008 While there have been recent, fine studies on aspects of John's doctrine of God, it is surprising that none summarizes and synthesizes what John has to say about God as Father, Son, and Holy Spirit. In order to fill this gap, Kostenberger and Swain offer a fresh examination of John's trinitarian vision. Part One situates John's trinitarian teaching within the context of Second Temple Jewish monotheism. Part Two examines the Gospel narrative in order to trace the characterization of God as Father, Son and Spirit, followed by a brief synthesis. Part Three deals more fully with major trinitarian themes in the Fourth Gospel, including its account of Jesus Christ, the Holy Spirit, and mission. A final chapter discusses the significance of John's Gospel for the church's doctrine of the Trinity, and a brief conclusion summarizes some practical implications. For those who want to know what they ought to believe ... out of God's self-disclosure in Scripture, this book will be a stimulating delight' (D. A. Carson).--BOOK JACKET.

*Myths and Mistakes in New Testament Textual Criticism* Elijah Hixson, Peter J. Gurry, 2019-11-05 A renewed interest in textual criticism has created an unfortunate proliferation of myths, mistakes, and misinformation about this technical area of biblical studies. Elijah Hixson and Peter Gurry, along with a team of New Testament textual critics, offer up-to-date, accurate information on the history and current state of the New Testament text that will serve apologists and offer a self-corrective to evangelical excesses.

**Trinity and Creation** Boyd Taylor Coolman, Dale Michael Coulter, 2011 Space ads in America, Commonweal, Living Church, Living City; Feature in A Spirit of Books@ catalog (120,000); Feature in Theological Best Books catalog (90,000); Extensive review campaign; Direct mailings to house list (monthly); E-mail marketing to selected consumer and academic lists

**Believer's Baptism** Thomas R. Schreiner, Shawn Wright, E. Ray Clendenen, 2007-01-01 Is believer's baptism the clear teaching of the New Testament Scriptures? What are the historical and theological challenges to believer's baptism? What are the practical applications for believer's baptism today? Volume two in the NEW AMERICAN COMMENTARY STUDIES IN

BIBLE & THEOLOGY (NACSBT) series for pastors, advanced Bible students, and other deeply committed laypersons addresses these compelling questions. Indeed, *Believer's Baptism* begins with the belief that believer's baptism (as opposed to infant baptism or other faith proclaiming methods) is the clear teaching of the New Testament. Along the way, the argument is supported by written contributions from Andreas Kostenberger, Robert Stein, Thomas Schreiner, Stephen Wellum, Steve McKinion, Jonathan Rainbow, Shawn Wright, and Mark Dever. Users will find this an excellent extension of the long-respected NEW AMERICAN COMMENTARY.

**The Oneness of God** David K. Bernard, 1998

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

*The Name of Jesus (Understanding Believer's Authority)* Chris Segun Onayinka, 2020-02-23 This book is written as a follow up to an earlier book *Who you are in Christ*. This book is written to explain: The name of Jesus in all the scriptures, The authority in it, Its use by the believer, What it does today, And much more. This is a book that will trigger exploits and power.

The Doctrine of God Herman Bavinck, 1977 The doctrine of God is the foundation of Christian theology and the prerequisite of all true faith. This translation provides, in the words of Hendriksen, 'a spiritual treat' for the serious reader.

**The Twelve Steps and the Sacraments** Scott Weeman, 2017 Winner of a 2018 Catholic Press Association Award: Sacraments. (Second Place). In the first book to directly integrate the Twelve Steps with the practice of Catholicism, Scott Weeman, founder and director of Catholic in Recovery, pairs his personal story with compassionate straight talk to show Catholics how to bridge the commonly felt gap between the Higher Power of twelve-step programs and the merciful God that he rediscovered in the heart of the sacraments. Weeman entered sobriety from alcohol and drugs on October 10, 2011, and he's made it his full-time ministry to help others who struggle with various types of addiction to find spiritual wholeness through Catholic in Recovery, an organization he founded and directs. In *The Twelve Steps and the Sacraments*, Weeman candidly tackles the struggle he and other addicts have with getting to know intimately the unnamed Higher Power of recovery. He shares stories of his compulsion to find a personal relationship with God and how his tentative steps back to the

Catholic Church opened new doors of healing and brought him surprising joy as he came to know Christ in the sacraments. Catholics in recovery and those moving toward it, as well as the people who love them will recognize Weeman's story and his spiritual struggle to personally encounter God. He tells us how: Baptism helps you admit powerlessness over an unmanageable problem, face your desperate need for God, and choose to believe in and submit to God's mercy. Reconciliation affirms and strengthens the hard work of examining your life, admitting wrongs, and making amends. The Eucharist provides ongoing sustenance and draws you to the healing power of Christ. The graces of Confirmation strengthen each person to keep moving forward and to share the good news of recovery and new life in Christ. Weeman's words are boldly challenging and brimming with compassion and through them you will discover inspiration, hope, sage advice, and refreshingly practical help.

*The First Book of Moses, Called Genesis*, 1999 Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

**An Examination of the Problems of Inclusive Language in the Trinitarian Formula of Baptism** Thomas J. Scirghi, 2000 The recent attempts to change the traditional Trinitarian formula in baptism in order to rid it of masculine language raises questions concerning the nature of revelation and tradition. The study also examines the work of feminist theology which has provided a means for a radical rethinking of religious experience.

**The Names of God** Andrew John Jukes, 1967 (Foreword by Charles R. Wood) The various names used in reference to God are examined in relationship to their purpose, virtues, and characteristics.
