Native Diasporas Gregory D. Smithers, Brooke N. Newman, 2014-06-01 The arrival of European settlers in the Americas disrupted indigenous lifeways, and the effects of colonialism shattered Native communities. Forced migration and human trafficking created a diaspora of cultures, languages, and people. Gregory D. Smithers and Brooke N. Newman have gathered the work of leading scholars, including Bill Anthes, Duane Champagne, Daniel Cobb, Donald Fixico, and Joy Porter, among others, in examining an expansive range of Native peoples and the extent of their influences through reaggregation. These diverse and wide-ranging essays uncover indigenous understandings of self-identification, community, and culture through the speeches, cultural products, intimate relations, and political and legal practices of Native peoples. *Native Diasporas* explores how indigenous peoples forged a sense of identity and community amid the changes wrought by European colonialism in the Caribbean, the Pacific Islands, and the mainland Americas from the seventeenth through the twentieth century. Broad in scope and groundbreaking in the topics it explores, this volume presents fresh insights from scholars devoted to understanding Native American identity in meaningful and methodologically innovative ways.

Lucy's Mask Lisa Sirkis Thompson, 2021-06-13 Masks are everywhere. What do kids think about that? When Lucy finds out her mom is making her a special mask she's excited. Lucy loves masks! She dives into her toy box full of costumes and opens a world of imagination and make-believe adventure, far beyond the walls of her room. Of course, she doesn't realize that the mask her mom is making is not part of a costume but one that will keep her safe and make her a real-life superhero. This book is not a science lesson about germs and protection. It's a simple fun story that helps make mask-wearing more relatable and less scary. Parents and educators have found it to be a wonderful tool to start a conversation about germs, viruses, the pandemic, and what families have to do to keep themselves and others safe. For children heading to schools that will require them to wear masks, and for parents, grandparents and teachers looking for stories that give comfort and

reassurance to kids about the changes around them, Lucy's Mask is a welcome addition to reading time. Lucy's Mask was a Finalist in the 2021 Next Generation Indie Book Awards.

The New Catacomb Arthur Conan Doyle, Sir,2014-03-27 Sir Arthur Ignatius Conan Doyle DL (22 May 1859 - 7 July

1930) was a Scottish physician and writer who is most noted for his fictional stories about the detective Sherlock Holmes, which are generally considered milestones in the field of crime fiction. He is also known for writing the fictional adventures of a second character he invented, Professor Challenger, and for popularising the mystery of the Mary Celeste. He was a prolific writer whose other works include fantasy and science fiction stories, plays, romances, poetry, non-fiction, and historical novels. Sherlock Holmes is a fictional detective created by Scottish author and physician Sir Arthur Conan Doyle, a graduate of the University of Edinburgh Medical School. A London-based consulting detective whose abilities border on the fantastic, Holmes is famous for his astute logical reasoning, his ability to adopt almost any disguise, and his use of forensic science skills to solve difficult cases. Holmes, who first appeared in publication in 1887, was featured in four novels and 56 short stories. The first novel, *A Study in Scarlet*, appeared in Beeton's Christmas Annual in 1887 and the second, *The Sign of the Four*, in Lippincott's Monthly Magazine in 1890. The character grew tremendously in popularity with the first series of short stories in *The Strand Magazine*, beginning with *A Scandal in Bohemia* in 1891; further series of short stories and two novels published in serial form appeared between then and 1927. The stories cover a period from around 1880 up to 1914. All but four stories are narrated by Holmes's friend and biographer, Dr. John H. Watson; two are narrated by Holmes himself (*The Blanched Soldier* and *The Lion's Mane*) and two others are written in the third person (*The Mazarin Stone* and *His Last Bow*). In two stories (*The Musgrave Ritual* and *The Gloria Scott*), Holmes tells Watson the main story from his memories, while Watson becomes the narrator of the frame story. The first and fourth novels, *A Study in Scarlet* and *The Valley of Fear*, each include a long interval of omniscient narration recounting events unknown to either Holmes or Watson.

The Log Driver's Waltz Wade Hemsworth, 2018-09-25 Acclaimed illustrator Jennifer Phelan reimagines Wade Hemsworth's iconic log driver in a beautiful, contemporary picture-book adaptation of a beloved Canadian classic. If you ask any girl from the parish around What pleases her most from her head to her toes She'll say I'm not sure that it's business of yours But I do like to waltz with a log driver Based on the perennially popular Canadian folk song and animated short film of the same name, *The Log Driver's Waltz* showcases a spunky, independent young woman whose parents are keen for her to marry. The town's well-to-do doctors, merchants, and lawyers try to impress her, but it's the humble log driver—with his style, grace, and joie de vivre—who captures her attention. When she and the log driver finally meet on the dance floor, their joy leaps off the page. With homages to the original film, and celebrating the flora, fauna, and folk art of this great land, *The Log Driver's Waltz* brings a hallmark of Canadian childhood to life.
