So when she and her friends Evie, Carlos, and Jay all receive threatening messages demanding they return home, Mal can't believe it. Sure, she's King Ben's girlfriend now, and she's usually nice to her classmates, but she still didn't think anyone would be silly enough to try to push her around. The thing is, it kind of worked. Especially since she and her friends have a sneaking suspicion that their villainous parents are behind the messages. And when Evie looks into her Magic Mirror, what she sees only confirms their fears. Maleficent's just a tiny lizard after her run-in with Mal at Ben's Coronation, but she's the worst villain in the land for a reason. Could she have found a way to escape?
